FORWARD

This brochure on academic programs, policies, and course descriptions of the College of Boca Raton has been prepared to provide the members of the faculty with information which is necessary for properly advising students concerning curriculum and course selection.

This brochure should be used in conferences with students and in general and divisional meetings of the faculty.

The 1975-1976 revision of academic programs, policies, and course descriptions has been achieved through the cooperative effort of both the administration and the faculty either individually or in committee discussion.

STUDENT RESPONSIBILITY

Each student is responsible for a knowledge of and adherence to regulations governing registration, withdrawal, degree plans, graduation requirements, and the payment of tuition and fees.

ACADEMIC ADVISING

Academic counseling for students at the College of Boca Raton begins with the first contact made with the prospective student. On the basis of high school grades, rank in class, scores on college entrance examination board tests, and information included in the application for admission, the student is first advised as to whether it appears he is suited for the degree program provided. For students accepted for admission, the college provides both English and Mathematics placement examinations. The ratio of faculty and staff members is such that much individual attention is available to each student.

At the beginning of the academic year, each student is assigned a faculty advisor. The advisor assists students in class scheduling, improving study habits, and career planning. All students are required to meet with their academic advisors at least twice during each semester. Students who are not assigned a faculty advisor should report to the Office of the Recorder.

The Counseling and Guidance Center works closely with students who have career, educational, and personal concerns.

In addition to the regularly assigned faculty advisors, all other faculty, staff members, and administrative officers are available to assist students in any appropriate way possible.
Matriculated students are classified as Freshmen, Sophomores, Juniors, and Seniors. Academic classification is determined by the number of credit hours completed as given below:

<table>
<thead>
<tr>
<th>ACADEMIC CLASSIFICATION</th>

</tr>
<tr>
<td>Part-Time</td>

Transfer students are also classified according to the above scale. Classification is determined by the number of transfer credits accepted by the College of Boca Raton.

GRADING SYSTEM

Faculty members have the responsibility to provide the college with an individual evaluation of the work of each student in their classes. Final course grades are entered on the student's permanent college record at the close of each semester, term, or session. The grading system of the College of Boca Raton is as follows:

- A - Excellent; B - Good; C - Average; D - Pass (lowest passing grade);
- F - Failure; XF - Failure due to excessive absences.

COMPUTATION OF GRADE POINT AVERAGES

For numerical computation of grade point averages, the following values are assigned:

- A - 4.0; B - 3.0; C - 2.0; D - 1.0; F - 0; XF - 0.

The Grade Point Average (GPA) is computed by dividing the sum of all grade points earned by the total number of semester credits in all courses for which grades of A, B, C, D, F, and XF have been received.
Directed Study (Regular catalog courses taken by special arrangement) involves the student and instructor in virtually a "one-to-one" relationship; i.e., frequent conferences regarding the study in order to complete a regularly offered course.

Although the term "Independent Study" will be used, guidelines marked (*) also apply to Directed Study.

1. A student may take no more than one Independent Study per term. A division may waive this maximum, with the approval of the Academic Dean.

2. The schedule for approval of an Independent Study is as follows:

   *A. Student has proposal for Independent Study.

   *B. Student contacts division chairperson who, with the Academic Dean, approves or rejects the proposal, recommends a potential supervisor, who may either accept or decline the invitation to supervise the study.

   *C. Supervisor approves written proposal for the Independent or Directed Study.

   D. Student completes registration in the usual manner.

   E. At the beginning of each term the Registrar posts a list of all approved Independent and Directed Studies and their supervisors.

*3. The student should report periodically to his study supervisor in person, by phone or by letter.

*4. The time limit for the completion of an Independent Study is one term. If more time is necessary, the student must make a formal application to his supervisor and the Recorder for an extension that is not to exceed one term.

5. Independent Studies may be proposed for one or more credit hours, although they generally will be valued at three credit hours.

ACADEMIC HONORS

Recognition for superior academic achievement at the College of Boca Raton given both by the administration and the faculty.
REPEATED COURSES

Where a course has been repeated due to failure (F), both the original and subsequent grades are reported on the official college transcript, but only the passing or highest grade is included in the calculation of the grade point average.

Other symbols in use (not included in computation of averages):

WP - Officially withdrawn from the course with a passing grade (Withdrawal notice received by the Recorder).

WF - Officially withdrawn from the course with a failing grade.

AU - Audit

R - Repeated Course

I - Incomplete

A student who withdraws from a course during the first two weeks of the semester will not receive a grade, and the course will not appear on the permanent college record.

A student who withdraws from a course between the third and eighth week of the semester will receive either a "WP" or "WF".

A student who is passing a course, but who has not completed the course requirements by the end of the semester will receive an "I". The grade of "I" reflects neither passing nor failing work, and will not be included in the calculation of the grade point average. The student is responsible for completing the course requirements during the first two weeks of the following semester. Failure to complete course requirements within this time frame will result in the student receiving an "F" for the course.

ADMISSION TO CLASSES

Registration: Students are permitted to enter classes only after meeting financial commitments in the Business Office and completing registration procedures with the Office of the Recorder.

CHANGE OF REGISTRATION

Changes in registration are permitted only with the consent of the instructor involved and the student's faculty advisor. Course additions or section changes must be made by the end of the first week of the semester.
To drop or add or change a course section, the student must obtain the appropriate change form from the Office of the Recorder. The form must be signed by both the instructor and the faculty advisor. The completed form, accompanied by the necessary payment, must be presented to the Business Office.

No class may be dropped after the end of the eighth week of the semester. Change to a load of less than twelve (12) semester hours requires the approval of the Academic Dean.

**COURSE LOAD**

The normal course load for full-time students is twelve to fifteen (12-15) hours. Students wishing to take additional courses must obtain permission from the Academic Dean. If permission is granted, the student will be billed for the additional courses at the prevailing tuition rate per credit hour.

