America the Beautiful
by Katharine Lee Bates

O beautiful for spacious skies,
For amber waves of grain,
For purple mountains majesties
Above the fruited plain!
America! America!
God shed his grace on thee,
And crown thy good with brotherhood
From sea to shining sea.

O beautiful for pilgrim feet,
Whose stern, impassioned stress
A thoroughfare for freedom beat
Across the wilderness!
America! America!
God mend thine ev'ry flaw,
Confirm thy soul in self-control,
Thy liberty in law.

Mr. Ronald G. Assaf, in 1967, founded Sensomatic Electronics Corporation for the purpose of developing a product which would revolutionize retail security. Today, Sensomatic has an estimated 10% market share of the domestic electronics article surveillance industry and slightly over 75% worldwide. In 1974, he was appointed President and Chief Executive Officer, as well as Chairman of the Board.

It is through the concerned efforts of Mr. and Mrs. Assaf and Sensomatic Electronics Corporation that enabled the College of Boca Raton to develop one of the finest electronics programs in the nation. Their major gift to the College will provide an education center that will prepare men and women to work in a growing electronics industry and fulfill an important need for technologists to meet the requirements of this burgeoning industry in South Florida.

Mr. Assaf was born and raised in Akron, Ohio. He attended the University of Akron and was a member of Phi Sigma Kappa. Mr. Assaf serves the South Florida community through his active participation in many charitable and civic organizations. He has three children, the youngest of whom resides with him and his wife, Kathy, in Boca Raton.

The Honorable Ship Bafalis is a five-term Republican member of the U.S. House of Representatives, having served since 1972 in the Tenth Congressional District of Florida. He has been in the forefront of efforts to restore fiscal integrity at all levels of government, including the areas of anti-drug trafficking and conservation.

Congressman Bafalis was born in Boston, Massachusetts. He was graduated with a B.A. degree from St. Anselms College in 1962. He served in the Korean War as an army private and rose to the rank of captain.

Congressman Bafalis is married to the former Mary Elizabeth Land of Lawton, Oklahoma, and they have two children.

Academic Regalia

Lending color to the pageantry of the Academic Convocation are the academic robes and hoods worn by the faculty. This regalia reaches back into the medieval ages when it served a functional as well as an ornamental role, separating the learned men from other groups and offering warmth and protection.

In America in the late nineteenth century, a conference was held by representatives of colleges and universities to bring some order and system to the custom of academic dress. Since then, there have been periodic conferences to revise or reconfirm existing practices.

Essentially, undergraduates wear the black robes with the white collars. Holders of the bachelor's degree wear hoods which are lined with the colors of the college conferring the degree and trimmed with the color representing the subject in which the degree was earned. The doctoral robe is adorned with velvet and is also worn with the hood suitably ornamented.

Holders of degrees from foreign universities or religious orders wear the entire academic costume as decreed by the conferring institution.

The following list reflects the colors which will be found on the hoods worn in the Academic Procession at this Convocation, and the subject each represents.
