Assessment

Assessment

At Lynn University, in the College of Business and Management, the purpose of assessment is three-fold:

Understanding the Student Learning Outcomes for each course in the Core and majors/minors.

Reporting the Use of Results based on the data gathered through the course work of the academic year.

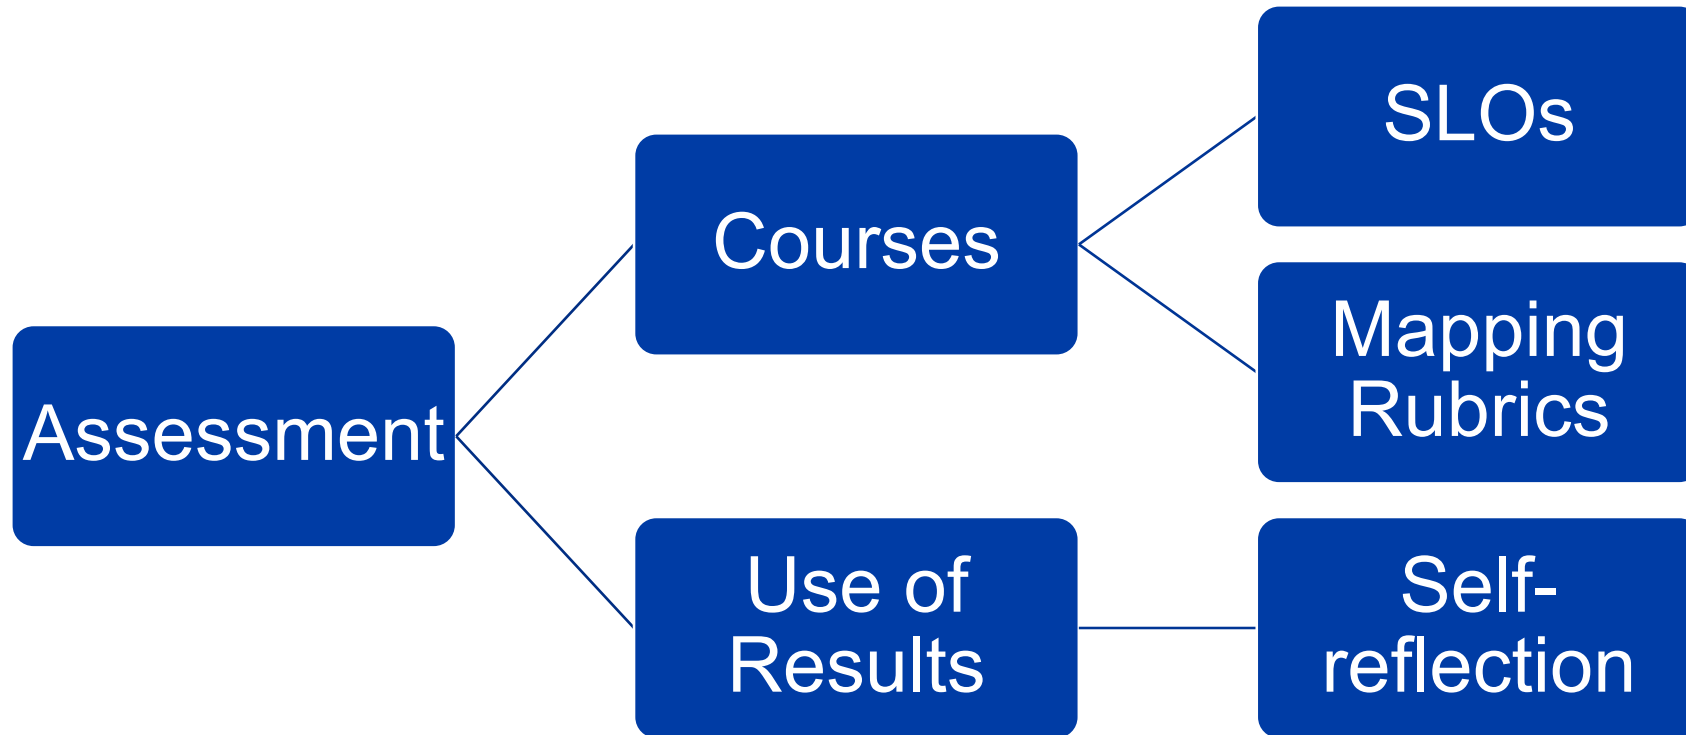

Address the areas needing improvement and focus on improving the quality of instruction and delivery method.

Creative Lens AY 2021-2022

College has adopted a creative lens towards assessment and providing a holistic student learning experience through Learning Management System (LMS) Canvas.

So, what is new?
