

By Lynn University on Nov. 2, 2020

Due to unique circumstances brought on by the coronavirus, all on-campus events with off-campus guests remain canceled through the Spring 2021 semester.

This includes the complete 2020–21 season for Live at Lynn, Conservatory of Music and the student drama program.

If health and safety conditions permit, student concerts, recitals, drama performances and the annual Celebration of the Arts may take place with a new format and limited student and employee audiences.

In addition, traditions including the annual Alumni Weekend will look different this year. We will share more details at lynn.edu/events closer to these scheduled activities.

Commencement for 2020 and 2021 graduates will take place May 15, 2021. We will post additional information at lynn.edu/commencement as it becomes available.