**CANCELLATION OF COURSES**

The college reserves the right to cancel any course for which an insufficient number of students have enrolled or for other reasons deemed necessary for course cancellation. No charge is made to a student for a registration change necessitated by such course cancellation.

**REPEATED COURSES**

Required courses must be repeated if failed by the student. Courses may be repeated no more than twice following initial failure. Where a course has been repeated due to failure (F), both the original and subsequent grades are reported on the official college transcript, but only the passing or highest grade is included in the calculation of the grade point average.

If a student repeats a course with a "D" grade and fails the course, the "D" grade will be included in the cumulative grade point average. The "F" grade will appear on the transcript, but will not be included in the cumulative grade point average.

**AUDIT**

A student who wishes to audit a course must receive permission from his faculty advisor and the instructor of the course, and, if in excess of a fifteen (15) credit hour load, permission of the Academic Dean. Although a student who officially audits a course is not required to take examinations, he is expected to attend class regularly and to participate in a manner which is agreeable with the instructor. An AU will be recorded on the permanent record for courses officially audited. A full-time student will only be charged a registration fee for auditing a course. Students not otherwise enrolled will be charged the regular tuition fees.

**INDEPENDENT STUDY AND DIRECTED STUDY**

Independent Study involves scholarship or research endeavors apart from regular courses offered at the college of Boca Raton. The student should pursue his study with direction from his supervising professor.
THE DEANS LIST

The name of every eligible student who has completed twelve (12) credits with no incompletes, failures or withdrawals, and who has achieved a grade point average of 3.25 or higher for a semester is placed on a list prepared for the Academic Dean. This list is publicized within the college and is distributed to news agencies in the local and regional area. Dean's list students receive a certificate of recognition at Honors Convocation.

Students who achieve academic distinction are eligible for the Delta Rho or the Phi Theta Kappa Honor societies.

GRADUATION WITH HONORS

Students who have a scholastic index of 3.25 or higher may be recommended for graduation with honors. The scholastic index for graduation with honors is computed on the basis of courses taken at the College of Boca Raton.

The honors categories are as follows:

<table>
<thead>
<tr>
<th>HONORS CATEGORY</th>
<th>SCHOLASTIC INDEX</th>
</tr>
</thead>
<tbody>
<tr>
<td>Summa Cum Laude</td>
<td>3.75 - 4.00</td>
</tr>
<tr>

<td>3.50 - 3.74</td>
</tr>
<tr>
<td>Cum Laude</td>
<td>3.25 - 3.49</td>
</tr>
</tbody>
</table>

PRIZES AND AWARDS

Prizes and awards are presented to students in the college as listed below: (Highest cumulative index awards - presented to those students in respective divisions with the highest cumulative point average.

The Trustee's Medal: awarded at graduation to the student who has exhibited outstanding scholarship, leadership, loyalty, and service to the college.

The Humanitarian Award: given at graduation to the student who has exhibited outstanding service and loyalty to the college community.

The President's Award: given in special cases to students exhibiting extraordinary service and commitment to the college.

SCHOLASTIC STANDING

A cumulative record of the quality point standing of each student will be maintained. Students who fail to achieve acceptable minimums will be placed on academic probation for one semester, and their enrollment may be terminated at the end of the following semester if satisfactory progress is not made. The grade point average on which this action is based is determined by dividing the number of grade points earned by the number of semester hours attempted, with repeated courses considered only once in the calculation.

-6-
To remain in good standing, a student must attain the following cumulative scholastic levels:

<table>

</tbody>
</table>

A freshman failing to attain 1.80 at the end of the first term will be warned by the Academic Dean and notification of this action will be sent to his faculty advisor and parents or guardian. Students failing to earn the standings designated above will be placed on academic probation and removed from the list of degree candidates until the appropriate cumulative standing is attained. No student may be considered as a candidate for a degree who does not have a 2.00 cumulative standing.

A student on probation will be limited to a maximum load of 12 semester hours and will not be permitted to hold office or participate in extra curricular activities. After two consecutive semesters on probation, the student is subject to academic dismissal.

A student who is dismissed from the college for academic reasons may be re-admitted on probation by presenting a written petition to the Academic Dean and Dean of Administration and Student Services.

The College of Boca Raton accepts credits from other institutions provided they are for courses which are equivalent to College of Boca Raton courses or can be used to satisfy general elective requirements.

The grade of "D" is accepted if the student has a cumulative grade point average of 2.0 or better.

RESIDENCE AND DEGREE REQUIREMENTS:

In addition to specific courses and scholastic average requirements, each candidate for the Associate of Arts degree must spend the last year (two semesters, or the equivalent), earning not less than twenty-four (24) semester hours, in residence at the College of Boca Raton campus uninterrupted by any work in another institution.

Candidates for a Bachelor's degree must enter the college no later than the beginning of the seventh semester and complete not less than thirty (30) semester hours, in residence at the College of Boca Raton campus, interrupted only by approved summer course work at another institution.

In addition to specific courses and scholastic average requirements, each candidate for the Bachelor of Arts degree in Liberal Arts Studies must earn a 2.0 in the Liberal Arts concentration and integrative course requirements.
Candidates for the Bachelor of Business Administration degree in General Business must earn a 2.0 in General Business Studies courses.

Candidates for degrees must attend commencement exercises or be excused by the Dean of Administration and Student Services. The graduation fee must be paid by all students receiving a degree from the College of Boca Raton.

ATTENDANCE REGULATIONS:

Regular and punctual attendance is essential to successful academic achievement. Each student is responsible for all work from the first day of class and must make satisfactory arrangements with the instructor regarding any absence. Faculty members will maintain a complete and accurate record on the attendance of each student, and report to the student, the faculty advisor, and the guidance counselor whenever irregular attendance is endangering the student's scholastic status in the class. If the irregularity persists the student is subject to receiving a grade of "XF" (failure due to excessive absences) which is included in computing the grade point average.

