Community Support

The Friends of the Conservatory of Music is a volunteer organization formed to promote high quality performance education for exceptionally talented young musicians.

For some students, meeting the costs associated with a world-class conservatory education can be highly challenging. This dedicated group provides financial support for many annual and endowed scholarships. Since its establishment in 2003, the Friends have raised significant funds through annual gifts and special events. The Gingerbread Holiday Concert is chief among them.

First Philharmonia Concert at Boca West

Boca West invites the Lynn Philharmonia for an outdoor concert. The program features light classical music and popular tunes from musicals and films. The event was initiated with a vision from community members Arthur Adler, Dorothy Bucksbaum, Jay DiPietro, and the late Dan Freed. The annual event has been a tremendous success. Over the years, audiences have grown from 300 attendees to 1,500, and the concert stage has expanded from a stage covered with a tent to a large-scale “rock concert” stage with cameras and a fireworks show at its conclusion. As the partnership between Boca West and the Lynn University Conservatory has developed, the Boca West Scholarship was established in April 2007. Each year, the scholarship is presented to a selected Conservatory student at the concert.

Friends of the Conservatory of Music
Lynn University’s Friends of the Conservatory of Music is a volunteer organization that supports high-quality music education through fundraising and community outreach. Raising more than $4 million since 2003, the Friends support Lynn’s effort to provide free tuition scholarships and room and board to all Conservatory of Music students. The group also raises money for the Dean’s Discretionary Fund, which supports the immediate needs of the university’s music performance students. This is accomplished through annual gifts and special events, such as outreach concerts and the annual Gingerbread Holiday Concert.
