MTV Star Appears at Lynn
Shane Landrum Speaks About Diversity

On Friday September 9 Shane Landrum from MTV’s Road Rules Campus Crawl XI, The Inferno, and Battle of the Sexes 1 and 2 came to speak to Lynn University Students about diversity. Over 100 students gathered to hear Shane’s life stories and his message about diversity and being a minority (and of course to hear a little Road Rules gossip). Shane spoke about his personal experiences that led him to the acceptance of himself and the fact that he is gay, and that made him the person that he is today. By the end of the hour, Shane’s message to the students was clear:

Accept diversity in yourself and in others, and realize that you not only have a responsibility to be a role model, but that you also have the ability to make a difference.

Cute Café
Christine’s is a new restaurant located in the former Christine Room. Christine’s is a café/coffeehouse and outdoor patio featuring Starbucks’ Coffee, coffee/ espresso drinks, fresh fruit smoothies, “Grab & Go” gourmet salads and sandwiches, “Sweet Rewards” selection of desserts and breakfast pastries.

Career Center Help
Center Offers Seminars

The newly renovated Career Center provides ongoing services include help in exploring career options, resume-writing, interviewing skills, and job search. The Career Center is launching a series of exciting and interesting new programs this year for the benefit of students at all levels: In the “What Can I Do With My Major?” students will learn about the variety of options they can consider for using their degree. Sessions start in November. The Career Center will offer a series of professional etiquette seminars called “Outclass the Competition” to provide up-to-date tips on techno-etiquette (cell phones and email), communicating with recruiters and business contacts, mingling and networking, dressing for interviews, dining etiquette, and preparing for career fairs. All sessions take place from 6:00-8:00 pm on Wednesday evenings. Space is limited, so pre-registration is required—don’t wait! For more information or to reserve your seat for a seminar, contact JoAnne Drew at 561-237-7286 or email jdrew@lynn.edu.

Math Puzzle
Cash for Right Answer

The first correct, complete, and detailed solution sent to sbelanger@lynn.edu will receive a cool $20. The solution will be sent via email and all submissions after the price has been awarded.

Two rooms are connected by a hallway that has a bend in it so that it is impossible to see one room while standing in the other. One of the rooms has three light switches. You are told that exactly one of the switches turns on a light in the other room, and the other two are not connected to any lights. What is the fewest number of times you would have to walk to the other room to figure out which switch turns on the light? Look out; this question uses properties of real lights as well as logic.

Fever Pitch
A contemporary romantic comedy about a high school teacher who meets and falls in love with a successful businesswoman. Although their lives are vastly different, the relationship seems perfect until the baseball season begins and she has to compete with his first true love: the Boston Red Sox.

There’s Something About Mary (w/ bonus features)
There is sure is. A stalkers love story, Ted (Ben Stiller) is still in love with his high school prom date, Mary (Cameron Diaz). Ted hires Pat, a private detective (Matt Dillon) to track her down, but Pat ends up falling in love with her too, starting a battle for Mary’s heart that’s rife with gross-out humor.

Today You Die
Max Stevens (Steven Segal) is a thief who steals from the rich and gives to those in need. Convinced by his lover that it’s time to go straight, Max agrees to one last heist, which does not go as planned. Max is set up and framed and sent to a prison where he forms an unlikely friendship with Ice Cool (Anthony “Treach” Criss), and together they orchestrate a massive jailbreak, setting out for revenge. Much witty banter, explosions, and general mayhem follow, in an action film that delivers all the crucial elements.

The Daily Heartbeat of Lynn University
Pulse
Men's Soccer Wins Third Straight

Knights Beat Christian Brothers University 3-1

Lynn University's men's soccer team opened its season 3-0 for the 13th time in program history, defeating Christian Brothers University 3-1 on Sunday afternoon. Freshman Jean Alexander and David Benn scored their first goals of the season while Lee Paul Scroggins tallied his team leading third goal.

