The Legacy of Frederick Douglas
Father Of The Civil Rights Movement
By Tadadezu Tebape

As the conclusion of Black History Month has come, the iPulse will give its final special look into the life of an African American hero who shaped the history of the United States.

Frederick Douglas has been called the Father of the Civil Rights Movement.

He was one of the foremost leaders of the abolitionist movement as he fought to end slavery and fought for women’s rights. He was an orator, an author, a journalist, a publisher and a social reformer.

As a free man, Douglas devoted his life to trying to end slavery. Douglas stated, “I am not only an American Slave, but a man as such, and am bound to use my powers for the whole human brotherhood.”

Douglas spoke at meetings and conferences for anti-slavery; and wrote and published three autobiographies. In 1846, he published a weekly newspaper called the “Frederick Douglas Paper” and later owned and edited the weekly “New National Era” paper in Washington D.C.

Douglas served as an advisor and personal friend of President Abraham Lincoln. Lincoln referred to Douglas as “the most meritorious man of the nineteenth century.”

The achievements of Frederick Douglas are vast: his life was a testament of the bravery and diligence that continues to serve as an inspiration to those who struggle in the cause of liberty and justice.

There is a mandatory internship orientation session today.

Internship orientation sessions are mandatory for all students taking internships in the summer or fall semesters of 2006.

The internship orientation sessions will take place:
- Wednesday, March 1 at noon
- Wednesday, April 5 at noon

Both sessions will take place in the de Hoernle Lecture Hall in the Green Center.

Students are only required to attend one session.

At the session, students will learn everything they need to know for a successful internship.

Students who are taking internships need to mark these two dates on their calendars.

The women’s golf team dropped two sports to finish eighth out of 14 teams at the Lady Moc Classic despite shooting their round in the three-day tournament.

Elizabeth Whitehouse and Elise Brandt both finished in the top-20 in the Knights first tournament of the spring season.

Brandt saved her best round for last, firing a 76 to move into a tie for 19th individually.

Whitehouse also shot a final round 76, to finish with a three-day total of 229 and tie for 11th.

Ashley Nelson and Ali Beuckman both shot an 81 while Megan Mangone shot an 82, respectively.

The Knights improved five strokes from the previous two days to shoot 315 as a team. Overall Lynn (955) still finished 52-strokes behind the Classic winner, Rollins College.

Lynn returns to action Sunday in the Peggy Kirk Bell Classic at Rollins College.

Team Results:
8 Lynn (320-320-315/955)

Individual Results:
12, Elizabeth Whitehouse
T 19, Elise Brandt
T 41, Ashley Nelson
T 51, Alexander Beuckman
T 53, Megan Mangone

The women’s softball team hopes to snap their losing streak and grab two more wins against Saint Thomas to put them back on track.

The Knights add the double-header against Saint Thomas late in the season, to get more playing time on the diamond in, before the conference season gets under way.

The Blue and White faced Saint Thomas earlier in the season sweeping the Bobcats 6-1, 6-1 at Bobcat Stadium.

The Knights offensive presence could be felt in the series with the Bobcats.

Rachel Foster, pitcher and outfielder for the Knights in game one went 2-for-3 with six RBI and scored two runs.

While in game two shortstop Ashley Byrd went 3-for-3 from the plate, hitting a double and a homerun, while grabbing four RBI and scored two runs.

The Knights will look for these two players to continue their offensive and defensive contributions to the team.

The Knights begin their conference action Friday and Saturday at home as they take on Florida Southern, game times are set to begin at 1:00 pm.

Girls & Sports
A Comic By Justin Borus and Andrew Feinstein

** It’s Official! I’m Done with Girls! **

** Why Do You Say That? **

** In the Last Week, I’ve Taken Three Girls Out AND Not A Single One Has Called Me Since **

** But You Couldn’t Stand Those Girls And You Even Told Me You Don’t Want To End The Dates Ever! **

** Why Should They? **

** Because, I’m Only Proving Dating Etiquette. **

The men’s baseball team came back from a three-run deficit to rally for a 9-5 victory against Mercyhurst College on Monday.

The Knights three batters went a combined 5-for-14 with four runs scored and six RBI and Roceo Bergin pitched three innings for his first career win.

Lynn’s bats woke up in the third inning already down 3-0. Brandon Mann drove Ricky Gema in with an opposite field single to start the one-out rally.

Nicholas Boisvert followed with a double to right field, and freshman Jason Eyck cleared the bases with a triple to the left center gap.

He trotted to home plate to give the men a 4-3 lead after Jimmy Bacon singled to right field.

LU closed the door on any comeback with two runs in the bottom of the sixth. George Brandner, and Mann helped expand the Knights lead to 7-3.

Boisvert walked with the bases loaded to give LU a 3-run lead.

Tommy Tickenoff drove in the final run of the afternoon with a sacrifice fly to right field, allowing Bobby Scott to score.

The Knights return to action today at 11:00 am at home to play Concordia.

By Britt Davis

“Monkey Business”

To have 17 tracks on a CD these days is almost unheard of, but the Black Eyed Peas have done just that with their new CD “Monkey Business.”

“Monkey Business” is a new LP full of captivating hooks, amusing and entertaining lyrics, and driven hip-hop hits.

Though many think this is the Black Eyed Peas’ second full-length album, it is actually their fourth. This fourth album shows just how much this multi-platinum, Grammy award-winning groups has grown over the years.

“Monkey Business” exhilarates the coolness and vivacity from earlier CD release “Elephunk,” and generates a vibe that can be felt on any dance floor.

The CD opens with “Pump It,” a track that is set with progressive singing, super-imposing beats, and commands to “pump it louder.”

The track “They Don’t Want Music” shows an exciting collaboration with the Peas and James Brown.

Will.I.Am shows off his rhytmic skills on the track “Like That,” ad ex-boy band star Justin Timberlake gives a smooth beat on the track “My Style.”

The most unexpected track, and current biggest hit, of the album is “My Humps,” which features Fergie and Will.I.Am joking and teasing each other.

With clever rhymes and fresh lyrics, this CD is one that can be enjoyed by all hip-hop fans.

With clever rhymes and fresh lyrics, this CD is one that can be enjoyed by all hip-hop fans.

Jade’s Rating: ★★★★★ (4.5/5)

For those who love sharks, the movie Jaws, or just love practical jokes, this new gadget is sure to please.

Lying around the pool all day can be tiresome and boring, but now that problem is solved with the new OhGizmo radio-controlled robotic shark.

The model shark is two feet long and is built to move through the water with realistic back-and-forth motions like a real shark.

This shark is so realistic that it knows no bounds of surface, and can dive and rise by use of the remote control.

The controller has a range of 40 feet, which is perfect for use at any public or private pool. It can even be used from a balcony to really freak out those neighbors and friends.

The only downside to this model is that the battery only lasts for about 15 minutes, but this can be easily remedied by purchasing extra batteries ahead of time to extend the fun.

The frequencies of the model sharks can be changed so that multiple models can be in the water at one time.

The OhGizmo shark is available in red, black, and dark blue from Hammacher Schlemmer for about $100. Visit HammacherSchlemmer.com for more details or to purchase this model.

Mystique shoes have been a popular hit with the girls of Lynn for the past year.

These shoes come in a variety of colors and sizes, and range in price from $70 to the $100s. This shoe is always a cute and classy look that completes any outfit.

The long tank top is a look that is very “in” right now. It’s a nice piece because it can be dressed up or down.

The price of this kind of shirt varies drastically according to designer. This look is best when worn with jeans.

Knights In The Community
A Service-Based Student Organization
By Crystal Burdine

Knights in the Community (KIC) is a recently established club at Lynn. KIC is a community service-based club that helps those who are in need in the community.

There are 17 members in this student organization, and the president of KIC is David Berry. The students in this organization participate in many different community outreach events, including Habitat for Humanity.

Eight In Classic
Ladies Place At Lady Moc
By Chad Beattie

The Lynn women’s golf team dropped two spots to finish eighth out of 14 teams at the Lady Moc Classic despite shooting their round in the three-day tournament.

Elisabeth Whitehouse and Elise Brandt both finished in the top-20 in the Knights’ first tournament of the 2006 spring season.

Brandt saved her best round for last, firing a 76 to move into a tie for 19th individually.

Whitehouse also shot a final round 76, to finish with a three-day total of 229 and tie for 11th.

The Fighting Knights improved five strokes from the previous two days to shoot 315 as a team.

The women’s softball team splits with Saint Thomas in doubleheader action, with the scores of 1-8 and 1-0.

Rachel Foster shows her leadership in game two, in her 7.0 innings Foster struck-out 10 Bobcat batters.

Foster pitched a perfect game through five innings, etching her second shut-out of the season proving why she is the Knights number one pitcher.

Megan Osborne continues to be the most consistent batter for the women. With their obvious offensive struggles, the freshmen second baseman was credited the solo RBI for the Knights.

Kristen Kelly started off the fifth inning with a single to centerfield, then Stephanie Kelly reached base on a fielder’s choice, and was brought home off Osborne’s single.

The Knights return to action Sunday, March 5 in the Peggy Kirk Bell Classic at Rollins College.

Knights Honored
SSC Postseason Awards
By Sara Quatrack

The men’s basketball team led the SSC with three postseason awards today as the All-Conference teams were announced by Commissioner Michael J. Marcell.