PERMISSION TO STUDY AT OTHER INSTITUTIONS:

Students who desire to attend another collegiate institution and apply credit to a degree program at the College of Boca Raton must receive prior permission from the

TRANSCRIPTS:

Each student who has paid all his college fees is entitled upon request to receive without charge one transcript of his record. For each additional transcript the fee is $2.00. Cash or checks made payable to the College of Boca Raton must accompany transcript requests.

WITHDRAWAL FROM THE COLLEGE:

Students who withdraw from the college are required to obtain proper clearance. Without proper clearance, students leaving the college may jeopardize the release of their college records. Clearance forms are available in the Office of the Recorder. These forms must be signed by the following offices:

1. Academic Dean
2. Dean of Administration & Student Services
3. Faculty Advisor
4. Guidance Counselor
5. Librarian
6. Business Office - Bookkeeper
ASSOCIATE OF ARTS DEGREE PROGRAMS

The Associate of Arts degree programs of the College of Boca Raton are designed to provide every student with a sound foundation in the major areas of knowledge as well as an opportunity to concentrate upon one specific field.

A Liberal Arts core curriculum is an integral part of each Associate degree program. It gives the student basic courses in English, Arts and Humanities, Social and Behavioral Sciences, and Natural Sciences. These are supplemented by a selected array of career oriented disciplines which afford areas of concentrations in which special competence may be obtained.

The Liberal Arts Division offers concentrations in Art, Fashion Illustration, General Studies, Pre-School Education, and Theatre Arts. These concentrations provide a broad spectrum of career opportunities within the framework of liberal education.

The Business Division offers a two year curricula which examines the basic aspects of business and prepares the student for careers in fields such as Accounting Administration, Business Administration, Fashion Merchandising Management, Hospitality Management, and Secretarial Administration. Students should, however, expect to serve an apprenticeship in the fields they enter if they aspire to higher positions.

BACHELOR DEGREE PROGRAMS

BACHELOR OF ARTS IN LIBERAL ARTS STUDIES

The curricula leading to the Bachelor of Arts Degree in Liberal Arts Studies are based on four years of college work. A unique feature of the Liberal Arts Studies program is that it affords the student the opportunity to investigate the fields of business and economics in order to foster further academic or occupational interests. Through this exposure to business courses, students should be able to place their broad liberal arts education within the more specialized context of the business world. The Bachelor of Arts degree in Liberal Arts Studies is also designed to prepare the student for graduate study.

In addition to achieving competency in a field of concentration, the student is expected to integrate his liberal arts course offerings in an attempt to face and solve in a creative way problems of his day. A broad list of integrative course offerings is available for student selection for this purpose. Further development of individual interest fields is available through careful selection of free electives.

BACHELOR OF BUSINESS ADMINISTRATION DEGREE IN GENERAL BUSINESS

The purpose of the four year curricula leading to the Bachelor of Business Administration degree in General Business is to provide educational experiences that will help students develop their potentialities for leadership and service in business, government, and graduate professional schools in business administration, law, and related areas.

The curriculum provides students with a comprehensive background, rather than detailed training in limited phases of business. The program will be of special interest to those who plan to manage a small business or enter a large corporation with its own training program.

Degree programs and curricula patterns aim to train analytical, flexible, and creative professionals who are able to deal with current and future problems within the business world. Through its Liberal Arts core curriculum, the college will also provide the business student with a thorough education in the Humanities and Social and Natural Sciences.

I. The College

LOCATION

The College of Boca Raton is located in Boca Raton, on Florida's famous "Gold Coast" approximately forty miles north of Miami. Ft. Lauderdale is twenty miles to the south and Palm Beach is twenty miles north. Boca Raton is a city of 30,000, the second largest in Palm Beach County. The College is five miles from the town and the beach. Florida Atlantic University, an upper-division State university is just minutes away. Boca Raton is easily accessible by car from the Sunshine State Parkway and from U.S. 1 and A1A. It is serviced by the major airports of Miami, Ft. Lauderdale, and West Palm Beach.

HISTORY

The College of Boca Raton was founded in 1963 as Marymount College, a private two-year college for women. The name of the college was changed in December 1974 to reflect the nature of the college as it is today: fully co-educational, non-denominational and with four year programs. The 500 students represent almost every State in this country and about thirty foreign countries.
CAMPUS

The 52 acre campus is landscaped with a variety of tropical and semi-tropical plants and trees, including the swaying palms and stately pines. Five artificial lakes reflect the natural beauty of the setting and the harmonious design of the architecture. The campus is bordered by the Boca Raton Bath and Tennis Club to the south and wooded tracts on the north, east and west.

All buildings have been constructed since 1963 and are, therefore, thoroughly modern and completely air-conditioned. CARROLL HALL is the academic building providing classrooms, labs, and art studios. It is a two-story structure with all rooms opening onto a scenic courtyard.

FOUNDERS' HALL houses the dining room, chapel, auditorium, business offices, Student Union, and Student Rathskeller.

LEWIS LIBRARY, built in 1969, serves as a total learning resources center. The collection is planned to reach 50,000 volumes and is supplemented by slides, records, tapes, filmstrips and a dial-access system to produce an outstanding collection of audio-visual materials. The building also houses a theatre, academic and admissions offices.

TRINITY HALL, a three-story residence hall accommodating one hundred and twenty students, contains lounges, laundries, recreation areas, and the resident proctor's apartment and offices.

PATTON HALL houses two hundred students in attractive two-student rooms. Four wings, each housing fifty students, help provide a better experience of group living with personal responsibility. As in Trinity Hall, all residence halls are equipped with their own lounges, laundries, recreation areas and resident proctor rooms.

WIXTED HALL, constructed in 1967, is an exact duplicate of Patton Hall in floor plan. Its brightly colored lobby is a popular spot for parties and informal get-togethers.

ATHLETIC FACILITIES include an outdoor Olympic-size pool, for year-round use; tennis courts; basketball court; soccer, baseball and football fields; space for archery, gymnastics, fencing, volleyball, and similar sports. Golf, riding and bowling are available close by.

