Students with housing contracts for 2020–21 may log in to eRezLife by July 20 at 4 p.m. EDT to let the Housing and Residence Life team know their housing plans for the fall semester. Students have two options: **submit an updated Housing Application** or **submit a Request to be Released From Housing Application**.

Students who opt-out of Fall 2020 housing may re-apply for Spring 2021 housing beginning Oct. 1, though availability is not guaranteed. View the FAQs titled "Housing—Applications/Cancellations due July 20" or contact the housing team for more information.