Senior Sheldon Edwards was named First Team All-Conference, senior James Cage was named Second Team All-Conference, and senior Marcus Hayes was named Honorable Mention All-Conference.

"It is such an honor to be named recognized by the conference and I’m also happy for both James and Marcus as well," said Edwards, who led the SSC in rebounds with 10.0 per game.

A preseason All-American selection, Cage put together memorable offensive performances all season long, and is ninth in the league in scoring.

Hayes, a three-year letterwinner for the Knights is wrapping up an outstanding career as he is honored for the first time by the conference.

Starting all 26 games he has played in this season, Hayes has led the Knights offensively all season long with a team-high 14.5 points per game.

Gotta Have
Great Gadgets

By Brett Samuels

For those who love to set the mood but hate to deal with messy candles that constantly burn out, this gadget is sure to uplift any mood.

The Lounge Light is the newest technology in nightclub, restaurant, and home lighting, and it is sure to wow anyone in sight.

With a real candle that is hollowed out and an LED light embedded in the bottom, the Lounge Light is a new lighting technology that is very pleasing on the eyes.

The traditional candle can be lit, or users can choose to let the Lounge Light cycle through the different colors in a dramatic flowing motion.

This light comes with a state-of-the-art Lounge Light Engine, a 4.5v patented 100+ hour battery, and a color-changing and programmable LED.

If the battery runs out, users can simply order another from the web site.

Any color of the Lounge Light spectrum can be selected at any time, or the colors can slowly rotate throughout the night.

The Lounge Light can be purchased at www.loungelightusa.com for around $25.

Student Profile

Bernard Londoni

By Tuduesto Tebapc

Bernard Londoni is a freshman at Lynn who resides from the Democratic Republic of Congo. Londoni is studying International Relations at Lynn.

"I have a big dream for my country and for my continent. By studying International Relations, I hope to equip myself with the skills that will help to solve the problems that have made it difficult for my continent to prosper," said Londoni of his chosen major.

What inspires Londoni most is an education, because he believes that an education is the key to success.

In his free time, Londoni enjoys reading and traveling. His favorite colors are blue and white.

Londoni's plans for Spring Break are to stay here in South Florida, enjoy the sunshine, and keep up on his studies.

Londoni's goals for 2006 are to maintain a high GPA and to attend several educational conferences.

Londoni's favorite quote is by Nelson Mandela, who said, "There is no easy walk to freedom anywhere."

An Apple Anecdote
Student Sam Rivers' Experience With Steve Jobs
By Jenna Zakary

With popular products at large companies, problems inevitably arise. Solutions to those problems, however, are not always so inevitable.

Such was the experience of Lynn student Sam Rivers, who simply wanted his out-of-date-box scratched iPod replaced.

When Rivers received his iPod in the mail, it was damaged, and in trying to replace it for a new one, as the warranty states is covered, he ran into many problems.

Several phone calls and many operators and customer service representatives later, there was still no solution for Rivers.

Questions or Comments?
E-mail the iPulse at
ipulse@lynnuniversity.net

Your letter could be featured in the iPulse!

Apple representatives told Rivers that he would have to get a new iPod at a discounted price. Then, in a later phone call they told Rivers he would be getting a refund, and would be getting no new iPod.

A few more confusing phone calls later, and with no iPod in sight (old or new), Rivers decided to take matters into his own hands and go directly to the top: to Steve Jobs.

Rivers sent an e-mail to Jobs explaining his distress and disappointment about the situation, and within three hours Jobs replied, writing:

“Hello Sam, first we would like to apologize for our mistake, and offer you this special as our expression of sincere apology. Sincerely, Steve Jobs”

The matter was resolved immediately, and Rivers now has a new iPod with no charge.

It just goes to show that an e-mail to the head of Apple today keeps the problems away!

Baseball Scores Split
Win & Loss To Concordia
By Chad Beattie

Jimmy Bacon went a combined 5-for-8 with five RBI and Andrew Majors struck out eight batters in six innings pitched in game two as the men's baseball team split 9-12, 10-2, with Concordia College.

Harrison Lam, Felix Martinez, Bacon, George Brandner, Ricky Gerena, Jason Ten Eyck all recorded multi-hit games.

Lynn used a seven run second inning, sending 10 guys to the plate, to put game two away early. Brandner, who went 3-for-3 with two RBI, scored the initial run on a wild pitch after doubling down the right field line to start the inning.

Ten Eyck drove in two of his three runs, scoring Adri An Acvedo and first baseman Chad Crowe.Bacon drove in two more with another single to right field.

Eight combined runs were scored in the first inning.

The men jumped back with an offensive display. Boisvett and Harrison Lam hit back-to-back singles before Bacon hit the first of two triples on the day.

Bacon drives home the first run.

Lynn plays Dowling College today at 10:00 am.

Tennis Take Down
Northwood Defeated 62
By Jessica Wright

The men's tennis team recorded its sixth win of the season over Northwood University (Mich.), 6-2.

The Knights took control from the start of the match as they won two of the three doubles and proceeded to take all but one singles matches.

In doubles, the Knights grabbed hold of the overall match early with two victories. The Blue and White's No. 3 team of freshman Julien Canuzzo and junior Dennis Riegraf picked up an 8-4 win.

The No. 1 Knight doubles team of senior Jan Macko and freshman Lorenzo Cava followed the same path picking up an 8-6 win.

In singles Riegraf and Arzvedo took on early wins while Cave, Canuzzo, and Macko pitched in later with the final three wins for the Knights.

Athletes Awarded
Ladies Receive SSC Honors
By Chad Beattie

Women's basketball players Jackie Codiga and Jade Williams were honored by the Sunshine State Conference Wednesday with the All-Conference announcements.

Codiga was named to the All-SSC Second Team while Jade Williams was an All-Freshman selection.

Players are gearing up for the SSC Tournament and their first round match-up, the University of Tampa.

Codiga becomes only the second player in LU history to earn All-SSC honors in back-to-back seasons. Earlier in the year she became the fifth player in program history to record 1,000 points and 500 rebounds.

Codiga was also named to the ESPN The Magazine Academic All-District First Team.

Williams immediately made an impact for the Blue and White and was rewarded with a unanimous selection to the All-Freshman team.

She finished in the top-15 in steals, assists, assist/turnover ratio, free-throw percentage and scoring. Her 74 steals are the fifth most for a single season in program history.

It's amazing what a window can do! On the top floor of the deHoernle International Center, the large skylight serves a larger purpose than merely lighting the center.

This window tells the time of day by the shadows its cross-bars cast on the inside of the molding. Can you tell what time this picture was taken?

Question of the Day
What did you do during Spring Break?

"I had fun. I went to Daytona for Bike Week."
-Rachel Weise, Junior

"I had the opportunity to go to New York City."
-Gabrielle Kann, Senior

"I went to St. John Island in the Virgin Islands with friends."
-Brenden Kelly, Junior

"I didn't go anywhere. I had to stay here and work."
-Merissa Bernstein, Junior

"I didn't do much except get caught up on sleep."
-Candice Struck, Senior

"I went to Paris, France."
-Jade Berez, Junior

Gotta Have
Great Gadgets
By Brett Samuels

For any dog owner that has ever gone through the horrible ordeal of losing their pup, there is finally a gadget to prevent that from happening.

This month, PetsMobility will be releasing a new gadget called PetsCell. PetsCell is a cell phone for dogs.

This “phone” attaches around the dog’s collar, and is full of great features to help keep the dog safe and accounted for.

The most obvious, and seemingly useless, feature of PetsCell is its automatic answering two-way speakerphone that allows dog owners to chat with their animals.

While this gadget may seem like a gimmick, there are definite advantages in the collar phone. The collar features a “Call Owner” button in case someone finds the lost dog and needs to contact the owner.

Possibly the most efficient feature of PetsCell is the assistant GPS tracking, which allows owners to track the pet if it runs away from home.

Other features of the phone include an option called GeoFence which alerts the owner if the dog leaves a specified area, built-in temperature sensors to monitor the dog’s health, and the ability to support a camera so that the owner can see whatever the dog can see.

PetsCell will be available this month for around $400, and will be sold at most premium pet stores.

Alpha Eta Rho: Aviation Fraternity
An iPulse Student Organization Profile
By Yutakuss Tohipe

Lynn opened its chapter of Alpha Eta Rho in 2001, and its current president is Patrick Godfrey.

Godfrey hopes to achieve several goals for Alpha Eta Rho in this semester, including an awareness on campus about the fraternity, increased membership and an expanded role in the school community.

Lynn’s chapter of Alpha Eta Rho is open for membership, and the president asks that anyone, male or female, “feel free to contact Alpha Eta Rho for more information.”

Students interested in the fraternity should keep an eye out for future articles and announcements about the fraternity in the iPulse.

Students can also e-mail Alpha Eta Rho President Godfrey at bikeva@gmail.com for more information.*

Alpha Eta Rho is a fraternity that was founded to bring together students who share an interest in the field of aviation.

This fraternity was founded in 1929 by Professor Earl W. Hill at the University of Southern California. It has since grown to over 70 chapters all over the United States.

The fraternity serves as a contact between the aviation industry and educational institutions, and to exists to actively connect interested students of aviation with leaders and executives in the industry.

