

By Lynn University on June 12, 2020 8:04 AM

**We plan to honor our Class of 2020 graduates at an in-person commencement ceremony in May 2021.** By waiting until the spring semester, we feel confident that we will be best positioned to interpret CDC and local officials' guidelines. We aim to ensure our celebrations are safe for all graduates, families and members of our Lynn University community.

We will continue to provide updates, including a date, time and location, as details are finalized.

Thank you for your continued understanding as we work through this unprecedented time.
