In Memory - Fred Whaley

Dr. Fred Whaley was president of the Music Guild during the years 1981-1982, and served on the Board of Directors each year thereafter until shortly before his recent death. In addition to making many important recommendations and actively contributing to Music Guild business, Fred will be long remembered for his wonderful stories that gave a much-needed light touch to serious matters.

Today’s String Program, featuring instrumentalists of the Harid Conservatory School of Music, is a fitting tribute since Fred’s true love throughout his long and productive life was composing for and playing the violin.