It’s amazing what a window can do! On the top floor of the de Hoernle International Center, the large skylight serves a larger purpose than merely lighting the center.

This window tells the time of day by the shadows its cross-bars cast on the inside of the molding. Can you tell what time this picture was taken?*
On March 15 and 16 from 11:00 am to 7:00 pm, Senior Salute will be held in the Green Center.

All graduating seniors are required to participate on either Wednesday or Thursday. Approximate processing time is 30 minutes to one hour, depending on individual situations.

During this time seniors will:
- Pick up caps and gowns
- Vote for Outstanding Professor of the Year
- Participate in the Senior Class Gift of 2006
- Complete an exit survey and receive critical skills to get the edge in competing for interviews, jobs, and business connections at this professional etiquette program sponsored by the Hanifian Center and funded by the Lynn University Parents and Families Association.

**When:**
Wednesday, March 22
Time: 6:00pm
Where: AG Concert Hall

Learn how to polish your image, enhance your marketability, color coordinate your clothes, understand business dress. Prepare for the Career Expo by knowing how to dress to impress recruiters.

Special Guest Speaker: Jacqueline Whitmore, founder of The Protocol School of Palm Beach, Inc. and author of Business Class: Etiquette Essentials for Success at Work.

To register, call the Career Center at 561-237-7286 or email jdrew@lynn.edu.

**Ladies Capture Victory Golf of Springlake Invite By Sara Quaintocky**

Three of Lynn's women's golfers finished in the top-20 of the Springlake Invitational today as the Knights capped their tournament victory of the spring season.

Elise Brandt led the way for the Knights with a fifth place finish.

Liz Whitehouse and Katy McNicol ended in a tie for 9th.

Lynn hits the links on March 26.

Lynn improvements to 15-6 overall and 2-1 in the Sunshine State Conference.

**Basketball Blues Team Falls To Barry By Sara Quaintocky**

The men's basketball fell short to Barry in the SSC Tournament Semifinals today by the score of 57-49.

Andrew Smith led the Knights with 17 points as James Cage, put together a 15-point performance in the loss.

Marcus Hayes had six points as Sheldon Edwards added four points in their final game with Lynn.

Also playing in his last game, Chris Temple contributed with three boards.

This was the men's final game of the season.

Campus Trends
Facebook Focus Nation
By Kaitlyn Hughes

Facebook is a website that is the current college craze across the nation.

Facebook is a site that allows college students around the globe to "reunite" with their friends from high school or other pasts, and allows a new venue of communication for their current college buddies.

Facebook comes onto the scene after the widely-publicized MySpace, and so far Facebook has managed to steer away from the bad press that MySpace has received.

By allowing only college students with school e-mail addresses to join, Facebook attempts to stray away from both the children and offenders that lurk in the shadows of MySpace.

Facebook has recently given high school students the opportunity to join the website, leaving room for the same problems that MySpace is now facing. Will Facebook keep its squeaky-clean record, or will it be joining MySpace in the headlines? Only time will tell.*

For years, most women have only dreamed of wearing the fabulous designs shown off on the red carpet. Now those dreams have become a reality thanks to Allen Schwartz, the designer of ABS Style.

The three favorites chosen by Schwartz this year are Keira Knightley's Versace halter dress worn by Jessica Alba, a maroon Vera Wang dress worn by Keira Knightley, and a simply elegant Balenciaga dress worn by Nicole Kidman.

The Look For Less
Runway Style For A Reasonable Price
By Crystal Burdine

There is no greater time in celebrity fashion than at a red carpet event. And the red carpet event that surpasses all others is without question the Academy Awards.

This year the 78th Annual Academy Awards featured a fashion frenzy with designer dresses gracing celebrities as far as the eye could see.

The notable dresses of the night were a Versace halter dress worn by Jessica Alba, a maroon Vera Wang dress worn by Keira Knightley, and a simply elegant Balenciaga dress worn by Nicole Kidman.

For all of the world-traveling students at Lynn, this technologically advanced gadget might be just what is needed.

After talking about it for almost a year, the United States government is finally putting into production a Radio Frequency Identification (RFID) technology for U.S. passports.

The RFID is a technology that allows items to be tracked and passports to be scanned in areas fitted with readers. This allows RFID passport holders the ability to speed through Customs at a much faster pace.

Some special features of the new passports include new artwork inside featuring U.S. landmarks such as Mt. Rushmore, and U.S. historical moments such as the lunar landing.

These readers are very specific in what they look for, and while they are being used in other fields as well, the RFID in passports would only be used at Customs checkpoints.

Many luxury goods manufacturers and retailers are now fitting RFID tags to expensive handbags so that they can be tracked if stolen. However, if an RFID passport holding citizen went into Neiman Marcus, they would not be tracked since it's a non-related RFID.

Currently, the RFID technology is only being put into diplomatic passports, but will be used nationwide beginning in October. For more information, check out travel.state.gov.

There is one flaw with these passports, and that is the possibility that hackers may be able to crack the US's encrypted codes. Here's hoping that the RFID passport is a success. Happy travels!*

SSC Honors Bennett
Named Pitcher of the Week
By Chad Beattie

A stellar pitching performance against the defending NCAA Division II National Champions parlayed itself into a SSC Pitcher of the Week for Lynn’s Cedric Bennett.

The senior right-hander tossed his fourth complete game and helped the Fighting Knights to a series victory over Florida Southern.

“I’m very excited to have received this honor,” said Bennett.

“Pitching like I pitched on Saturday just proves to me that I can play with some of the best teams in the country.”

Bennett allowed one run on seven hits in nine innings while walking two and striking out six.

His six strikeouts are a career-high for a single appearance.

He gave up six hits over the final eight innings and at one point retired 15 consecutive batters.

SSC Honors Brandt
Named Golfer of the Week
By Chad Beattie

A career day on the links for E slain Brandt not only helped the women’s golf team to its third tournament victory of the season but also earned herself Co-Sunshine State Conference Women’s Golfer of the Week honors as well.

Brandt tied for fifth place as the Fighting Knights beat out 13 Division I and five Division II programs at the Eighth Annual NIU Springlake Invitational.

“Winning Golfer of the Week and helping my team to a tournament victory has been a great reward for me,” said Brandt.

“Our team and I had some troubles in the spring but we never gave up, we kept on practicing and little by little have improved.”

Brandt opened the Springlake Invitational by tying her personal best round of 74.

She turned around to fire a career-low one-under par 71 in the second round and finished with her best score over a 36-hole tournament, 145.

Strong Play, Big Win
Baseball Blown By Bloombiefld
By Chad Beattie

Big innings are now standard for the baseball team as this time the Knights used an eight-run fifth to defeat Bloombiefld College by the score of 14-0.

Eight Lynn players drove in runs while Andrew Majors won his third consecutive start.

“We still had another great day on the mound and that really set the tone for us,” said head coach Rudy Garbalosa. Lynn, ranked 19th in the nation, has won nine of their last ten to improve to 16-6 overall.

A Week of Victories
Hoyt McGarity On A Roll
By Chad Beattie

First he helped the Lynn University men’s golf team finish first at the Buccaneer Invitational, then he took medalist honors at the same tournament and now Hoyt McGarity has been named the Sunshine State Conference Men’s Golfer of the Week.

McGarity won his second tournament of the season and has finished in the top-10 in five of the six tournaments he has participated in.

“I’ve had a great season already and this makes it even better,” said McGarity.

“We had great play all-round in a tournament where we finally played to our potential. I know our guys aren’t satisfied with this one tournament win, so I can’t lose sight of our ultimate goal, which is winning a national championship.”

McGarity shot rounds of 71-69-72 for a 213 total. He was tied for fifth on the first day and helped Lynn maintain its overall lead and eventually win by 14 strokes over no. 1 ranked West Florida.

On the season the senior golfer leads the Knights with a 72 scoring average.

Super Mario Bros 3
By Ian Nahuma

With a mix of old memories and new graphics, Ninendo's "Super Mario Bros. 3" for Gameboy Advance may be one of the best handheld games ever created.

Nintendo created colorful graphics and straightforward controls combined with the unforgettable Mario Bros. music to make this game nearly flawless.

This game is similar to the other Mario games, with the basic premise that Mario must rescue the kidnapped Princess Peach from the evil Bowser.

By grabbing different suits that allow him to have different powers, Mario is able to unlock secrets and items to battle for his princess.

Super Mario Bros. 3 encompasses all of the great aspects from the most classic games of this generation, and is a great buy.

Ian's Rating: ***** (5/5)*

**Movie Review**

Failure to Launch
By Elysia Sutherland

Sarah Jessica Parker says goodbye to Mr. Big in the new romantic comedy "Failure to Launch" and meets a new hottie played by Matthew McConaughey.

This is a light movie about a thirty-something man who still lives with his parents.

In order to get Trip (McConaughey) to move out the parents hire the beautiful Paula (Parker), to lure him out. But is the connection between Paula and Trip fake or real?

"Failure to Launch" is a lightweight, easy to follow movie. It's entertaining for the audience, and is a great movie to see on a date or during a girls’ night out!

Ely'sa's Rating: *** (3/5)*

Need An Internship? A Job? A Career?

The career expo will be held from 10:00 am to 2:00 pm in the gymnasium on March 29.