"Two games in third days have been a bit rough on the team but our fitness level has improved dramatically over that span. We still need to put our chances away but we've done very well with our small squad," said head coach Shaun Pendleton. "It's nice to beat two quality teams and if you would have said that I would be 3-0 at this point of the season I would have said that's great."

Scroggins opened up the scoring for the Knights 26 minutes into the match, marking the second time in two games he has scored the first goal. The junior midfielder made a nice run up the middle of the field towards the top right of the box where he combined on a one-two pass with Carl Wallace. Scroggins completed his run and fired a low line drive shot just inside the near post to put LU up 1-0.

Alexander scored his first career game-winning goal just minutes before halftime. Again the Bucs (2-3-0) had a difficult time defending the combination pass as Alexander made an identical run on the box as Scroggins, finding Kenneth Viques just inside the top right hand corner of the box. Viques caught the Bucs defense off guard with a backwards touch to Alexander, who fired a dart under the keepers arm for the goal.

Christian Brothers made a surprising run at the start of the second half though, coming out with a quick assault on the Blue and White Zone. Liam Bull made a diving stop, one of four on the afternoon, to halt the Bucs. Seconds later, Brad Whitsitt's free kick from about 40-yards out was re-directed by Ryan Peel, just past Bull to cut the lead in half.

The Knights squared any momentum the Bucs had less than a minute later. Chris Knox collected a cleared ball on the corner kick about 35-yards out and sent a high, looping pass into the box. Benn, just keeping onside, one-timed a scissor kick at the top of the box into the right side of the net to increase the lead to 3-1.

"We're a little tired from the Central Arkansas game but we knew if we got the third goal, we could close the door on Christian Brothers," said Benn, who notched his 14th career goal. "I was a bit fortunate on the kick I think. I caught it well though and was able to put it in the corner."

Lynn used a variety of defensive combinations, having at one point all five of its defenders, Leon Jackson, Benn, Lee Porter, Nano Short and Courtney Rimmer, on the field. The Knights defenders limited the Bucs to only six shots on goal and won the corner kick battle 10-4.

With the game tied 1-1, the Knights seemed poised to head into their first overtime match of the season. On a Lindsey Schenman corner kick, Heather Deen connected on a soft header just inside the LU box. A failed attempt to clear the ball by Bridget Penta ricocheted off of the midfielder's side and rolled past keeper Kelly Friedrich, giving UAH (3-3) the win.

Kim Pyra tied the score at 1-1 in the 34th minute. The senior attacking midfielder one-timed a long cross from Molly Anderson past Chagers keeper Sarah Sollie. Pyra is only two goals shy of tying her career high.

UAH got on the board first in the 14th minute when Laura Holt crossed a ball into the Knights box. A defensive breakdown allowed Katie Knop to get open and shoot easily on the net.

Both teams finished the match with 18 shots and three corner kicks apiece. Friedrich recorded four saves while Sollie tallied seven on the afternoon.

Tune In To Lynn
Knight Radio On Air Soon
By Matt Shanes and Elisa Sutherland

Lynn radio is kicking off the year with its first meeting today for returning members, prospective DJs, and talk show hosts. All those interested in doing a radio show this semester on Lynn Radio should be at one of the following meetings:

Wednesday September 14th at 12:00 pm
Thursday September 22nd at 12:00 pm
Meetings will be held at the radio station on the third floor of the library. Radio shows typically last approximately two hours, and the DJs can play their favorite music and talk about topics that interest them.

The three roommates are all Juniors at Lynn University. Featured here are two shots of their hot crib, shots of John Wood's Escalade sitting on 24-inch rims, and Mike's "stylin'" Mercedes Benz.
**Mens Athlete Of The Week**

Chris Knox, Senior Soccer Player

After a stellar week in which he contributed to two goals in a 2-1 upset of no. 3 Central Arkansas and another goal in a 3-1 win against Christian Brothers, Lynn University’s Chris Knox was named Sunshine State Conference Men’s Soccer Offensive Player of the Week as announced by the conference office Monday. Knox recorded one goal and two assists as the Knights went 2-0 over the weekend. The Blue and White open their SSC season when they host Florida Tech on Wednesday, September 14 at 3 pm before hosting no. 18 New York Tech on Sunday, September 18 at 4 pm.