HOME OF:
THE CALDWELL PLAYHOUSE, A Professional Resident Theatre Company
THE FORT LAUDERDALE BASEBALL SCHOOL, An internationally known Baseball Training School.
The College of Boca Raton's purpose is to promote the development of each student's intellectual, social, emotional, and spiritual capabilities. Capabilities differ, and therefore goals and achievements will differ among students. But the College will have realized its purpose if each student comes to recognize and appreciate his or her own potential and has the knowledge, skills, and motivation to strive to live up to it.

The College of Boca Raton believes in offering students programs and courses that are career oriented so that they will have the competence and confidence to assume a useful and rewarding role in their society. It believes in offering these practical programs in the environment (both physical and psychological) which is conducive to reflection and personal growth. The College is small by design; the faculty and administration are interested in the individual. The College of Boca Raton welcomes the student who is average in terms of academic rank and recognizes his need for personal interest and extra motivation. Its purpose is to provide to any student who sincerely wants a good education, the opportunity, the instruction, and the supportive services to help him realize his goal.

As an institution of higher learning, it strives to provide academic programs that are meaningful, stimulating and humanizing in preparation for living in a complex world. The College is primarily a residential one and not only attempts to create an environment in which the values of group living and sharing are recognized and learned, but also encourages the development of social concern and a sensitivity toward human dignity and the worth of each person.

II. Student Life

Every phase of college life provides a learning situation wherein the student is guided toward wise decision making. While the College of Boca Raton gives primary emphasis to formal learning through instruction and study, it clearly recognizes that the student has many other needs — personal and social — for which it must make provision. To serve these needs, the College offers a program of student services.

The student has ready access to educational and vocational guidance. Student organizations covering a wide range of interests offer the opportunity to develop many talents and skills. By participating in these activities, the student is exposed to situations that challenge initiative and leadership.

Within the orbit of student services are the offices of the Director of Resident Life, Guidance Counselor, and the Health personnel.
COUNSELING

Counseling at the College aims to further the total development of each individual student. This accent on the individual implies a very definite interest in all phases of the life of the student whose welfare — academic and social — is of primary concern. Upon arrival, each student is assigned a faculty advisor who helps him choose his program of studies and meets with him regularly during the year to evaluate progress and discuss any problem related to adjusting to college life. In addition, students are encouraged to consult individual instructors, the residence hall counseling personnel, the professionally trained guidance and counseling staffs concerning any problems.

ORIENTATION

To help the student adjust to college life with as much ease as possible, the period of orientation will be attended to with the assistance of the student personnel staff and a group of upperclassmen. This orientation will familiarize the new student with the College of Boca Raton’s spirit as seen in its policies, and its operation as seen in its organizational procedures. It also gives the College an opportunity to know its students’ needs and difficulties and to determine how it can assist them.

RESIDENCE HALLS

The three residence halls, Trinity, Patton, and Wixted Halls, provide full living accommodations for 500 students. The men’s and women’s halls each provide adequate facilities for entertaining guests, relaxing with friends, and doing routine chores (laundry, ironing, etc.) Each double room contains two Hollywood beds, two desks, chairs, bureaus, closets, bookcases, and a washbasin and medicine chest. All room accessories (drapes, rugs, bedspreads, lamps, etc.) are provided by the student. Space for discussion groups or study groups is also available, as are telephones, television, games, and just-chatting corners. New students are assigned to rooms and roommates by the Student Services Office who will make any adjustments. Returning students choose their own rooms and roommates. Through the co-operative efforts of all, a living environment rich with the joys of friendship and of sharing with others will add a new dimension to the learning experience.

Students living in college housing are subject to the disciplinary regulations published in the Student Handbook distributed at the beginning of the college year. All unmarried students under 21 years of age (except those living at home with their own families) are required to live on campus.

HEALTH PROGRAM

The objective of the student health program is to make students aware of the importance and advantage of good mental and physical health so they may achieve the utmost of their pursuit of social and intellectual excellence. The college nurse works in conjunction with the community medical services to provide adequate health care. The aim of this service is to care for the immediate health of the individual student, and to develop in all students proper habits of living. It includes medical examinations, treatment for minor
FOREIGN STUDENTS

The College of Boca Raton is proud of the international flavor of its student body and welcomes students from other nations. Since all classes and lectures are conducted in English, however, it is essential that foreign students be fluent in English before their arrival on campus. They must be able to express their thoughts clearly in both spoken and written English. Proficiency in English must be certified by taking the Test of English as a Foreign Language (TOEFL) which is administered by the College Entrance Examination Board, or by taking an English test at the American Consultate in their native country. Students may also arrange to be interviewed by a representative of the Institute of International Education by writing to I.I.E., 809 United Nations Plaza, N.Y.C. 10017. Students admitted to the United States on a student visa must be full-time students and may not engage in off-campus employment without the written permission of the U.S. Immigration authorities.

ADVANCED PLACEMENT AND C.L.E.P.

The College of Boca Raton participates in the Advanced Placement Program of the College Entrance Examination Board and grants credit for knowledge and skills acquired outside of formal classroom experience. High school students who have taken Advancement Placement tests and scored 3 or better may earn both credit and placement in a higher level course. Veterans, mature students, those who have learned "on their own" may earn college credit by taking the tests of the College Level Examination Program. A student may earn up to 30 credits from the General Examinations and meet the requirements of freshman year. Testing information may be obtained by writing: C.L.E.P., Box 1821, Princeton, N.J. 08540.

The College of Boca Raton supports Title VI of the Civil Rights Act of 1964 which states that "No person shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving federal financial assistance."

Equal Opportunity/Affirmative Action Employer
IV. Finances

FINANCIAL REGULATIONS

All financial obligations or financial arrangements must be completed before the student registers. As the College incurs many expenses of a continuing nature, such as salaries and maintenance, it is essential that the annual income from fees be assured in order to plan and maintain these services over the entire year. For this reason it is understood that students are enrolled for the entire academic year or such portion as remains after the date of entrance. The fact that fees are paid in two or more installments does not constitute a fractional contract.