Students planning to come to this event should have their resume ready and dress for success to meet with recruiters from a large variety of profit and non-profit employers.

"Prepare for Career Expo," "Resume Writing," "Interview Skills" workshops will be offered by the Career Center during the month of March. Visit www.lynn.edu/careers for workshop dates.

Take advantage of this golden opportunity!

Baseball Team Beats Molloy
Men Edge Molloy In A Close 3-2 Win

By Chad Beatte

Two late inning errors nearly doomed the men's baseball team but the 19th-ranked Knights were able to hang on for a 3-2 win against Molloy College.

Steve Somers went 1-for-2 with 2 RBI and Craig Sheets recorded his fifth save of the year. Lynn is now 17-6 overall.

The Molloy starting pitcher retired the first 10 batters until George Brandner and Felix Martinez hit back-to-back singles with one-out in the fourth inning.

The inning almost ended when Nicholas Bleau lined out to the shortstop and nearly caused Brandner leaning too far but Lions second baseman John Towes was pulled off second base for the double-play.

Steve Somers made Molloy pay for the mistake by lining a two-out, two run double down the left field line.

LU appeared poised for another big inning in the fifth. Felix Martinez swiped his 15th consecutive base after a walk.

Bleau singled down the right field line and advanced to second as Martinez got caught in a rundown after over-running third base, which eventually saw him tagged out.

The Knights caught a break just a couple of pitches later as Bleau advanced to third on a wild pitch, but he was easily caught when Christopher Irwin's throw sailed over the third baseman's head.

The final run would prove pivotal for Lynn. Patrick Walsh reached on a throwing error by Molloy to start the eighth inning and scored on Towers single to right field.

A batter later Brandner committed his first error in 205 chances trying to throw out Irwin at first base.

Tommy Tickemoff, backing up first on the throw, picked up the loose ball and gunned down Towers at home plate on a heads up play by Brandner.

Chris Snow started the game, making his first appearance since February 4. The sophomore pitcher got into trouble with the bases loaded in the first.

Sheets allowed one hit in the ninth to hold on for his fifth save in five chances.

Lynn returns to action Friday, March 17 at 2:30 pm against Florida Tech.

The World Is Flat...Again
Scholar In Residence Nat. J. Colletta Speaks
By Jena Zakany

International expert on conflict, peace building, and development, Nat. J. Colletta has been the Scholar in Residence of the College of Education this week, and on Monday night he gave a lecture, "Globalization, Education, and the Knowledge Economy: Threats and Opportunities," in the AG Concert Hall after being introduced by Pamela Lennon, Dean of the College of Education.

Colletta spoke about a new world for both education and the economy. He stated that everything is becoming interconnected, and that needs to be recognized. "It's a whole world out there," Colletta commented.

Colletta referenced Thomas Friedman's "The World is Flat" to make the point that the world is becoming a global village, and that there is a new responsibility emerging with young adults to understand the concept of globalization.

China and India are leading the education reform process, according to Colletta. Because of this, Colletta stated that, "If an American university doesn't have a campus in China or India, they're not at the top of their game. They're not in the game."

He stated that America needs to find its place in the world, both in the "global university" and with its economy.

Colletta fears that if America doesn't find out what its position is going to be, it will end up being the Hollywood and Disneyland of the world, providing entertainment to those countries that invested in global education and understanding.

Dively Lecture
Gen. McCaffrey To Speak

Gen. Barry R. McCaffrey (Ret.) will speak at 12:00 pm on Tuesday in the Green Center.

Gen. McCaffrey is a security and terrorism analyst for NBC News, and will be the final speaker in this year's Dively Frontiers in Globalization Luncheon Lecture series.

Tickets are $60 and include lunch. Reservations are required. Call 561-237-7798 or e-mail specialevents@lynn.edu.

Movie Preview: Ian's Pick
"V For Vendetta" Starring Natalie Portman
By Ian Naharna

Set against the fictional futuristic landscape of totalitarian Britain, "V for Vendetta" tells the story of Evey (Natalie Portman) who is rescued by a masked vigilante (Hugo Weaving) known only as "V."

Charismatic V ignites a revolution, urging his fellow citizens to rise up against the tyranny and oppression.

Evey sets out to uncover the truth about V, and along the way discovers the truth about herself.

The rebels set out to bring freedom and justice back to a society fraught with cruelty and corruption.

"V for Vendetta" hits local theaters today.

Spring Breaker
Sun Or Slopes?
By Mara Shanes

Rob Donaldson is a student at Lynn who is majoring in Business Administration. Donaldson shared with the iPulse his Spring Break story.

While most students migrate south for the week of Spring Break, Donaldson decided to take a different route. While most of the student body was laying out by the pool tanning on the recent break, Donaldson was skiing in Vail and Beaver Creek, Colorado.

Donaldson took off on his journey with his cousin, and immediately experienced something that the students in Florida weren't even dreaming of: a snowstorm. The mountainside location of Vail received approximately ten inches of snow during Donaldson's visit.

After the storm things brightened up for Donaldson, and the snow on the ground made for great skiing throughout the rest of the vacation.

Donaldson stated that he enjoyed skiing on the back bowls in Vail, which consisted of challenging open runs and cliffs. Donaldson also practiced skiing on the half pipes.

While Donaldson was in Colorado he participated in a mogul race on the mountain and won first place. He said that he was very excited about his new achievement and can't wait to go skiing again next season.

Gotta Have
Great Gadgets
By Brett Samuels

For those that love to soak up the sun, but just don't have the time, this gadget is just what the tanner ordered.

Those that love to tan know the difficulties that come with it: fake-looking spray tans, limits on tanning at salons, bad weather on potential beach days, and the time it takes just to get out of the house.

Well now the difficulties have lessened, thanks to the NovaSolar Face Tanner.

The NovaSolar Face Tanner is an at-home facial tanning lamp. The unit has four 15W lamps and features a 30-minute timer to ensure that face doesn't get fried.

Eye protection is included, and is highly recommended. This eight-pound tanner can burn if not used properly, so be sure to read the instructions.

The face tanner is simple to use: just plug in the unit, strap the goggles on, and call a friend or turn on the radio to pass the time. When finished, that face will have the desired brown glow.

The NovaSolar Face Tanner sells for $120, and can be purchased at healthysan.com.
Career Expo 2006
Attend The March 29 Event
Meet great employers looking to fill jobs an internships at Career Expo 2006.
The career expo will be held from 10:00 am - 2:00 pm in the gymnasium on March 29.
Students planning to come to this event should have their resume ready and dress for success to meet with recruiters from a large variety of profit and non-profit employers.

“Prepare for Career Expo,” "Resume Writing," and "Interview Skills" workshops will be offered by the Career Center during the month of March. Visit www.lynn.edu/careers for workshop dates.

Victorious Knights Women Defeat Northwood By Chad Beattie
In singles competition, Welz won 6-0, 6-1 at the number one singles spot and Norkute matched her with a 6-0, 6-1 victory at the first position.
Climbing to 3-1 in singles action this season, Katie Klibanoff-Dombrowski prevailed 6-1, 6-1 at the sixth spot.
Shelton picked up a singles point at the on the fifth singles court by way of a Northwood default, as Shunk and Bilic were in control of their singles matches before the match was called.

The Knights now prepare for their week ahead as the tennis team will host Division I University of Massachusetts along with Nova Southeastern and Drury who are both ranked in Division II’s Top-30.

“We played well in doubles but as always we did to continue to improve to get to where we would like to be,” head coach Mike Perez said.

Northwood Blanked
Men’s Tennis Shut Out By Sara Quatrocky

Dennis Riegraf and Julien Carsuzaa stayed unbeaten today as a doubles pair and in singles as the men’s tennis team blanked Northwood by the score of 5-0 in a non-conference match.
Riegraf has a team-high 11 singles victories as Carsuzaa notched his 10th win in his first season with the Blue and White.
Cava was two points away from closing out Hiscox at the top singles spot, ahead 6-4, 5-3 when the match was called after Riegraf’s victory.

“We are looking forward to playing Drury next week and I’m confident they we’ll all be ready for the challenge that lies ahead,” Riegraf said.

Question of the Day
What is the TV show that you cannot miss?

"I cannot miss an episode of Grey's Anatomy." - Eric Weiss, Junior

"I definitely cannot miss an episode of The O.C." - Kim Haberstroh, Sophomore

"I never miss a new episode of Comic View on BET." - Richie Rockwell, Senior

"I am hooked on The O.C. this season." - Ashton Duncan, Freshman

"I don't have a show that I can't miss. I watch whatever is on." - Lindsay Rizzo, Sophomore

"I can't miss an episode of Lost." - Brittany Givens-Copeland, Junior

Campus Trends: Fashion
Vintage Mod Is The New Modern
By Kaitlyn Hughes

Right now, the mod and vintage look all the rage this Spring season. So hit the streets for shopping, or hit the back of mom or grandma’s closet, and recycle the hot fashions of the late 60’s and 70’s. Rock out the massive hobos and grab some oversized big sunglasses to accomplish the sexy look of the season.

Bigger is always better. Small purses and tight tops are a thing of the past. Those who dare to bare should maintain a pretense of being unaware of the 2006 fashion flares.

