Welcome to our fourth season in this serene setting. The Snyder Sanctuary has become a haven in a sea of uncertainty for the students, faculty, staff and the community over the past few years. It offers us a quiet space to reflect upon the hectic lives we lead and also to express the joy this world has to offer. Before our program gets underway, we ask that you please take a moment to silence your mobile phones. To respect this peaceful atmosphere, we ask that you refrain from digital photography, texting or taking video.

Please also note that professional photography and recording of video on the premises is allowed only with advanced, written approval.

Thank you.
