MOSTLY MUSIC: HAYDN
Sunday, Feb. 7

Mostly Music is a unique concert series whose purpose is to better acquaint audiences not only with the music, but also with the lives and artistic development of the Western world's greatest composers. Between musical compositions, actors read excerpts of personal letters written by the featured composers around the same period as the music to be performed. These composers were geniuses but they too lived with all the joys, frailties and frustrations common to humanity. These concerts feature Lynn Conservatory’s faculty members, chamber orchestra and students in addition to guest artists. Mostly Music is conceived and hosted by Marshall Turkin and staged by Jan McArt. Franz Joseph Haydn (1732-1809) lived in an era when musicians were considered servants like other hired help in the household, but he lived on to play an integral role in the creation and development of the great Classical style, inspiring Mozart and teaching Beethoven.