“Well he [Chris Knox] certainly deserves it,” said head coach Shaun Pendleton. “After having a down year last season he’s come back very focused and motivated for another national championship. He’s improved statistically already after only three games and we hope that he continues his great play the rest of the season.”

Knox evened the score 1-1 minutes into the second half against UCA, bending his shot on a free kick around the defensive wall and into the top left corner of the net. Later in the match, the senior midfielder lobbed a pass into the Bears 18-yard box where William Young one-timed to the far post and Hiroshi Ando headed in for the game-winning goal. Against the Bucs, Knox’s lob pass to David Benn, who scored on a scissors kick, less than a minute after CBU had scored, secured the victory for the Knights. The Newcastle, England native is the second Knights player to earn SSC weekly honors after Benn was named Defensive Player of the Week on September 5.

Lynn opens the season 3-0 for the 13th time in program history. Eight different LU players have scored goals while the defense has conceded only two goals in its three matches. The defensive unit of David Benn, Nano Short, Courtney Rimmer, Lee Porter and Leon Jackson has allowed only 13 shots on goal (4.3 per game) while keeper Liam Bull has made 11 saves (.866 save %).

Florida Tech (1-2-1) heads into Wednesday’s match already having gone through a roller-coaster type season. The Panthers opened the season with a 5-1 loss to then no. 13 Rollins College. The two-time national champions proceeded to tie no. 7 Clayton State 0-0 on Saturday but fell 2-1 to NCAA Division III opponent Oglethorpe University the following day. Tech welcomed back two of its top three scorers, Mohammed Al-Sharif and Gerardo Valerio, but the duo has combined for only one goal and one assist in the team’s first four games. The emergence of keeper Cory Collins has helped the Panthers, as the freshman has allowed only three goals since entering at the half of the Rollins game.

“Florida Tech will be an interesting match for us because, although they have many returning players, they have a new coach and a new system in place,” said Pendleton, whose team has gone 8-0 against Florida Tech with five shutouts since joining the NCAA in 1996. “We’ve been trying to build on our performance from last week so we can get off to a good start in the conference season.”

Two newcomers have anchored the offensive attack for 18th ranked New York Tech (5-0-0). Peter Antionades (nine goals, one assist) and Takuma Komiya (four goals) join 2004 First Team All-Region selection Eduardo Anacleto (three goals, one assist) to form a dangerous trio up front. The Bears defense, which limited opponents to just over a goal per game last season, has improved to allow 0.60 goals per game. NYIT has outscored its opponents 22-3 with two shutouts. This will be the first meeting between Lynn and New York Tech.

“New York Tech is a very experienced team that is loaded with seniors and barely missed going to the playoffs last season,” Pendleton said. “This is a great experience for us to play such a big non-conference team in terms of ranking. They have a great team with a lot of experience, they’ve started the season very well and I think this is a team that people will see in the post-season.”

**Womens Athlete Of The Week**

Theresa Daniels, Senior Volleyball Star

Lynn University senior Theresa Daniels, one of two four-year players on the Fighting Knights’ volleyball team is ready to lead her team into one of the toughest weeks of this year’s schedule. Putting together one of her finest performances of her career on Saturday with 19 kills and a career-high .529 attack percentage against Queens, Daniels will look to keep the Knights (4-1) focused as they hit the road tomorrow, tangling with Palm Beach Atlantic at 7 p.m., in their first of four games in six days.

“I want to continue being a leader on the court but not only in the stats column,” Daniels, a Sunrise, Fla. native, said. “My goal day in and day out is to lead this team everyday at practice and during games and to make sure they know that I’m going to give it a hundred percent at all times, which is just as important to me that racking up kills or digs.”

