COVID-19 testing updates for the summer

Lynn University today announced that it will continue COVID-19 testing this summer for students enrolled in summer courses on campus and employees whose jobs require them to be on campus. Beginning May 17, the Health Center will administer the Binax Test to these individuals.

Visit lynn.edu/rapidtesting to schedule an appointment between 9 a.m. and 3 p.m. Monday through Friday. Appointments are required and take approximately 20 minutes.