If it’s big, golden, and has great texture, it’s chic. Trendsetters are wearing high-waist belts, polka dot flats with straight-legged jeans, unrestricting mod tanks, and killer blazers. Keep up with the trendsetters cause I enjoy working with the and some head turns, second students and challenging their looks, and whistles are sure to follow suit.

Faculty Profile
Dr. Erica Grodski
By Jenna Ulbrich

Dr. Erica Grodski is a Communications teacher at Lynn. Before teaching at Lynn, Dr. Grodski received her B.A. from Muskingum College and her Masters degree from Miami University. She obtained her Ph.D. from Europo-Universitas Viadrina. Dr. Grodski has been working at Lynn for the past five years in the Communications department.

She teaches both undergraduate and graduate courses. Her undergraduate courses are World Media, Advertising and Society, and Communication Theories.

Dr. Grodski’s favorite class to teach at Lynn is the graduate class Intercultural Communication Research. Dr. Grodski’s communication theories have been published in many publications, and she is also a published author.

The book is entitled “Using Lacunna Theory to Detect Cultural Differences in German and America Automotive Advertising,” and it can be found in most book stores.

Dr. Grodski enjoys working with everyone at Lynn. “The reason I love teaching is because I enjoy working with the students and challenging their minds to help them grow as individuals,” she said.

Faculty Advisor: Myke Ludwig.
Employment Tip Of The Month
Advice From Applied Card Systems
By Jeff Tokyman

COVER LETTERS
The purpose of a cover letter is to introduce you and your resume to a potential employer.

The cover letter highlights your background and allows you to punctuate your experience in relation to the advertised requirements of the position.

The first thing you should do is find out the contact's name and title for the company you are sending your resume to. This will ensure that your resume will be received by the correct person and will give you the ability to follow up in the future.

FIRST PARAGRAPH
State how you heard of the open position and why you are contacting them.
Briefly mention who you are and why you are interested in their opportunity.

SECOND PARAGRAPH
Based on your strengths, previous work history and education, tell the potential employer why you would be a strong candidate for the position. Briefly describe accomplishments if you are experienced.

THIRD PARAGRAPH
Tell the potential employer you will be looking forward to hearing from them. State that you look forward to discussing your qualifications and their employment opportunity in more detail.
Tell them how you can be reached. Take a bold step and inform them that you will be calling in four days to set up a time to meet.

Good luck!*

Spring Cleaning
Baseball Sweeps Ft. Tech
By Chad Beutle
An early lead was nearly squandered as the baseball team prevailed 8-4 against Florida Tech Friday afternoon.

Bobby Nunn pitched 5.2 scoreless ball in relief and George Brandauer picked up the offensive slack with a hom run and four RBI.

Later on in the weekend another ninth inning comeback helped the baseball team to a sweep over Florida Tech on Saturday afternoon.

The Knights won 6-5 in the bottom of the ninth in game one and 11-2 in game two.

Austin Johnson picked up his first career win and Nicol Boisvert and Ricky Gerena led an offensive attack that averaged over eight runs per game over the three game series.

Boisvert and Gerena combined to go 14-for-24 with eight runs, seven RBI and a stolen base in the three game series.

Brandon Mann extended his hitting streak to nine games.

Softball: SSC Victory
Eckerd Loses In Extra Innings
By Sara Chattrackey
The softball team notch ed its first SSC victory Friday defeating Eckerd College by the score of 2-1 in eight innings.

The Knights received a stellar pitching performance from sophomore Rachel Foster, as she fanned five batters allowing just one earned run.

Later in the weekend the softball team split with Eckerd College to give them another conference victory.

The Knights were a bit sluggish in game one getting defeated by the Eckerd College Tritons, 1-9 in 5.0 innings, the first time the Blue and White got Mercy-ruled all season.

The girls regrouped during the break and came back and Mercy ruled the Tritons 10-2 in 6.0 innings.

There was a different team on the field for the Blue and White in game two, more focused and ready to play.

Cristin Kelly began the game in the circle, she pitched 3.0 innings for the Blue and White, striking out three and walking four.

Kelly was relieved in the fourth inning by Foster who pitched the remaining 3.0 innings striking out five, giving up no walks or hits.

Lynn's slugger Rolla knocked her team-high, sixth homerun of the season over the left field wall.

Rolla went 2-for-4 from the plate, with two RBI and scored two runs, giving her a team-high batting average of .500. Rolla has tallied 22 hits on 44 at bats, including 14 RBI.*
Question of the Day
What are your plans for your summer vacation?

“I’m going back to my home in Egypt.”
-Omar Raafat, Freshman

“I’ll be staying in Boca working and hopefully going to Italy with my boyfriend.”
-Merissa Bernstein, Junior

“I’d like to find a job that relates to my major.”
-Derek Meyers, Sophomore

“I’m going to be traveling around Europe.”
-Heinry Parker, Freshman

“I will be working as a Camp Counselor in North Carolina.”
-Alexis Perel, Freshman

“I’m not sure, but I hope to travel and have fun.”
-David Crezone, Junior

NBC News Security Analyst Visits Lynn University
Gen. McCaffrey Speaks Candidly About Current Issues In The World
By Jena Zakany

Before speaking at the luncheon, Gen. McCaffrey spoke candidly with the faculty at breakfast in the Henke Room before entering a Q&A session with students.

Gen. McCaffrey spoke about several current issues, including the situations in Iraq and Iran. He also spoke about the current college generation, saying that it is the “best generation since WWII.” His comments about the Middle East and other current issues weren’t so kind.

While McCaffrey said he supported the decision to take down the regime in Iraq, he thinks that “the president’s rhetoric has been completely off-base since the start. It raises the kind of expectations. I don’t think the notion of victory has any meaning.”

McCaffrey believes that the US has suffered a loss of credibility due to its invasion of Iraq. He also stated that the current situation in Iraq is basically the US fighting an attempt by the Sunnis, whom he called “scoundrels,” to take over the government again.

He believes that “our execution in Iraq has been astonishingly flawed” and that “it’s probably we’ll pull off Iraq, but it’s unknowable right now.”

As for the situation in Iran, McCaffrey stated that “they’ve gone nuclear,” and believes that within a decade they will have nuclear weapons.

Gen. McCaffrey criticized the army on the situation with Patrick Tillman. He stated that “ground combat is mass confusion,” but that the army was “covering it up right there at platoon level.”

McCaffrey also had an opinion on Tom Delay, stating that he is a “consound of the first order who would fit right in in Nigeria.”

As far analyzing security and terrorism threats, Gen. McCaffrey said that our biggest challenge right now is Saudi Arabia and Pakistan.

Gen. McCaffrey spoke at lunch as a part of the Dively Series.

Tennis Team Gears Up
Women Prepare For Battle
By Sara Quatranyak

The No. 5 women’s tennis team pulled out a 7-2 victory over Division II University of Massachusetts Amherst behind a doubles sweep that gave the Knights an early lead.

With a tough match at No. 4 singles, senior Dragon Illic won her 33rd consecutive singles match with a 6-1, 4-6 (10-7) win.

“We didn’t play very well today but hopefully we’ll come out tomorrow at practice and focus on getting better for our two tough matches later in the week,” head coach Mike Perez said.

“They [Massachusetts] are a good team but we gave a lot of points away and didn’t execute the way we should have.”

In doubles action, Vici Welz and Ged vie Norkute blanked their opponent at the second position 8-4, moving to a perfect 7-0 record together this season.

Down 4-1 at the top spot, Illic and Leigh Shelton came from behind to win 8-6.

Battling at the third doubles position, Ali Boeker and Alex Schunk downed 9-8 (7-4) to finish off the sweep.

Singles competition started off with a quick 6-0, 6-0 victory at No. 6 singles by Boeker as she took care of her competitor as she staed undefeated with a 7-0 record this season.

Norkute notched the fifth team point of the afternoon with a 6-1, 6-2 win at the third position.

The Knights faltered at the top two singles spots as Welz lost 6-4, 1-6 (12-14) and Schunk was defeated for the first time this season at the second position by the score of 1-6, 5-7.

Shelton put together her eighth straight singles victory prevailing 7-5, 6-4 at the fifth position.

The Knights host Nova Southeastern on Wednesday. The match is scheduled to begin at 2 p.m. at the McCusker Sports Complex. *

Baseball Gets 4-3 Win
Shots Put Adelphi To Bed
By Chad Buntin & Bambbi Abbott

The Lynn baseball team had another successful win against Adelphi College from Long Island on Monday.

The Knights kept it close but ended the game 4 to 3. The first run was scored by Nick Bleau in the 5th inning.

"I thought we did really well today. It was a huge win for us because now we are 16th in the nation where before we were 19th, which is a huge accomplishment for our baseball program this year," said Genna after the game.

"I think we’re doing really well and hopefully we can keep it up." Andrew Majorana picked up his 4th win of the season throwing 6th and 1/3rd innings. The knights will play Friday the 25th at Eckerd College.

Lynn returns to action Friday, March 24 at 7:00 pm when it travels to St. Petersburg to take on Eckerd College.

Fans can follow the action live by logging on to www.lynn.edu/athletics and clicking on the "live audio" and "live stats" links. *

Fashion Files
Must-Have Accessories
By Britt Davis

Pretty in Pearls
Lynn girls are known for their preppy and classy look, and for accessories, it doesn’t get much classier than pearls.

