## No spectators allowed at SSC competitions

Sunshine State Conference member institutions have determined that no spectators will be allowed at any competitions, practices or scrimmages. Lynn University will honor the SSC guidelines of no spectators at the start of spring competitions, and the policy will be revisited at a later time.

Starting March 3, all home competitions for lacrosse, baseball and softball will be livestreamed. Details will be posted at [lynnfightingknights.com](http://lynnfightingknights.com) on scheduled game days.
