Who are you?

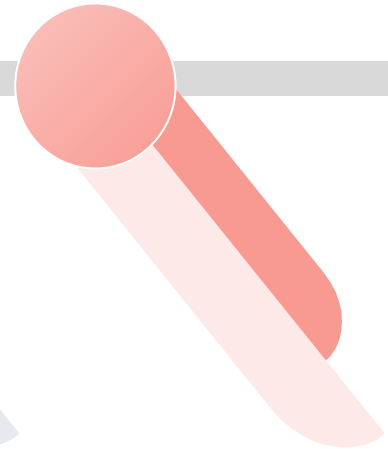

I work in an elementary (K-6) setting.

I am familiar with the BEST standards.

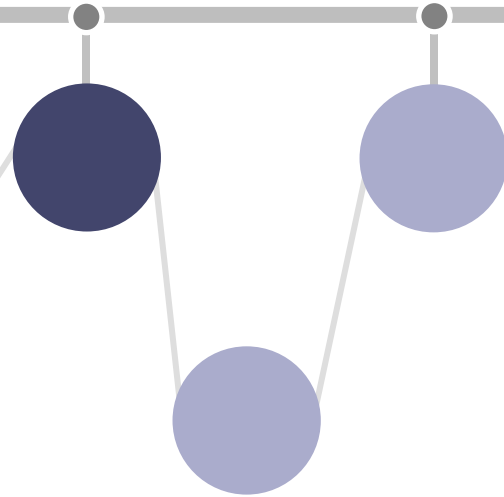

I can recommend technology tools for use and/or purchase in my school.

I provide resources other than books for classroom teachers at my school.

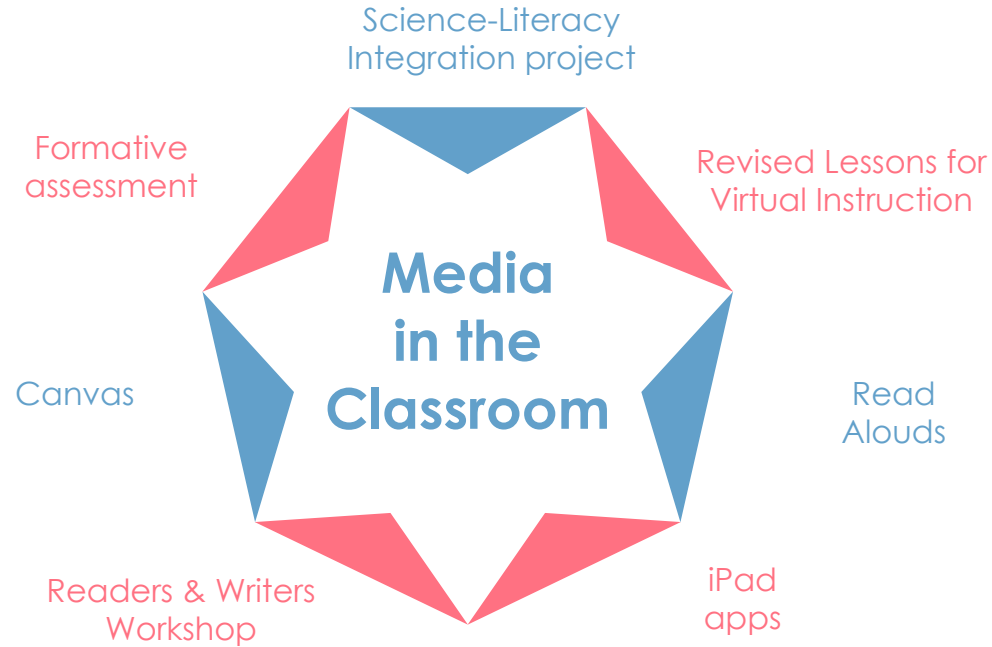

Roles & Responsibilities

- What are the roles and responsibilities of the media specialist? The classroom teacher?
- Which of these roles and responsibilities overlap between the two?
- What might we expect a new teacher to know with regard to these roles and responsibilities?

Pre-Service Teacher Insights & Examples

What's the disconnect?

01

What are the
issues?

02

How can
these issues
be fixed?

03

In what ways are
you supporting
students?