All financial obligations must be satisfied before semester grade reports or transcripts of credit will be released. ALL STATEMENTS AS RECEIVED ARE DUE AND PAYABLE IN FULL ON OR BEFORE THE DATE SHOWN ON THE STATEMENT.

REFUND POLICY

The College reserves the right to dismiss any student who fails to meet the required standard of scholarship and to dismiss or suspend any student for violation of the rules of the College or for any other reasonable cause. In view of the foregoing and since the College must make its financial commitments for the entire academic year, no reduction or refund of fees will be made because of the absence, withdrawal, transfer, dismissal, or suspension of a student.

The College always attempts to identify those individuals responsible for damage or vandalism. When this is not possible, all students must bear an equal portion of the cost and responsibility. Deductions are also made to cover delinquent infirmary/medical charges.

**NOTICE:** The College reserves the right to change, upon reasonable notice, any of the fees printed in this catalog.
PRIVATE ROOMS

A limited number of suites and private rooms are available on a first-come, first-served basis. Students interested in living in a suite or private room must indicate their desire to the Office of Student Services. Students will be placed on a waiting list and assigned to the available private rooms during the first week of school. Private room charges are $400 per semester. Suites, which consist of two private rooms with an adjoining bathroom, are $500 per semester. Two students are assigned per suite. Private room and suite charges are payable when assignments are made.

BOOKS

Textbooks may be purchased in the Campus Bookstore on a cash basis only. Other school and personal supplies are available there.

STUDENT INSURANCE

The College has incorporated a group plan for accident insurance.

LATE REGISTRATION

Approval must be obtained from the Academic Dean in all cases of late registration. A fee of $10 will be charged for late registration.

LAUNDRY

Coin operated laundry machines are available in each dormitory. Students are to provide their own towels and linen.

MEALS

Nineteen meals are served each week except during Thanksgiving, Christmas and Easter vacations. All residence halls and dining facilities are closed during vacation periods.
AUTOMOBILES

Students may have their own automobiles on campus provided they are registered in the office of the Dean of Students.

WITHDRAWAL

Notification of withdrawal for any reason must be made to the Registrar's office by filing the Formal Request for Withdrawal form.

CHECK CASHING SERVICE

The College will cash students' personal checks at the College bank. Checks returned by the bank for any reason will be assessed at $2.50 per check service charge to be paid by the student cashing the check. Several banks in Boca Raton welcome student accounts.

FINANCIAL AID

The College of Boca Raton participates in the financial aid programs sponsored by the Federal Government. The purpose of these programs is to supplement the resources of the student and his family in order to give needy students the opportunity of obtaining a higher education. Applicants for financial aid are urged to apply early since funds are limited. Financial aid is generally awarded in a combination of loan, employment, and grant.

NATIONAL DIRECT STUDENT LOAN

To be eligible for a National Direct Student Loan, a student must demonstrate financial need and carry an academic workload of six or more credits. Repayment of the loan begins nine months after the student ceases to be at least a half-time student.

WORK-STUDY PROGRAM

Those students who demonstrate great financial need and carry an academic workload of six or more credits are eligible to participate in the Work-Study Program. Students are provided with employment on or off campus, salary is dependent upon the type of work performed.

SUPPLEMENTAL EDUCATIONAL OPPORTUNITY GRANTS

The SEOG grant is given to students who are of exceptional financial need and who should not, but for this grant, be financially able to attend the college. Students must take an academic workload of six or more credits. Grants range from $200 to $1,000 a year depending on need.
BASIC EDUCATIONAL OPPORTUNITY GRANT PROGRAM

The BEOG program is a Federal aid program designed to provide financial assistance to those who are in need. The amount of the grant is based on family contribution, federal funds actually available, and the cost of your education, since the grant cannot exceed one half that cost. The "Application for Determination of Family Contribution" is available from the financial aid office at the College of Boca Raton.

GUARANTEED STUDENT LOAN PROGRAM

The Guaranteed Student Loan is available through most banking institutions. Contact your local bank in the state in which you reside for the necessary loan forms. Submit the forms to the College of Boca Raton for verification of attendance and financial need. Repayment begins after you graduate.

FLORIDA STUDENT LOAN

These long-term loans are for Florida residents. Repayment begins within four months following completion or termination of education. Maximum loan is $1,200 per academic year.

TUITION LOAN PLANS

Parents who prefer to meet educational expenses out of monthly income may do so through the programs of one of the following educational loan companies:

- College Aid Plan, Inc.
  1030 E. Jefferson Blvd.
  South Bend, Ind. 46624
- The Tuition Plan, Inc.
  575 Madison Avenue
  New York, N.Y. 10022

SCHOLARSHIPS

Scholarships are awarded to candidates who show exceptional academic promise and excellent achievement. Winners receive recognition at the College Honors Convocation. The stipend attached to the scholarship depends upon the winner's financial need and continuation of scholarships is subject to continued satisfactory academic achievement.

GRANTS

Grants are awarded primarily on the basis of financial need rather than scholastic excellence. Their amount is based upon demonstrated need as determined by the Parents' Confidential Statement and may range from partial to full tuition. Their continuance depends upon the student's remaining in good standing academically and socially.
CAMPUS EMPLOYMENT

Work opportunities exist in the college library, bookstore, offices, residence halls, and cafeteria. Such employment is assigned first to students in need of financial aid who have filed an application with the Financial Aid office.

Some federal funding is available through the College Work/Study program for students who can demonstrate exceptional need.

VETERANS' BENEFITS

The College of Boca Raton is approved for those eligible to receive funds for education from the Veterans' Administration. The same is true for those receiving aid from Social Security. Students should check with these agencies to determine their benefits.

STATE OF FLORIDA TEACHER SCHOLARSHIPS

The State of Florida offers a number of scholarship loans for Florida residents who are planning to teach in Florida. Competitive examinations for these awards are held twice a year under the direction of the local Superintendent of Schools.

