A Group For Those Who Choose To Drink
Drinking safely is important in order to avoid consequences:
* Alcohol Poisoning
* Killing/injuring yourself, passengers or pedestrians
* Losing your license
* Tickets, fines and jail time
* Risking your academic record/graduation
* Have trouble in your personal relationships
* Many more consequences

This is a group where students who choose to drink can learn to do so safely.

If you would like to share information or participate in a group, please contact Gail DeCina, Substance Abuse Prevention and Treatment Specialist.

Stop in to the counseling center, call 561-237-7468 or email gdecina@lynn.edu. All inquiries will be held in confidence.

Academic Adventure Day
Ship Ahoy! An FYE Educational Celebration
By: Brittany Bladovas

FYE classes got into the spirit of the upcoming Academic Adventure cruise to Cozumel, the Grand Cayman, and Ochos Rios of Jamaica with a program in the cafeteria where Caribbean and Mexican-style foods were served up.

Freshmen participated in games while Ninos de America supplied live music.

Faculty member Adam Simpson, head of student activities aboard the ship, said the activities were "like a pep-rally to get everyone excited about the trip."

Students and FYE teachers also participated in a poster design contest that related to the places they would be visiting on the trip. Jay Breda won the student award and the faculty awards went to Amy Greene and Stephanie Powers.

The Academic Adventure cruise is a signature event of the university and is entering its fourth year.

Dean David Jaffe of the College of International Communication explained the purpose of the trip. "In a world which is increasingly global, future leaders will have to have a full understanding of the various cultures that are part of the world.

"Lynn University's Academic Adventure offers these future leaders a head start in experiencing first hand both cultural differences and similarities among peoples."

As the embarkation date nears (Jan. 7-14), student anticipation is setting in. Freshman Danielle Link said, "I'm excited about the whole experience, especially Jamaica."

Past trip takers offered up some of their thoughts. "It was relaxing, but at the same time you're learning. It was great, I absolutely loved it," said Ashley Evans, a sophomore who went on last year's trip.

And Jason Tourn, who went on the first Academic Adventure, said "I loved it. The cultures were completely different. It truly was a great trip."

According the university, students will use the ocean, beaches, waterfalls, and jungles of different ports as their classroom.

By participating in the seven-day voyage, students get academic credit for their studies.

A high-powered offense and stifling defense has helped the Lynn men's soccer team reach the NCAA Division II semifinals for the fourth time in program history.

The Knights will play No. 1 Fort Lewis on Friday at 6:00 pm at Midwestern State in Wichita Falls, Tex.

This will be the first meeting between Lynn and Fort Lewis. The Skyhawks enter the contest with a 15 game winning streak. FLC boasts an imposing combination of defense and offense, leading the nation in goals against average (0.43) and finishing second in the nation in goals per game (3.62).

"Fort Lewis is a very experienced team with a coach that has championship experience," said head coach Shaun Pendleton.

"They come from a difficult region and you have to give them respect," especially after defeating a very talented Cal-State Dominguez Hills team. We have a tough draw against them and the winner of this game will have a very good chance of winning the National Championship."

The Knights have gone on an offensive and defensive tear lately. LU leads the tournament with 15 goals. The Knights lead the nation in goals per game (4.22).

Lee Paul Scroggins has 19 goals and 42 points, while Carl Wallace and Lee Porter and not far behind with 11 and 10 goals.

The defensive unit of Nano Short, Leon Jackson, Courtney Rimmer, David Benn and Porter has been outstanding, allowing less than a goal per game (0.87), ranking them 20th in the nation.

Scroggins needs only one more goal to set a new record for goals in a NCAA Tournament while midfielder Chris Knof needs only one assist to set a new record for assists in a NCAA Tournament.

The winner of this match will face the winner of the Southern Illinois-Edwardsville/Franklin Pierce match in the NCAA Division II Championships game. It will air on Sunday at 1:00 pm on CSTV, channel 175 on Adelphia Digital Basic Cable, channel 610 on Direct TV, and channel 152 on the Dish Network.

Lynn women's basketball team dropped its second consecutive game last Saturday, falling to 17th ranked Central Arkansas 74-60 in the Best Western/PDQ Classic.

Jackie Codiga scored a game and season-high 22 points while Jade Williams registered her first career double-double. The Knights head home with a 3-2 overall record.

UCA jumped out to an early 8-0 lead behind Caronica Randell and Renita Dobkins but the Fighting Knights quickly regained its composure with a 10-3 run of its own. LU took its first lead of the night with nine minutes remaining in the first half on a Makina Wayne lay-up.

The Sugar Bears took back the lead two minutes later on a 10-4 run and never looked back. The Knights cut the lead to three points with 1:14 left in the first half but could not get any closer.