Tiffany Pearl Bracelets, $295
Pearls are classic and elegant, and can be seen gracing the girls of Lynn around campus on a daily basis.

Bruberry Bag
Bruberry handbags are a great, versatile look, and are very common among the women at Lynn.

Bangle Bracelets
The hot trend of bangle bracelets began in Hollywood, and the trend is still going strong here in South Florida.

Ralph Lauren Bangles Set, $30
These bracelets can be dressed up or down, come in a variety of styles, and range in price from $5 to the thousands.

Accessories can complement and enhance any outfit, so be sure to keep up on accessory trends this Spring season.

Faculty Profile
Professor Nick Ravo
By Nicole Walsh

Nick Ravo is a professor here at Lynn who was born in Annapolis, Maryland in 1956. Ravo spent most of his childhood living in Richmond, Virginia.

Ravo obtained his B.S. degree in Radio, Television, and Film from Temple University and achieved his Masters degree in Journalism and Public Affairs from the American University in Washington, D.C.

Prior to becoming a part of Lynn’s faculty, Ravo worked as a reporter and journalist for various newspapers and publications throughout the United States. Some of his most notable works were achieved working for the New York Times and the Miami Herald.

Each panel member is a professor at Lynn and the back grounds of the professors extend to numerous fields, including Criminal Justice, English, and Education.

The discussion went on for just over an hour, and then Morgan allowed the audience to voice their opinions on the subject.

The “Read Together” campaign was used to attract people across the country to read selected novels and then participate in discussions and events to share their thoughts on the novels.

For more information on the “Read Together” program, visit http://readtogether.palmbeachpost.com.

Student Profile
Flaura’s Sea Adventure
By Maya Shanas

Kristen Filauro is a junior at Lynn who is majoring in Fashion Management, and who recently had a very interesting Spring Break.

Filauro traveled to Key West with some of her closest friends over the Spring Break to enjoy a weekend filled with sun, water sports, and relaxation.

Filauro is an experienced surfer who was hoping to catch some waves in the Keys. To her dismay, the waves were very disappointing during her trip.

However, Filauro still managed to enjoy herself on this vacation, and said that her favorite part of the trip was the “breath-taking turquoise ocean and powder-like sand beaches.”

Filauro and her companions took scuba diving lessons in the hotel pool, managed to pass the rigorous testing, and then put their skills to work in the ocean.

They were able to explore the interesting reefs and sea life.

This trip was Filauro’s first time scuba diving, and she highly recommends it to anyone who enjoys the ocean.

“The ocean life was absolutely gorgeous,” Filauro stated. She enjoyed seeing the array of creatures that inhabit the waters.

This was a Spring Break that Filauro won’t soon forget.

Cover art: Digital image of a woman walking in the sand on the beach. The image is colorful and vibrant, with a mix of blues, greens, and oranges. The woman is wearing a white dress and is holding a seashell.

Gotta Have Great Gadgets
By Brett Samuels

When everyone owns a digital camera, it has become a gadget that everyone has just gotta have. Film is a thing of the past. 35mm? What is that?

As prices drop, digital cameras become more accessible to the masses. Unfortunately, many of the new digital cameras don't allow for the professionalism a true photographer needs.

Anyone who has seen the movie "Euro Trip" is probably familiar with the brand Leica (product placement anyone?), which is one of the world's premiere camera companies.

Leica has just released a new camera called the Digilux 2, which is a high-end camera that blends old style with new, cutting-edge technology.

The Digilux 2 has the classic Leica lens and aluminum case, and it features an incredibly sensitive 5 megapixel CCD.

The camera has classic adjustable settings for f-stop and shutter speed so that the user has completely creative control of the shot.

The Digilux 2 can also be used to record video in 16:9 format, which is HDTV ready.

This Leica camera is not sold everywhere. Those interested in purchasing this great gadget should find an authorized dealer or jump online.

Ebay is selling this camera online starting at $1100 for used, and consumers can find the new cameras available at leica.com starting at $1500.

Fashion Show
Students Prepare For Event
By Nicole Walsh

Lynn's Fashion Management program is holding their third annual fashion show today in the gymnasium.

Dr. Lisa Dandeo, Fashion Management instructor, is in charge of the production of this event. Fashion students are participating in Dr. Dandeo's class to learn how to put on an event of this magnitude.

So what exactly goes into an event like this, and how long does it take?

"A lot has been done to prepare for this. It's the biggest show we have done so far. Attendees should expect pictorial expressions of colors presented by the latest fashion trends," said Dr. Dandeo.

Elisa Moreau, committee member for the event, said that there is a lot of work involved with the show. She stated that "setting up and getting everything ready has been a lot of long hours and work."

Those who are attending can look for the fashions of Rampage, JF, Love Shack, Boca Surf & Sails, and many more, as these are some of the sponsors.

Tickets are being sold today prior to the event and can be purchased for $10.

Campus Views
Today's Look
By Ashley Roberts

Today's campus view takes a look at a seemingly ordinary but beautifully simplistic building.

The cement walls that line the sides of ASSAF not only provide a structure that protects the building and its windows from hurricanes, but also add an interesting and unique design.

A seemingly plain building is actually unique in its design.

Tennis Team Beats Nova By San Onorato

The women’s tennis team continued its dominance in the SSC today with an 8-1 victory over No. 12 Nova Southeastern.

**Softball Team Sweeps Northwood**

Maps Up Team And Grabs 8-2 Victory

By Jessica Wright

The softball team hit a season-high six home runs in their doubleheader battle with Northwood.

The Knights swept the singles matches from top to bottom behind sophomore Vici Weltz at the top spot.

Weltz and junior Gedvile Nor­kute also continued to control the No. 2 doubles court with an 8-4 victory.

"We played very well today and did what we do best which is breakdown our opponents," head coach Mike Perez said.

Freshman Ali Boeker and sophomore Alex Schunk rolled to an 8-2 victory giving the Knights the early lead.

Junior Leigh Shelton and senior Dragana Ilic lost the first doubles match of the season.

Boeker got things rolling for Lynn with a quick 6-1, 6-1 victory as Ille extended her winning streak to 34-straight matches with a commanding 6-0, 6-2 victory at the 4th spot.

Schunk won at the No. 2 position, while Shelton won at the fifth spot. On the No. 3 doubles court, Nor­kute won both sets.

Weltz ended the match for the Knights as they remain undefeated this season defeating her opponent 6-3, 7-5.*

**Fun For The Family**

What To Do In South Florida
By Kaitlyn Hughes

Lynn has a vast array of events planned for students and their parents to attend this weekend. But what is there to do around the area to keep the whole family entertained?

South Florida is known for its beautiful beaches and great weather. So pack up the car with towels and sun block and drive the parents down scenic A1A to Delray Beach for some fun in the sun.

Still haven't seen enough? Visit Mizner Park in Boca Raton.

Located only a few miles away from Lynn, Mizner Park has a variety of boutiques, retail shops, fine dining, casual restaurants, cafes, music, events, art museums and movie theaters to choose from to keep everyone in the family happy.

When the sun goes down, visit downtown Fort Lauderdale for a lively nightlife full of restaurants and clubs.

Wherever local travels take you this weekend, have fun and enjoy the time spent with family.

Looking At Lynn in '06
A Campus Montage

Welcome to Lynn Weekend for Parents and Alumni! This special edition of the iPulse will guide parents, alumni, and students through this fun-filled and informational weekend.

The events and their locations and times can be found in the Calendar on Campus. Here are the summaries of this weekend's events:

- **Weekend Registration**
  *Pick up the necessary badges and tickets in order to gain admittance to all of the activities.*

- **Coffee w/ the President**
  *Lynn President Donald E. Ross and other staff members will share coffee with parents and alumni and discuss the strategic initiatives and the future of the university.*

- **Alumni Baseball Game**
  *Join Lynn alumni baseball players as they try to relive their glory days in this match.*

- **Think Globally**
  *Learn about the student abroad opportunities and the international programs and services offered at Lynn.*

- **BBQ Celebration & Activities**
  *Join the Lynn family for food, fun in the sun, and music.Celebrate with multicultural dishes and mingle with friends.*

- **Alumni Soccer Game**
  *It's Youth vs. Experience in this classic entertaining match between "old" and "young" alumni soccer players.*

- **Softball Game**
  *The Knights will square off with the Sharks in this doubleheader. The Knights are the defending NCAA Division II National Champions.*

- **Great Jazz Divas**
  *Julie Davis and Kelly Dow perform an unforgettable tribute to the great female singers of the golden era of jazz.*

- **What's Cooking?**
  *Experience firsthand how to prepare and enjoy a savory dessert by joining this culinary presentation of the hospitality management program.*

- **5, 4, 3, 2, LIVE!**
  *For any one that has wondered what it's like to work in television, don't miss this opportunity to see what goes on behind the scenes.*

- **A View From The Sky**
  *Enjoy a virtual tour of the Boca Raton area in an aircraft simulator and see firsthand what Lynn's School of Aeronautics offers its aviation students.*

- **Begin The Evening With Lynn**
  *Join fellow parents and alumni as they try to relive their glory days in this match.*
**Calendar On Campus**

**SUNDAY**

- **Mass - Religious Services**
  - **Time:** 9:30 am
  - **Location:** Landgren Chapel
  - **What:** Mass in honor of the Class of 1966
  - **More:** Info for other religious services is available at the registration table

**Sunday Brunch**
- **When:** 10:15 am - 12:00 pm
- **Where:** Cafeteria
- **What:** A farewell to the week's activities with a scrumptious Sunday Brunch
- **More:** Pick up your framed weekend photograph

**Moving On Up**

*Baseball Improves In Rankings*

*By Chad Beattie*

After winning 14 of their last 15 games, the baseball team has improved their national ranking from 196th to 16th this past week.