FINANCIAL AID APPLICATION PROCEDURE

1. File an application for admission indicating you are seeking financial aid or requesting a Scholarship. The Financial Aid application and Parents' Confidential Statement will be sent to you. Requests will not be considered unless an application for admission is on file.
2. File the P.C.S. with the College Scholarship Service in Princeton, N.J, as early as possible, asking that the financial need analysis be sent to the College of Boca Raton.
3. Return the College of Boca Raton Financial Aid application to the Financial Aid office at the College.
4. Check to be sure your credentials are sent to the Admissions Office since no aid awards can be made until a student has been officially accepted.

RENEWAL OF SCHOLARSHIPS AND FINANCIAL AID

Students who wish to have their financial aid renewed for the following year must apply in writing to the Financial Aid office and must file an updated Parents' Confidential Statement. They must be in good standing academically and socially.
V. Undergraduate Degree Programs

ASSOCIATE OF ARTS DEGREE PROGRAMS

The Associate of Arts Degree Programs of the College of Boca Raton are designed to provide every student with a sound foundation in the major areas of knowledge as well as an opportunity to concentrate upon one specific field.

A Liberal Arts core curriculum is an integral part of each Associate Degree Program. It gives the student basic courses in English, Arts and Humanities, Social and Behavioral Sciences, and Natural Sciences. These are supplemented by a selected array of career-oriented disciplines which afford areas of concentrations in which special competence may be obtained.

The Liberal Arts Division offers concentrations in Art, Fashion Illustration, General Studies, Pre-School Education, and Theatre Arts. These concentrations provide a broad spectrum of career opportunities within the framework of liberal education.

The Business Division offers a two-year curriculum which examines the basic aspects of business and prepares the student for careers in fields such as Accounting Administration, Business Administration, Fashion Merchandising, Hospitality Management, Secretarial Administration and Commercial Art. Students should, however, expect to serve an apprenticeship in the fields they enter if they aspire to higher positions.

BACHELOR DEGREE PROGRAMS

BACHELOR OF ARTS DEGREE IN LIBERAL ARTS STUDIES

The curricula leading to the Bachelor of Arts Degree in Liberal Arts Studies are based on four years of college work. A unique feature of the Liberal Arts Studies program is that it affords the student the opportunity to investigate the fields of business and economics in order to foster further academic or occupational interests. Through this exposure to business courses, students should be able to place their broad liberal arts education within the more specialized context of the business world. The Bachelor of Arts degree in Liberal Arts Studies is also designed to prepare the student for graduate study.

In addition to achieving competency in a field of concentration, the student is expected to integrate his liberal arts course offerings in an attempt to face and solve in a creative way problems of his day. A broad list of integrative course offerings is available for student selection for this purpose. Further development of individual interest fields is available through careful selection of free electives.

BACHELOR OF BUSINESS ADMINISTRATION DEGREE IN GENERAL BUSINESS

The purpose of the four year curricula leading to the Bachelor of Business Administration degree in General Business is to provide educational experiences that will help students develop their potentialities for leadership and service in business, and graduate professional schools in business administration, law, and related areas.

The curriculum provides students with a comprehensive background, rather than detailed training in limited phases of business. The program will be of special interest to those who plan to manage a small business or enter a large corporation with its own training program.

Degree programs and curricula patterns aim to train analytical, flexible, and creative professionals who are able to deal with current and future problems within the business world. Through its Liberal Arts core curriculum, the College will also provide the business student with a thorough education in the Humanities and Social and Natural Sciences.

THE SCHOOL OF ADMINISTRATION

BACHELOR OF SCIENCE DEGREE IN ADMINISTRATION

The Bachelor of Science degree in Administration is founded on a unique philosophy of undergraduate education based on three underlying facts. First, that there are major functions, activities and problems which are common to business-industrial, education and governmental (federal, state, county, city, town and village) organizations; second, that there are a common set of disciplines, practices, concepts and techniques which are part of a wide range of organizational or scholarly roles; third . . . and most important . . . that many administrators in the future will work in more than one of the three segments of our economy (business, education, government) during their careers.

The curriculum is designed to meet the need for a general professional and academic education that integrates the contributions of a variety of disciplines and perspectives toward handling the foregoing administrative problems, whatever the specific organization. The curriculum provides the
students with the basic general training for the Bachelor of Science in Administration degree to prepare them for future leadership positions in business and/or government and/or education. The program aims to prepare students to communicate effectively and move easily from one kind of organization to another; thereby providing every segment of our economy with versatile leaders and administrators.

ACADEMIC ADVISEMENT

Academic counseling for students at the College of Boca Raton begins with the first contact made with the prospective student. On the basis of high school grades, rank in class, scores on entrance examination board tests, and the information included in the application for admission, the student is advised as to the most suitable career oriented program. For students accepted for admission, the College provides both English and Mathematics placement examinations. The ratio of faculty and staff members is such that much individual attention is available to each student throughout his academic career at the College.

At the beginning of the academic year, each student is assigned a faculty advisor. The advisor assists students in class scheduling, improving study habits, and career planning. All students are required to meet with their academic advisor at least twice during each semester.

The counseling and guidance center works closely with students who have career, educational, and personal concerns. All other faculty, staff, and administrative officers are also available to assist students in any appropriate way possible.

CLASSIFICATION OF STUDENTS

Students are classified as matriculated or non-matriculated students:

1. MATRICULATED STUDENTS

A full or part-time student who has demonstrated competence for collegiate study, has met all admission requirements and has declared his intentions to obtain a degree. In some cases, students may be undecided concerning their degree area. In order for both the student and faculty advisor to properly plan appropriate course distribution for each degree area, students are required to declare their degree area upon completion of no more than thirty credits for the Associate of Arts degree and forty-five credits for the Baccalaureate Degree.