The Knights were not able to convert on back-to-back buckets without stopping the Sugar Bears for the final 4:26 of the game.

Jade Williams finished with 13 points and a career-high 11 rebounds. Randell and Dobbins led UCA with 21 and 15 points while Victoria Richards led her team with 10 boards.

New Baseball Player
Shanks Added To Roster
By Chad Beattie

Lynn's baseball team inked catcher Ryan Shanks in the early signing period announced head coach Rudy Garbala last Monday.

Shanks becomes the first signee of the 2007 recruiting class for the Knights. LU opens its season Feb. 3 against Nova Southeastern.

"Ryan is going to provide leadership in the clubhouse, add some offensive punch and improve the defensive capabilities behind home plate," said Garbala.

"He's a proven junior college player with a tremendous amount of experience; we are very excited to have him join our ball club next season."

Shanks batted .405 with 36 runs, six home runs and 34 RBI in his first season at Kirkwood Community College, helping lead the Eagles to a 41-17 record.

A 2002 Cardinal Gibbons High School graduate, Shanks was a four-time All-County and two-time All-State baseball player with the Kirkwood Redskins.

Player of the Week
Hayes Receives SSC Honor
By Sara Quatrocky

Senior Marcus Hayes did not waste any time before he started collecting season honors. Last week Michael Marcil of the SSC league announced that Hayes is the Sunshine State Conference Men's Basketball Player of the Week.

The 6'5" guard/forward helped the Knights win their first three games last week, as well as leading the offensive efforts with a team-high 18.3 points per game in victories over Palm Beach Atlantic, Puerto Rico-Cayey and North Carolina Central.

"This is a great honor, but individual accolades are not what make this team win," Hayes said.

"As a team we started off the season on a positive note, but we all know that we have a long way to go and in the near future we have some very tough games to prepare for."

In back-to-back games against PR-Cayey and NC Central, Hayes dished out a career-high 7 assists in both wins, totaling 19 for the week.

The Florida native is also shooting 57.5 percent from the field, while averaging 5.7 boards per outing.

Knocking down a team and season-high 23 points against NC Central, Hayes was the leading scorer for the Knights in all three contests.

Lynn Graduate Gets Signed
James Taylor Heads to Australia for Basketball
By Sara Quatrocky

Lynn graduate James Taylor signed a professional basketball contract yesterday with the West Sydney Razorbacks in Australia.

The four-year men's basketball letterwinner for the Knights arrived in Australia earlier this week to train and was signed after impressing the Razorbacks coaches.

"At training he certainly has been showing that he can help the team with his quickness and athleticism and can also shoot the ball well from the perimeter," Razorback head coach Mark Watkins said.

"He will play point for us and will help us with our running game and there's no doubt he is going to make everyone around him better because he is a very good passer and penetrator."

Taylor played for the Knights from 2001-2005 and in his senior campaign, he guided Lynn to their second appearance in the NCAA Division II Elite Eight Tournament.

In the 2004-2005 season, the Knights also captured their first-ever Sunshine State Conference regular season and tournament titles.

Women Push Past PBA
Women's Basketball Team Wins 72-55
By Sara Quatrocky

Seniors Megan Osmer and Jackie Codiga each put together double-double performances for the Lynn women's basketball team last Wednesday as the Knights (4-2) pushed past Palm Beach Atlantic by the score of 72-55 in non-conference action.

Osmer led all scorers with 22 points, grabbing a game-high 13 rebounds as Codiga knocked down 16 points and brought down 11 boards.

"We put together a strong defensive effort in the second half which led to a lot of transition baskets. Our post players played with a lot of strength down low, helping us put some easy points on the board," head coach Pam DeCosta said.

Joining the two post players in double-digits, freshman Jade Williams led the back court with 16 points and dished out four assists. Defensively, Williams also led the Knights with four steals.

The Knights found themselves down 16-9 in the opening 10 minutes of the game before going on a 10-3 run to knot the score up. Codiga took the Knights to their largest lead of the half at 28-22, before Lynn took a 33-30 advantage at the half.

Junior Allegra Armstrong dropped in back-to-back buckets to give the Knights a 43-41 lead with just over 17 minutes remaining in the second period.

Forcing 13 second-half turnovers, Lynn continued to apply the pressure down stretch, picking up 11 steals. The Knights connected on 15-of-22 free throws in the second period.

"We all stepped up our game in the second half which led to more scoring opportunities for everyone. I think our guards did a great job of distributing the ball and finding the open player in the post all night long," Osmer said.

Eagles Fly Over Knights
Men's Basketball Team Loses 72-67 to FGCU
By Sara Quatrocky

Senior Sheldon Edwards ended the game with eight points, shooting a perfect 2-for-2 from the field and a flawless 4-for-4 from the charity stripe. Chris Temple led the Knights on the boards with a team-high six rebounds. Dishing out a game-high five assists, sophomore Evan Cohn added five points.

