Celebrating the achievements of published faculty at Lynn University!
Ode to an iBook Author

Please, they said, will you author an iBook.
Reluctantly this task I undertook.
So I gathered my notes
And all my good quotes.
All free time I absolutely forsook.

I wrote and I rewrote for this iBook.
Clever prose student’s interests will hook.
I thought I was hip
But oh what a trip,
Jordan’s editing became a donnybrook.

Now how can my iBook be cool?
So my student will think that I rule!
Found videos on YouTube
With raps by IceCube.
What a fun way of “reading” in school.

At long, long last my iBook is completed
It was a struggle but I wasn’t defeated.
Now at this shindig,
The praise is so big;
Do not let me become too conceited!