2. NON-MATRICULATED STUDENTS

A full or part-time student who has not declared his intention or is not eligible to obtain a degree. Students seeking to matriculate into a degree program must declare their intentions with the Office of the Recorder upon completion of fifteen credits. Failure to do so may result in the loss of all credits taken beyond the fifteen-credit limit.
ACADEMIC CLASSIFICATION

Matriculated students are classified as Freshmen, Sophomores, Juniors, and Seniors. Academic classification is determined by the number of credit hours completed as given below:

<table>
<thead>
<tr>
<th>Classification</th>

<tr>
<td>Freshmen</td>

<tr>

<td>61 - 90</td>
</tr>
<tr>
<td>Seniors</td>
<td>91 - 120</td>
</tr>
</tbody>
</table>

Non-matriculated students described on Page 31, a student with demonstrated ability to do college work, not following a degree program.

PART-TIME STUDENTS

A student registered for no more than nine credit hours.

TRANSFER STUDENTS

A transfer student is also classified according to the above scale. Classification is determined by the number of transfer credits accepted by the College of Boca Raton.

ADMISSION TO CLASSES

Registered students are permitted to enter classes only after getting financial clearance in the Business Office and completion of registration with the Recorder.

AUDIT

A student who wishes to audit a course must receive permission from his faculty advisor and the instructor of the course, and, if in excess of a fifteen-credit hour load, permission of the Academic Dean. Although a student who officially audits a course is not required to take examinations, he is expected to attend class regularly and to participate in a manner which is agreeable to the instructor. An AU will be recorded on the permanent record for courses officially audited. A full-time student will only be charged a registration fee for auditing a course. Students not otherwise enrolled will be charged the regular tuition fee.

CANCELLATION OF COURSES

The College reserves the right to cancel any course for which an insufficient number of students have enrolled or for other reasons deemed necessary for course cancellation. No charge is made to a student for a registration change necessitated by such course cancellation.
CHANGE OF REGISTRATION

Changes in registration are permitted only with the consent of the instructor involved and the student's faculty advisor. Course additions or section changes must be made by the end of the first week of the semester. To drop or add or change a course section, the student must obtain the appropriate change form from the Office of the Recorder. The form must be signed by both the instructor and the faculty advisor. The completed form, accompanied by the necessary payments, must be presented to the Business Office. No classes may be dropped after the end of the eighth week of the semester. To change to a load of less than twelve semester hours requires the approval of the Academic Dean.

ATTENDANCE REGULATIONS

Regular and punctual attendance is essential to successful academic achievements. Each student is responsible for all work from the first day of class and must make satisfactory arrangements with the instructor regarding any absences. Faculty members will maintain a complete and accurate record on the attendance of each student and report to the student, Academic Dean, faculty advisor, and the guidance counselor whenever irregular attendance is endangering the student's scholastic status in the class. If the irregularity persists, the student is subject to receiving a grade of "XF" (failure due to excessive absences) which is included in computing the grade point average.

PERMISSION TO STUDY AT OTHER INSTITUTIONS

Students who desire to attend another collegiate institution and apply credit to a degree program at the College of Boca Raton must receive prior permission from the Academic Dean.

COURSE LOAD

The normal course load for full-time students is 12-15 semester hours. Students wishing to take additional courses must obtain permission from the Academic Dean. If permission is granted, the student will be billed for the additional courses at the prevailing tuition rate per credit hour.

INDEPENDENT STUDY AND DIRECTED STUDY

Independent study involves scholastic or research endeavors apart from regular courses offered at the College of Boca Raton. The student should pursue his study with direction from his supervising professor.

Directed study (regular catalog courses taken by special arrangement), and involves the student and instructor in virtually a one-to-one relationship; i.e., frequent conferences regarding the study needed in order to complete a regularly offered course.

Although the term "Independent Study" will be used, guidelines marked (*) also apply to Directed Study.

*1. A student may take no more than one independent study per term. A division may waive this maximum, with the approval of the Academic Dean.
2. The schedule for approval of an Independent Study is as follows:
   *A. Student has proposal for Independent Study.
   *B. Student contacts Division Chairperson who, with the Academic Dean, approves or rejects the proposal, recommends potential supervisor, who may either accept or decline the invitation to supervise the study.
   *C. Supervisor approves written proposal for the Independent or Directed Study.
   D. Student completes registration in the usual manner.
   E. At the beginning of each term, the Recorder posts a list of all approved Independent and Directed Study students and their supervisors.

3. The student should report periodically to his study supervisor in person, by phone, or by letter.

4. The time limit for the completion of an Independent Study is one term. If more time is necessary, the student must make a formal application to his supervisor and the Recorder for an extension that is not to exceed one term.

5. Independent Studies may be proposed for one or more credit hours, although they generally will be valued at three credit hours.

GRADING SYSTEM

Faculty members have the responsibility to provide the College with an individual evaluation of the work of each student in their classes. Final course grades are entered on the student’s permanent college record at the close of each semester or session. The grading system of the College of Boca Raton is as follows:

- A – Excellent
- B – Good
- C – Average
- D – Passing (lowest passing grade)
- F – Failure
- XF – Failure Due to Excessive Absences

OTHER SYMBOLS IN USE (not included in computation of averages):
- WP – officially withdrawn from the course with a passing grade (withdrawal notice received by the Recorder).
- WF – officially withdrawn from the course with a failing grade.
- AU – Audit
- R – Repeated
- I – Incomplete

A student who withdraws from a course during the first two weeks of the semester will not receive a grade, and the course will not appear on the permanent college record.

A student who withdraws from a course between the third and eighth week of the semester will receive either a WP or WF.