*The pitching trio of Cedric Bennett, Joel Burnett, and Lonnie Patterson have been an essential factor in the team's success.*

*Bullpen help has also been strong with Bobby Nun, Nick Brown and freshman Austin Baker.*

*Craig Sheets has been an opposing team's ninth inning nightmare as well, leading the SCC in saves.*

*Offensively, LU is second in home runs, tied for second in stolen bases and third in team average in the SCC.*

*Aiding the Blue and White is conference leader Nicolas Boisvert (37 runs scored).*

*Junior Rookie Khristy Salorio pitched two terrific games.*

*A Junior Rookie Khristy Salorio pitched two terrific games.*

*Freshman Julian Carazana has a perfect 10-1 record, while freshman Lorenzo Cava and senior Jan Macko have impressive records at 8-2 and 8-3 respectively.*

**Tennis Teams Triumph**

*Men & Women Working Hard*

*By Stephanie Baker*

**WOMEN'S TENNIS**

*Randall fifth in the nation, the women's tennis team has won every match they have played this season, bringing their record to 9-0.*

*Leading the victorious women is senior Dragina Ilic with a commanding 33 game winning streak.*

*Juniors Vedrile Norkait and Leigh Shelton have also put together a perfect season at 8-0, while freshman Ali Boeker has a faultless record of 7-0.*

**MEN'S TENNIS**

*The No. five men's tennis team has a near perfect 10-1 record. Junior Dennis Riegert has a seasoned put together a perfect season at 8-0, while freshman Ali Boeker has a faultless record of 7-0.*

**Softball Going Strong**

*Women Set Season High Record*

*By Jessica Wright*

*The softball team hit a season-high six home runs in their doubleheader battle with Northwood.*

*The Blue and White were victorious over the Seahawks with the scores of 11-5 and 8-2.*

*The women are 18-11 this season with power hitter Christine Rolla and pitcher Candace VanderVeen leading the Knights.*

*Rookie Khristy Salorio pitched her seventh complete game this season, in her battle she pitched 7.0 innings, gave up two earned runs and fanned three batters.*

*Both Rachel Foster and Salorio were aided behind the plate by catcher Candace VanderVeen who called two terrific games.*

**Girls & Sports**

*A Comic By Justin Boris and Andrew Feinstein*

*LOOK AT THIS PREGNANT CELEBRITY. ISN'T SHE GORGEOUS?*

*YUCK! I DON'T KNOW HOW THEY HAVE TO SHOW PICTURES OF PREGNANT WOMEN ARE YOU SAYING THAT PREGNANT WOMEN ARENT ATTRACTIVE?*

*I CERTAINLY DON'T THINK SO SO YOU WOULDN'T FIND ME ATTRACTION IF I WERE PREGNANT?*

*OHH AND I PROBABLY WOULDN'T FIND YOU ATTRACTIV IF I WERE PREGNANT?*

*LETS FACE IT, THE ONLY PEOPLE WHO THINK PREGNANT WOMEN LOOK GOOD ARE OTHER WOMEN OH AND I PROBABLY WON'T FIND YOU ATTRACTIV IF I WERE PREGNANT?*

*HOWE YOU GETTING YOURSELF OUT OF THIS ONE?*

*IS THAT THE BEST THING YOU CAN SAY?*

*WELL MAYBE YOU'RE FINE FOR THE FIRST FEW MONTHS BUT NOT AFTER YOU BALLOON UP AROUND MONTH FIVE*

Question of the Day
What do you think about Season 5 of American Idol?

An Explosion Of Color
2006 Fashion Show A Success
By Mara Shanes

Most of the models walked the runway in more than one color, and were able to be seen in more than one ensemble.

All of the outfits were stylish, and each one was put together right down to the intricate details.

The confidence of the models through as they walked the runway, and their positive energy radiated into the audience.

In between showing off luxury fashions, students and faculty members performed off-the-wall skits and music numbers to entertain the audience.

The performances were lively and colorful, and everyone seemed to enjoy them.

The Fashion department did a phenomenal job this year, and those who attended look forward to future fashion shows here at Lynn.*

Career Expo 2006 Tomorrow
Find An Internship Or Career At The Event

Need An Internship? A Job? A Career?

Meet great employers looking to fill jobs an internships at Career Expo 2006.

The career expo will be held tomorrow from 10:00 am - 2:00 pm in the gymnasium.

Students planning to come to this event should have their resume ready and dress for success to meet with recruiters from a large variety of profit and non-profit employers.

"Prepare for Career Expo," "Resume Writing," and "Interview Skills" workshops will be offered by the Career Center during the month of March.

Visit www.lynn.edu/careers for workshop dates.

Take advantage of this golden opportunity!*

Behind The Scenes
An Inside Look At The 2006 Fashion Show
By Elysia Sutherland

Ever wondered what goes behind the scenes of a fashion show? Well this article will shed a little light on the subject, and will show just how much work goes into an event of this magnitude.

Volunteers for the fashion show had 48 hours to turn the school's gymnasium into a trendy fashion runway with proper lighting and sound. They worked all day on Thursday and Friday setting up the gym.

If that doesn't sound stressful enough, try to imagine how the volunteers felt when the lights suddenly went out an hour before the show. Luckily, the lights were functioning hours before the show. Luckily, the lights were functioning by show time, and the audience never knew.

The models had to arrive three hours before show time in order to get their hair and makeup done. Problem? Many of the stylists hadn't arrived yet.

This led to utter chaos with all of the models and volunteers worrying if everyone would be ready on time.

The final makeup artists and hairdressers did arrive a short while later, and it ended up being a photo finish with the makeup finally getting done about ten minutes before the show began.

Because of the cost of the borrowed clothing, models couldn't get dressed until just before the show started. This led to more stress, but somehow the volunteers were able to get everyone under control, and the rest of the evening went smoothly.

Although it was a little stressful backstage, the models had a lot of fun strutting their stuff while later, and it went out an.

Although it was a little stressful backstage, the models had a lot of fun strutting their stuff while later, and it went out with a bang. Ashley Byrd continued swinging a hot bat as the softball team split its doubleheader with Nova Southeastern, finishing 9-0 in the first and 6-3 in the second.

Battle Against Baptist
Knights Fall 5-1 To Tigers
By Sara Quatrocky

The men's tennis team battled with Ouachita Baptist Friday coming up short as the Knights pulled out the 5-1 victory over the Knights in non-conference action in Altamonte Springs.

The Knights fell behind after the doubles competition but played well at the top of the singles lineup.

Splitting sets with Ouachita at the second and third lineup positions, freshman Julien Cartuaaz and junior Dennis Riegman remain unbeaten this season in singles action.

After winning in yesterday's series opener, the Knights dropped the first game by the score of 8-3 and bounced back to pull out a 4-1 victory in the finale over the Sharks.

Byrd was 3-for-5 today, including two home runs, with four RBI and three runs scored as the Knights picked up their 20th win of the season.

Big Bats Beat Nova
Softball Team Wins 9-1
By Jessica Wright

The softball team has found their way, winning three of their last four. The Knights are on a hot streak.

The Knights were victorious over Nova Southeastern with the score of 9-1 (6 innings) in the first of the three-game series.

Ashley Byrd continued swinging a hot bat as the softball team split its doubleheader with Nova Southeastern, winning the SCC three-game series.

Byrd was 3-for-5 today, including two home runs, with four RBI and three runs scored as the Knights picked up their 20th win of the season.

Player Of The Week
Norkute Gets SSC Honors
By Sara Quatrocky

Lynn University junior Gedvile Norkute was named the SSC Women's Tennis Player of the Week today as she becomes the second Knight to grab the honors this season.

Norkute was unbeaten at the No. 3 singles position while also teaming with sophomore Vicl Wetz at the No. 2 doubles spot to take down Division I opponent Massachusetts and Nova Southeastern.

"Gedvile has really been playing with some confidence," head coach Mike Perez said. "She has been working hard to continue to improve each match and so far it's paid off."

Norkute is now 9-0 in singles competition playing at all three of the top lineup positions while posting an unblemished 8-0 record in doubles.

In the latest FILA Collegiate National Tennis Rankings, Norkute was ranked 43rd in the country in singles competition.

The Lithuanian native is also ranked seventh in the Southeast Region with Wetz on the doubles' courts.

The Knights will return to action on Wednesday, hosting Lindenwood (Mo.) at 2:00 pm at the McCusker Sports Complex.

Lynn Founders Day
A Profile of Lynn and President Ross

With Marymount on the brink of foreclosure, his own funds insufficient to save it, he turned to a colleague, Art Anno, who wired the money to the local bank to pay off the loan in what Ross calls “an act of faith.”