Embanking on one of the best starts in school history, the Knights will begin at PBA against the Sailfish who boast a 6-2 record thus far this season. This will be the 14th all-time meeting between the two squads with the Sailfish taking a 10-3 overall record against the Knights.

“It feels great to have some big wins behind us as we head into this tough week of action, but if we just come into every match with a sense of urgency I feel that we’ll be able to compete at any level,” Daniels said.

Traveling to Florida Gulf Coast on Friday, the Knights will face the Eagles who made it to the NCAA South Region Semifinals last season. FGCU currently posts a 9-2 overall record while having a 1-0 record on their home court. This will be just the third all-time meeting between the two teams, as the Eagles swept a two-game series from the Knights in 2004. Game time is scheduled for 7 p.m. in Ft. Myers.

“Playing on the road is always tough and to come away with two big wins against two great programs is a realistic goal for us,” Daniels said. “Our confidence level is high enough to believe in ourselves and that’s all that matters when we play competition of this caliber.”

Returning home to the friendly confines of the deHoernle Center, the Knights will open up their Sunshine State Conference schedule on Saturday against Saint Leo at 4 p.m. Last season, the Knights split a pair of games with the Lions, pushing their all-time record against the conference foes to 3-10. Rounding out its hectic week, Lynn will host Puerto Rico-Mayaguez on Sunday at 12 noon. The Knights are 1-0 on their home hardwood this season, notching their home opening victory against Queens in a 3-0 sweep.

“There is always a great feeling associated with playing at home and in front of our fans and it’ll be nice to open up our conference season with all of their support,” Daniels said. “This is such an exciting week for us and I’m ready to lead the way to victory.”

Channel 77 Movie of the Day
Memento (R)
Director: Christopher Nolan
American, 2001, 113 min.

Christopher Nolan, Guy Pearce, Carrie-Anne Moss, Joe Pantoliano, Mark Boone Jr., Stephen Tobolowsky, Jorja Fox, Callum Keith Rennie.

A man with short-term memory loss tries to keep his life in order while avenging his wife’s murder. Is he being helped, or manipulated, by the people around him? Pretentious pap plays with storytelling conventions and juggles “real time,” but adds up to zero (though the film has many ardent fans).

Excerpted From Leonard Maltin’s 2004 Movie & Video Guide.

What did you do on your summer vacation?

“I traveled around Europe with my sister and loved Spain!”
-Virginia Couch, Sophomore

“I went to Paraguay, Uruguay, and Argentina.”

-Elisa Moreau, Junior

Local Hangouts

Where the Knights Go, All Night
By Brittany Bildwas

With gas prices increasing daily it’s good to know you don’t need to go all the way to Miami or Ft. Lauderdale to catch up with the Knight crew. Every night something’s going on locally for good fun.

Mondays
After a tough start to the week on Monday, reward yourself by heading to Delux in Delray for all-night dancing to the latest music.

Tuesdays
On Tuesdays, head to Mizner Park where you’re sure to see at least a dozen Lynn students grabbing a taste of relaxation outside on the patios of Proazzo’s and Gigi’s Tavern.

Wednesdays
Wednesday is College Night just about everywhere, especially at Duffy’s with 50 percent off food with your student ID. And, don’t forget about Don Carter’s All-Star Lanes famous Quarter Mania - pay a $12 admission and everything thereafter is only a quarter, and I mean everything: from bowling, shoe rentals to food and more.

Thursdays
Thursdays are reserved for downtown Boca where there are tons of places to find Lynn faces at a few well known Irish destinations.

Fridays
T.G.I.F ‘cause The Cove has a spot waiting for you, if you can fit your way through the crowd of course. Known for its beautiful people and views of the intercoastal, it’s a place guaranteed to start your weekend off right.

