Lynn University is now scheduling in-person campus tours. Its signature Campus Visit Experience, which includes a walking tour, resumes Aug. 31.

Tours are available Monday through Friday at 10 a.m., 11:30 a.m., 1 p.m. and 2:30 p.m. To reduce density and protect the wellbeing of our campus community, registration is limited to one student and up to two guests.

Prior to their visit, visitors will be asked to perform a [self-check](#) for COVID-19 symptoms. Campus Safety will also conduct a brief screening at our entrance.

While experiences may look and feel a little different this year, the university remains committed to delivering the personalized visit that makes Lynn special. Visitors can expect several updates to campus visits:

- Facial coverings are required throughout visitors' time on campus.
- The Schmidt Center's lobby is divided into private lounge spaces to support social distancing.
- Due to changes in dining operations, lunch is not available.
- Prospective students meet virtually with faculty members and the Institute for Achievement and Learning, if desired.
- Admitted students and families can meet with financial aid counselors.