“if it weren’t for Art and the Dupont family, who had lent the money, we’d have been out of business before we even started.”

Even then, it was not exactly smooth sailing. “Some months, no one — including me — got paid,” stated Ross.

But he believed he could make it work. “I have always believed this. And I will always believe in determination.”

In 1974, he renamed the school The College of Boca Raton.

It would be some time before the college established its reputation as a school where students could prove themselves and take on a life of its own, with the financial help of Eugene and Christine Lynn.

“I was once given a banner that reads: Blessed are those who are willing to dream dreams and are willing to pay the price to make them come true. I think of that banner often,” said Ross.

Anyone who has seen President Ross chatting with students and faculty in the dining room at lunch and beaming with pride at the school’s annual commencement can quickly understand that this is a man with a mission and a great passion.

“I feel very fortunate to be president of a dynamic institution in one of the most beautiful and thriving parts of the world.”*

Lynn University president Donald E. Ross and his wife, Helen, mark 35 years as Lynn’s president and first lady by leaving their handprints in concrete along the college’s main walkway yesterday during Founder’s Day ceremonies.

Ross, who is 66, has one of the United States’ longest tenures as a college president and has served in the post longer than any other Florida university leader.

Students and faculty gathered together to celebrate the great achievements of President Ross and to honor his leadership and vision.

Here is a pictorial look at the festivities of Lynn’s first Founder’s Day.**

Students and faculty welcome President Donald Ross

Lynn’s campus is transformed for the event

“l felt colleges were becoming very impersonal...I believed — and still do — that every student has unlimited potential and all students deserve a solid education.”

That vision came to fruition in Boca Raton and the story is the stuff of Lynn legend.

Marymount was floundering financially. Saving the school was a daunting task, but Ross and his wife Helen took on the challenge.

“There were no money coming from the community, so it was my job to resurrect the school.”

Lynn Founders Day
A Profile of Lynn and President Ross

By Juliette Nalini

Trim and dapper, with his white hair neatly clipped, Dr. Donald E. Ross, the founding president of Lynn University, leaned back in his desk chair and reminisced about the Lynn of old with a broad smile and considerable enthusiasm.

“This area was quite different,” he remembered. “Military Trail was about as far west as you could go. There was one dirt road that led out to the school. We used to joke that if a car came down the dirt road, it was probably lost,” Ross recalled wryly.

“Gradually, the Arvida Corporation started to develop the city...it’s amazing to see what has happened...this wonderful little town...developed into such a great city,” said Ross.

The suburban Long Island native, an entrepreneurial educator who founded his first college at age 27 (“I used to pray for gray hair just so people would take me seriously as a college president.”) intended to purchase the library books of Marymount with grant money from a Dupont family foundation.

But he came to Boca Raton with more than money. He had vision to provide students with, “an intimate, personal learning environment...a place where they could prove themselves.

“if you could go. There was one place...it was probably lost,” Ross recalled wryly.

Student Profile: Jean Nezviar
Scholarly, Involved, And Dedicated
By Jennifer DeGruccio

Jean Nezviar is a sophomore at Lynn who is majoring in Biology. Nezviar is an Honors student, and is currently running for vice president of SGA.

Nezviar is actively involved in many different student organizations on campus. Currently Nezviar is the president of the International Affairs Society, the treasurer of the Science Club, and an active member of the Black Student Union and the Rotaract Club.

Nezviar works on campus in the library, and is the first male Resident Assistant of the newly renovated and now co-ed Trinity Hall.

Back home in Port-au-Prince, Haiti, Nezviar started the first Student Government Association. He co-founded the organization and made the first constitution for the association. He was an active member of the student government throughout high school.

Nezviar is looking forward to today’s elections, and if elected, he wishes to bring the gap between the SGA and the rest of the clubs in the school.

“Each student here at Lynn University plays a vital role in what is going on; a six member board cannot make decisions for an entire population of students when there are many opinions that haven’t been heard,” stated Nezviar.

Nezviar is a stand-out student here at Lynn, and he shows that it is possible to be involved in extracurricular activities and still maintain an excellent academic standing.

The Knights responded immediately. Harrison Lam and Felix Martinez reached on back-to-back walks to start the inning and a soft single through the right side of the infield easily scored Lam.

Gerena smacked his team leading 12th double down the right field line to score Martinez and give the Knights runners on second and third with one out. Mann drove in the final run on a ground out to second base.

Vici Weltz and Cedric Novosel breezed to an 8-0 victory at the No. 2 doubles positions as Ali Boeker and Alex Schunk blanked their opponent at the No. 3 spot by the score of 6-0.

At the top doubles position, senior Dragana Ilie and junior Leigh Shelton won by the score of 6-2.

Weltz started things off in singles competition with a 6-0, 6-0 victory at the No. 1 position while Schunk lost just one game in two sets with a 6-1, 6-0 victory at the second spot.

Norkute remained unbeaten this season with a sweep over Ross 6-0, 6-0 at the third position while Shelton, playing at the fourth spot, also blanked Ciravec 6-0.

Boeker moved to 9-0 this season in singles with a 6-0, 6-0 victory over Layton, while sophomore Katie Klibanoff-Dombrowski finished out the match with a 6-2, 6-1 win at the sixth spot.

The Knights will host Sunshine State Conference foe Saint Leo on Saturday with the match set to begin at 10 a.m. at the McCusker Sports Complex.

**Career Expo 2006**
Students Explore Career Options
By Ashley Roberts

Lynn held its annual Career Expo this Wednesday in the de Hoernle Sports and Cultural Center. Students were given the opportunity to get information about local and international business, and were able to apply for full-time jobs, part-time jobs, and internships with these companies.

This year over 90 companies participated in the Career Expo, which was a significant jump from the 50 businesses that attended last year.

Because of this growth in businesses, the Expo was moved to the gymnasium from its usual position in the Green Center.

Each of the companies that participated in the event ranged from hospitality services to financial services, law enforcement services, news media, and more.

Each business had representatives ready and willing to answer any questions and to work with the students to provide them with options for the jobs and internships that they desired.

The Hannifan Center for Career Development put the Career Expo together this year, and because of their hard work, many Lynn students now have options for internships and careers that they did not have before.

For more information about this year’s Career Expo, including a list of businesses that attended, visit www.lynn.edu/careers and click on “2006 Career Expo.”

Wicked Wheels: Lynn’s Whips
2006 SAA Car Show A Success
By Tim Devries

Last Friday Lynn University’s Student Alumni Association hosted its second annual car show, which was called “Wicked Wheels.”

There were several categories for entrants to compete in for a variety of prizes. Students, faculty, and alumni were eligible for entry.

The categories for the event were: Best Car, Best Truck, Best Classic, Student’s Choice, Faculty, and Alumni. Prizes were given out to the winners of each category.

Each person who won in a given category received $100 on top of their prize. The prizes included a car stereo, a radar detector, gas cards, a car detailing kit, and free car washes from Miracle Car Wash.

C.J. Magale, President of the Student Alumni Association, said, “This is our second car show and we have had at Lynn, and it was very successful. It was great to see parents and alumni attending our show, and we are looking to make it even bigger next year.”

Those who attended look forward to seeing the “pimped-out” rides that next year’s car show has to offer.

Sixth Sweep Of The Season
Men’s Tennis Blanks Lindenwood, Win 9-0
By Sara Quatrocky

The men’s tennis team swept its sixth opponent of the season today by blanking Lindenwood by the score of 9-0 in non-conference action.

The Knights received outstanding performances from the senior class from top to bottom.

“We played well today and some guys got to take advantage on their time on the courts and prove themselves,” head coach Mike Perez said.

“We’ve got a hectic week ahead of us and we need to continue to improve as always.”

The Red Bull Energy Drink Team came to the event and handed out free events to everyone who participated in and attended the Car Show.

The sensational duo of Julien Carzuzaa and Dennis Riegraf easily won by the score of 8-1 at the second position as they move to 12-1 this season as a doubles team.

Playing for the first time at the top doubles spot, Regnier Azevedo and Raphael Koeble were victorious by the score of 6-6.

Azevedo

Azevedo won 6-0, 6-4 at the third spot as Tom Whitaker came from behind to win 2-6, 6-3 (10-6) at the fourth position.

The knights host Sunshine State Conference foe Saint Leo on Saturday at 10 a.m. at the McCusker Sports Complex.

Tennis Represents
Teams Rank In Division II
By Sara Quatrocky

The men’s and women’s tennis teams were well-represented in the Division II Fila Collegiate Tennis Rankings that were released this week.

With both teams ranked fifth in the nation, the Knights have seven different players listed individually with in the country’s top-50.

Headlining the women’s group, Violi Welz, who holds down the No. 1 singles position for the Fighting Knights, is the seventh-ranked singles player in the nation and the top-ranked player in the Southeast region.

Alex Schunk and Gedvik Nordholt, both in their first season with the Blue and White, are ranked 30th and 43rd, respectively, in the singles rankings.

Lorenzo Cava leads the men’s program as he finds himself as the fifth-best singles player in the nation.

Cava and senior Jan Macko are also ranked second in the nation in doubles action as they man the No.1 position for Lynn with an 8-4 record.

Julien Carzuzaa is ranked 17th in the nation as junior Dennis Riegraf places 36th in the country in singles action.