The Eagles bench outscored Lynn 31-11 as their leading scorer Casey Wohlleb came off the bench to knock down 17 points, while Thomas Owens added 10 points.

The Knights have the week off before beginning Sunshine State Conference action on Dec. 10. Lynn will host league rival Barry at 7:30 pm.

"The loss should stick with us all week and remain to burn so that it is fresh in our minds when we take the court against Barry next Saturday," McMillin added.

Senior Marcus Hayes led all scorers with 20 points, his third 20-plus performance of the season on 6-of-16 shooting from the field. Junior Andrew Smith finished with a season-high 19 points, including three buckets from the 3-point arch.

"We stopped playing defense in the second half after we got out to a big lead. We all were just not aggressive enough on the boards on both sides of the court," Smith said.

Last Day To Withdraw From Fall Classes and Receive a “W”

Student Profile

Greg Lynn: Film Student
By David Hunter

Greg Lynn is a senior at Lynn University who hails from Apts, California.

Lynn wants to pursue a career in the film industry when he graduates.

After graduating, Lynn is planning on moving back to California in order to break into the film business.

Lynn is a Communications major, and his specialization is in film studies.

Question of the Day
What are you looking forward to this holiday break?

“I’m excited to see my family and friends and eat a nice Italian dinner.”
-Ginny Coach, Freshman

“I’m excited about going home for the holidays and seeing a show.”
-Mike Arnold, Junior

“I’m looking forward to Christmas cookies and ginger bread.”
-Anees Al-Dibari

“I’m excited to see my friends and family over the break.”
-Alison Cobb, Junior

“I love the holiday food, decorations and lights. People always seem to be in a much better, cheerful mood.”
-Julie Forester, Senior

The book drive will be held through finals week, and books can be dropped off in the education office, library, and residence halls.

Holiday Gala

A.KOR Event

KOR will be hosting a Holiday Gala this Friday, Dec. 9 at The Premiere at Muvico from 8:00 pm - midnight.

Syriana is a political thriller that shows the inner workings and schematics behind the global oil industry.

This is truly sophisticated screen writing in which many storylines mesh together in a truly exciting and thrilling plot.

The movie takes viewers "behind the scenes" everywhere from the oil fields to the Persian Gulf to the corrupt deals in Washington, D.C.

Syriana stars George Clooney, who plays a CIA operative that is beginning to uncover the disturbing truth about the work he has devoted his life to.

Matt Damon plays a man who has just faced a harsh family tragedy, and is finds redemption in his partnership with an idealistic Gulf prince (Alexander Siddig).

Every role in the movie unfolds into a greater plot, and each part of the movie shows the explosive impact these individuals have on the entire world, without them even knowing about their own impact.

This movie is serious and compelling to the point that once viewers are drawn in, they almost forget they are watching a movie.

Athlete Close Up:
Billy Haskell, Team Player
By Brett Glattman

Billy Haskell is an outfielder on the Lynn University baseball team.

Haskell is excited about the upcoming baseball season and thinks that they’re going to have a great season.

“I think with the guys that we have brought in and the guys that we already have I think that we have a great chance to compete for a National Championship this year.”

Haskell is constantly trying to better himself on the field. He plays to the best of his ability and helps out in any way possible.

He is truly a team player who cares about all of his teammates.

Haskell enjoys the company of all of his teammates, and two of his best friends are Nick Brown and Mike Romeo.

Haskell is a Red Sox fan. When asked how he believes the Red Sox compare to the New York Yankees, he said “the Sox are a great team which I love but I have to be truthful and say that they will never compare to the Yankees.”

Haskell is eager to get on the field in the Spring, and fans look forward to seeing Haskell and the rest of the team head for, hopefully, a championship year.

In this week’s edition of the iPulse, we have Athlete Close Up: Billy Haskell, Team Player, and a story about Lynn junior Andrew Smith, who is ready to guide the No. 17 Lynn men’s basketball team into the Sunshine State Conference season as the Knights host rival Barry University this weekend.

Andrew Smith

Lynn junior Andrew Smith is ready to guide the No. 17 Lynn men’s basketball team into the Sunshine State Conference season as the Knights host rival Barry University this weekend.

Smith, a transfer from Mercyhurst Northeast has quickly been a key factor in the Knights backcourt, averaging 12.3 points per game.

The Knights and Buccaneers with square off at 7:30 p.m. on Saturday in the first conference game for both teams at the DeVorele Center.

“I know that we’ve been down a bit the last couple weeks with some tough losses, but we all realize that here at the beginning of the conference season we can turn this thing around,” Smith said.

“We have been focusing all week on just getting better at practice and working harder as a team at the things we all do best.”