Saturdays
Since its football season, Saturdays are dedicated to the Big Game so head to the Brewz Room just opened in Deerfield for dozens of TV’s to catch all the action and a menu filled with football favorites - and ladies, they have great deals for you everyday.
Over The Net
Volleyball Season Preview

Lynn University's volleyball team is locked and loaded for the 2005 season after surrounding its five returnees with the addition of seven new student-athletes. And with one season already under head coach Ginny Kelly, the Fighting Knights hope to unlock their potential and join the elite of the Sunshine State Conference.

"I think this team has a real possibility of making great strides this season," said Kelly, who begins her second season at the helm. "Every player is going to have the chance to start. From day one, everyone is on the same level and the best players are going to start. Everyone on this team is extremely motivated and brings huge amounts of intensity, so I think we are going to surprise some schools this season."

One of the biggest areas of improvement will be the front line. Returnees Theresa Daniels, Larissa Witherspoon and Kailen Gonzalez will be joined by newcomers Carissa Erath, Deidre Knobeloch, Jessica Lennon and Erin Lynge. All four newcomers boast of 6-0 or greater, something the Blue and White have lacked in the past.

"We've got a lot more height this year. I didn't feel we were a strong blocking team last season, so bringing in these new girls, I hope to improve upon that area," said Kelly, whose team blocked only 150 shots in 2004, the lowest total since 1999.

Daniels, the Fighting Knights' most improved player, will be the key to the offense. Her 367 kills last season ranks as the sixth most in program history while blocking will really make a difference in our conference and I'm going to look for Kailen (Gonzalez), whose improved her fitness significantly this summer, to be one of our leading blockers."

her 821 career kills are third all-time at LU. She will be counted on for her consistency and senior leadership as an outside hitter. Witherspoon is another player who has seen improvement in her overall play. The junior has improved her defense dramatically, as is evident by her 234 digs in 93 games in 2004 compared to 161 digs in 122 games in 2003. All of the newcomers can hit and block, giving the Knights depth on offense and defense, too, to the state tournament.

"Theresa was a good hitter but now she is a great, consistent hitter who we're going to look to be one of our 'go-to hitters.' Everyone in volleyball wants to be the go-to hitter and Theresa can be that person," said Kelly. "I also hope that Deidre [Knobeloch], who has the most experience in the middle, steps up as a force as a middle blocker and provides leadership for that position."

Lynn will have a lot of depth at the setter position with Jessica Woody returning for her senior year to quarterback the offense and freshman and First Team All-State member Megan Bedner joining the squad. Woody led the team with 880 assists last season, the fourth most in program history, and needs only 486 more to become the program's all-time assists leader. The Knights will also look to Woody for her surprising blocking ability, as the Tennessee native was tied for second on the team in block assists, with 30. Bedner, although young, comes with great club and high school experience after helping lead her high school, Lake Worth Christian, to the state tournament.

"Woodby is another senior who works very hard and will be counted on for her leadership. I know she will make great strides in her second year with our system. And although Megan will be on the sidelines, she'll greatly benefit from having a year to study, watch and learn from Jessica."

If Daniels is the key to the offense, then Kelly Dankert holds the key to the defense. The final returnee will try and hold down a spot that was formerly manned by the program's all-time digs leader Shelby Vollmer. Dankert has limited experience as the libero, but the Knights could get a great return because of her tremendous potential. Her hard work and dedication could see her become the next great defensive player for the Fighting Knights.

"Kelly went to the best volleyball camp over the summer to prepare for this position and I am confident that she will be able to handle her newfound duties," Kelly said. "Christie is young but learned from one of the best and is a fearless player."

LU embarks on one of its most ambitious schedules, playing seven teams with NCAA Tournament experience and four new opponents. The Knights will know right from the start where they stand, opening at the North Alabama Tournament which includes NCAA tournament teams Alabama-Huntsville, Albany State and North Alabama as well as South Carolina-Upstate.

"Our conference schedule is always tough but we played very well against Barry last season, better than a lot of team's played against them and the girls who returned have more confidence heading into this season against those types of teams."

