On April 8, 1989, the Alumni Association Founding Board of Directors held their first meeting on the campus of CBR. Events and activities included an informal luncheon in the lobby of the Schmidt College Centre, an informative tour of the campus followed by the Alumni Association Board of Directors meeting. The highlight of Alumni Day was the Alumni Dinner during which old, as well as new, friends relaxed in a congenial atmosphere discussing future plans for the fledgling Association.

During the meeting, the Board decided to move Homecoming Weekend to October 21 and 22. Other items on the agenda included slate of officers, identifying regional groups, duties of the board, and trying to locate "lost Alumni." Elected officers President W. Kent Leopold '84 and Vice President John P. Langan '81 were among the 17 in attendance, as were Dr. Donald E. Ross, president of CBR, and Christopher M. Biehn, director of development.

We urge all Alumni to help the Alumni Association Board to become the success it intends to be.