Smith quickly moved himself in the starting lineup after his 16-point performance to lead all scorers in the Knights opener against Palm Beach Atlantic.

Coming off the bench in the year’s first game, he also was a perfect 6-of-6 from the charity stripe.

Getting the job done on both ends of the court, Smith has been the defensive leader for the Knights, taking away 17 steals this season.

Smith places second in the SSC in steals per game (2.2) and as a team, the Knights are tops in the conference in steals, averaging 11.83 steals per contest. In Lynn’s previous game against FGCU he knocked down a career high 19 points.

“I’ve been given the opportunity to step in and contribute so I want to keep taking advantage of that,” Smith said.

“I know that I am new to the program but I realize how important it is to get off to a good start in the conference, because the SSC is one of the best in the nation.

Hopefully we’ll start to play with the aggressiveness and determination I know that we are capable of.”

The league rivalry between Lynn and the Bucs began in 1994. Lynn is 4-4 all-time in SSC openers and has played the Bucs four times in those games with a 2-2 record.

Senior Sheldon Edwards has been producing the bulk of points for the Knights, averaging 13.2 per outing.

Head coach Scott McMillin has juggled the starting lineup up four different times in the first six games, as Hayes and Edwards have been the only two to remain in the lineup for the entire season.

“T’ve never played against Barry to feel the rivalry, but I know [...] that this is the one game where we all need to be ready to give 110 percent,” Smith said. “We are all excited about the upcoming challenge with Barry and the entire conference schedule.”

Letter From The Editor
An End To The Semester
By Jena Zakany

Another semester comes to an end here at Lynn, and though we cannot see the leaves change or the snow fall, winter has definitely arrived.

This semester was full of changes and surprises, both good and bad. We had wonderful new editions to the school with a renovated Trinity Hall and a trendy new café where we can grab that much needed cup of coffee in the morning.

We all breathed a sigh of relief when Hurricane Katrina came and went, only to be shocked at the devastation it caused to New Orleans.

Wilma came, and the students went. Many, including myself, could not believe the damage that the hurricane caused to our area.

However, students, faculty, and the university as a whole worked together to bring the school back to its usual, vibrant self.

This semester was challenging and exciting for me as I was able to take on the role of editor for the iPulse. Every day was a unique experience, and I have truly enjoyed bringing you the daily news on campus.

I plan to continue as editor of the iPulse next semester, and invite you to give your input on the paper by emailing ipulse@lynnuniversity.net.

I look forward to bringing you a fresh, new iPulse next semester.

Holiday Extravaganza
Excalibur Society Fundraiser
By Dyvia Sutherland & Nicole Walsh

On Wednesday Lynn’s Excalibur Society held its 13th annual Holiday Extravaganza at the Boca West Country Club. The society was founded in 1992, and its mission is to provide scholarships to students who are unable to afford college tuition.

The Holiday Extravaganza was held as a fundraiser for the society and included an elegant lunch, fashion show, and raffle.

Eighteen designers, including French designer ETOILE, sold luxury apparel and accessories for the cause, and those who attended celebrated the society’s 13 years of success.

The Excalibur Society has raised over $500,000 since its founding 13 years ago.

Players Named NSCAA All-Region
Scroggins, Benn, Jackson Receive Award
By Chad Beattie

For the fourth time in program history, three members of the Lynn men’s soccer team were named to the NSCAA First Team All-South Region, announced Wednesday.

The Blue and White led all schools with three First Team selections as Lee Paul Scroggins and Leon Jackson became first time selections while David Benn returns after a Second Team selection in 2004.

“Both all three contributed to the overall success of Lynn University this season,” said head coach Shaun Pendleton. “They are well deserving in their honors. It’s good that they are widely recognized by their region.”

Scroggins had one of the greatest offensive seasons in Knights history, recording 20 goals, 5 assists and 45 points, all career-highs.

“This is a great privilege to be recognized by everyone,” said Scroggins. “I’m happy everything came together for me this year. I have to credit my teammates for doing a great job of creating opportunities for me.”

Jackson returned to the pitch after suffering a season-ending knee injury the previous year. He was the game-winning goal scorer in the 2003 National Championship game.

“I’m so thankful for this great honor because it has been a pleasure to at least play after suffering through a serious knee injury,” Jackson said. “Hard work, determination and great teammates to support me have gotten me to this point.”

The last selection was named Second Team All-South Region in 2004. One of the “Big Three” defenders on the Knights, Benn leaves LU with 16 career goals, six assists and 38 points while playing in 72 matches and starting 63.

“I’ve had a great four years at Lynn University and [...] I’m very excited to earn this honor in my final season,” said Benn. “The whole team played well this year.”

Lynn fell 6-4 to Fort Lewis in the NCAA Division II Semifinals, the team’s fourth semifinals appearance since it joined the NCAA in 1996.
