America the Beautiful
by Katharine Lee Bates

O beautiful for spacious skies,
For amber waves of grain,
For purple mountains' majesties
Above the fruited plain!
America! America!
God shed his grace on thee,
And crown thy good with brotherhood
From sea to shining sea.

O beautiful for pilgrim feet,
Whose stern, impassioned stress
A thoroughfare for freedom beat
Across the wilderness!
America! America!
God mend thine every flaw,
Confirm thy soul in self-control,
Thy liberty in law.

Mr. Charles E. Schmidt was born and raised in Chicago, Ill., and received his PhD degree in Economics from the University of Chicago in 1932.

In 1938, Mr. Schmidt founded Tractor Supply Company. He was sole shareholder of this company from its inception until a public offering was made in 1958; and in 1960 Tractor Supply Company was listed on the New York Stock Exchange. Several years later the company's name was changed to TSC Industries. In 1969, Mr. Schmidt sold his controlling stock to National Industries (now a division of Fuqua Industries of Atlanta), which acquired the remainder of TSC through a merger.

For many years Mr. Schmidt was a controlling shareholder of the Gulfstream Banks, Inc., and served as Chairman of the Executive Committee, prior to its acquisition by NCNB Corporation of Charlotte, N.C., where he now serves on the Board of Directors.

Mr. Schmidt has been one of Boca Raton's outstanding business and community leaders. He and his wife, Dorothy, have always been mindful of the community's needs, and many charitable organizations, including the Boca Raton Community Hospital, Florida Atlantic University and the College of Boca Raton have benefited by the Schmidt's philanthropic support.

Mr. Allan Carr was raised in suburban Highland Park, Ill., where he attended Lake Forest College and entered show business after a brief period at Northwestern University.

Mr. Carr has received international recognition in the motion picture industry, having co-authored and produced "Grease", the most successful movie musical in film history.

Apart from his many business interests in the film industry, Mr. Carr is a generous benefactor and active member of many organizations, including the Dorothy Chandler Music Center, co-sponsor of the Focus Student Film Awards and a sponsor of the Honolulu Symphony.

Mr. Carr is also an active member of the White House Preservation Committee and on the Board of Directors of Cedars-Sinai Medical Center in Los Angeles.

Mr. Carr has several homes throughout the United States, but mainly resides in Beverly Hills, California.

**Academic Regalia**

Lending color to the pageantry of the Academic Convocation are the academic robes and hoods worn by the faculty. This regalia reaches back into the medieval ages when it served a functional as well as an ornamental role, separating the learned men from other groups and offering warmth and protection.

In America in the late nineteenth century, a conference was held by representatives of colleges and universities to bring some order and system to the custom of academic dress. Since then, there have been periodic conferences to revise or reconfirm existing practices.

Essentially, undergraduates wear the black robes with the white collars. Holders of the bachelor's degree wear hoods which are lined with the colors of the college conferring the degree and trimmed with the color representing the subject in which the degree was earned. The doctoral robe is adorned with velvet and is also worn with the hood suitably ornamented.

Holders of degrees from foreign universities or religious orders wear the entire academic costume as decreed by the conferring institution.

The following list reflects the colors which will be found on the hoods worn in the Academic Procession at this Convocation, and the subject each represents.