A student who is passing a course, but who has not completed the course requirements by the end of the semester will receive an “I”. The grade of “I” reflects neither passing nor failing work, and will not be included in the calculation of the grade point average. The student is responsible for completing the course requirements during the first two weeks of the following semester. Failure to complete the course requirements within this time frame will result in the student receiving an “F” for the course.
COMPUTATION OF GRADE POINT AVERAGE

For numerical computation of grade point averages, the following values are designated:

\[ A = 4.0; \quad B = 3.0; \quad C = 2.0; \quad D = 1.0; \quad F = 0; \quad XF = 0. \]

The grade point average (GPA) is computed by dividing the sum of all grade points earned by the total number of semester credits in all courses for which grades of A, B, C, D, F, and XF have been received.

SCHOLASTIC INDEX

A cumulative record of the quality point standing of each student will be maintained. Students who fail to achieve acceptable minimums will be placed on academic probation for one semester, and their enrollment may be terminated at the end of the following semester if satisfactory progress is not made.

To remain in good standing, a student must obtain the following cumulative scholastic levels:

<table>
<thead>
<tr>
<th>Student Classification</th>
<th>Cumulative Scholastic Levels</th>
</tr>
</thead>
<tbody>
<tr>
<td>Freshmen, 0-15 Semester Hours</td>
<td>1.80</td>
</tr>
<tr>
<td>Freshmen, 16-30 Semester Hours</td>
<td>1.80</td>
</tr>
<tr>
<td>Sophomores, 31-45 Semester Hours</td>
<td>2.00</td>
</tr>
<tr>
<td>Sophomores, 46-60 Semester Hours</td>
<td>2.00</td>
</tr>
<tr>
<td>Juniors and Seniors, 61 Semester Hours and Above</td>
<td>2.00</td>
</tr>
</tbody>
</table>

A freshman failing to attain 1.80 at the end of the first term will be warned by the Academic Dean and notification of this action will be sent to his faculty advisor and parent or guardian. Students failing to earn the standing designated above will be placed on academic probation and removed from the list of degree candidates until the appropriate cumulative standing is attained. No student may be considered as a candidate for a degree who does not have a 2.00 cumulative standing.

A student on probation will be limited to a maximum load of twelve semester hours and will not be permitted to hold office or participate in extracurricular activities. After two consecutive semesters on probation, the student is subject to academic dismissal.

A student who is dismissed from the College for academic reasons may be re-admitted on probation by presenting a written petition to the Academic Dean.

The College of Boca Raton accepts credits from other institutions provided they are for courses which are equivalent to College of Boca Raton courses or can be used to satisfy general elective requirements.

The grade of "D" is accepted if the student has a cumulative grade point average of 2.0 or better.

REPEAT COURSES

Where a course has been repeated due to failure, both the original and subsequent grades are reported on the official College transcript, but only the passing grade is included in the calculation of the grade point average.
Required courses must be repeated if failed by the student. Courses may be repeated no more than twice following initial failure.

If a student repeats a course with a “D” grade, and fails the course, the “D” grade will be included in the cumulative grade point average. The “F” grade will appear on the transcript but will not be included in the cumulative grade point average.

THE DEAN’S LIST

Recognition for superior academic achievements at the College of Boca Raton is given both by the Administration and the Faculty.

The name of each eligible student who has completed twelve credits with no incompletes, failures, or withdrawals, and who has achieved a grade point average of 3.25 or higher for a semester, is placed on a list prepared for the Academic Dean. This list is publicized within the College and is distributed to news agencies in the local and regional area. Dean’s List students receive a certificate of recognition at Honor’s Convocation.

Students who achieve academic distinction are also eligible for the Delta RHO or the Phi Theta Kappa honor societies.

GRADUATION WITH HONORS

Students who have a scholastic index of 3.25 or higher may be recommended for graduation with honors. The scholastic index for graduation with honors is computed on the basis of courses taken at the College of Boca Raton.

The honors categories are as follows:

<table>
<thead>
<tr>
<th>Honors Category</th>
<th>Scholastic Index</th>
</tr>
</thead>
<tbody>
<tr>
<td>Summa Cum Laude</td>
<td>3.75 - 4.00</td>
</tr>
<tr>
<td>Magna Cum Laude</td>
<td>3.50 - 3.74</td>
</tr>
<tr>
<td>Cum Laude</td>
<td>3.25 - 3.49</td>
</tr>
</tbody>
</table>

HONORS AND AWARDS

Honors and awards are presented to students in the College as listed below: (Highest cumulative index award presented to those students in respective Divisions with the highest cumulative average):

The Trustee’s Medal: awarded at graduation to the student who has exhibited outstanding scholarship, leadership, loyalty, and service to the College.

The Humanitarian Award: given at graduation to the student who has exhibited outstanding loyalty to the College community.

The President’s Award: given in special cases to students exhibiting extraordinary service and commitment to the College.

RESIDENCE AND DEGREE REQUIREMENTS

In addition to specific courses and scholastic average requirements, each candidate for the Associate of Arts degree must spend the last year (two semesters or the equivalent) earning not less than twenty-four semester hours in residence at the College of Boca Raton campus uninterrupted by any work in another institution.
Candidates for a Bachelor's degree must enter the College no later than the beginning of the seventh and complete no less than thirty semester hours in residence at the College of Boca Raton campus, interrupted only by approved summer course work at another institution.

In addition to specific courses and scholastic average requirements, each candidate for the Bachelor of Arts degree in Liberal Arts Study must earn a 2.0 in the Liberal Arts concentration and integrated course requirements.

Candidates for the Bachelor of Business Administration degree in General Business must earn a 2.0 in General Business Study courses.

Candidates for degrees must attend commencement exercises or be excused by the Dean of Administration and Student Services.

TRANSCRIPTS

Each student who has paid all his college fees is entitled, upon request, to receive, without charge, one transcript of his record. For each additional transcript, the fee is $2.00. Cash or checks made payable to the College of Boca Raton must accompany transcript request.

WITHDRAWAL FROM THE COLLEGE

Students who withdraw from the College are required to obtain proper clearance. Clearance forms are available in the office of the Recorder. These forms must be signed by the following offices:

1. Academic Dean
2. Director of Student Services
3. Faculty Advisor
4. Guidance Counselor