Helping Hand Lynn Ack Katrina Victims
By: Donald Ross

It has been a trying time for all - students, faculty and staff - as we dealt with a national tragedy at the onset of the academic year. I want to thank you for your dedication to Lynn and for your overwhelming spirit of generosity and caring during this time.

As the devastation from Hurricane Katrina rises to the top of the national agenda, I am proud that you - the Lynn University community - have joined the nation and the world in an expression of support for the victims, their families, the thousands of volunteers and those local, state and federal officials dealing with this catastrophic event.

For students who have been affected by Katrina, the university is offering counseling services on a walk-in basis. The Counseling Center is located in Student Services on the first floor of E.M. Lynn Residence Hall. The phone number is (561) 237-7237. The Knights of the Round Table, the premier student leadership organization on campus, held a fundraiser for Katrina victims during student orientation. Lynn University matched the funds and donated the money to the American Red Cross.

Lynn University students who wish to get involved in supporting the relief effort should contact Margaux Manley in Student Activities at (561) 237-7153, or visit the Student Activities Office on the second floor of the Student Center.

In addition, Lynn University is offering temporary admission to those academically qualified students from South Florida whose education was disrupted by Katrina.

The special admission provides a merit-based academic scholarship of $4,000 per semester. Students are enrolled in classes on a space-available basis. The university is working individually with affected students to streamline the application process and help them secure additional financial aid as needed. The drop/add period ends Sept. 16 for daytime undergraduate students. For further information, please contact Brett Ormandy at (561) 237-7836.

The university also is reaching out to students, faculty and staff with a series of three events in the aftermath of Hurricane Katrina.

Lynn University will host a panel discussion on Tuesday, Sept. 20, at 2:30 p.m. in the Anschutz-Goldstein Hall. "Hurricane Recovery: Too Little, Too Late?" will be moderated by Dr. Marcheta Wright, associate professor in the College of Arts and Sciences. Panelists include: Dr. Anna Krift, assistant professor of international relations who wrote her 1998 dissertation on governmental response to Hurricane Mitch's devastation in Central America; Earle and Barbara Scarrlett, scholars in residence whose careers with the U.S. Foreign Service collectively bring more than fifty years' experience in diplomacy and government policy as it relates to national and international crises; and Dr. Ernest Vendrell, who teaches courses in public administration, public policy, and the political and social dimensions of disaster in our Emergency Planning programs.

The event is free and open to your family, friends and colleagues. To attend, please RSVP no later than Sept. 19 by calling (561) 237-7200 or e-mailing jlounders@lynn.edu.

In addition, the first concert of the season by the Lynn University Conservatory Philharmonia at 7:30 p.m. on Friday, Oct. 7, at Spanish River Church will benefit victims of Katrina. The concert features violinist Nelson Hisch, winner of the 2005 Young Musicians Competition for Strings. Tickets are $25 and can be purchased by calling (561) 237-9000 or e-mailing tickets@lynn.edu.

Sincerely,
Donald E. Ross
President
On The Road Again
Womens Soccer Team Travels To Tennessee

Despite starting its first road trip on a sour note, Lynn University's women's soccer team is hoping to pull off some upsets when it travels to Tennessee this weekend. The Fighting Knights travel to Lincoln Memorial (fourth in the South Region) on Friday, September 16 at 5 pm ET and No. 23 Carson-Newman on Sunday, September 18 at 2:30 pm ET. The Blue and White, 3-3-0 overall, are 10th in the South Region.

"Our players are definitely disappointed by their lack of consistency over the past weekend but we all know that we are capable of putting together a solid 90 minutes like we've done in our three wins," said head coach Rocky Orezzoli. "I'm going to be looking for our core group of defenders, Melanie Haraldson, Becca McCray, Adrianne Peterson and Rachel Andreozzi, to step up and set the tone early."

The Knights will look to move to 3-0 all-time against Lincoln Memorial (3-1-0). The last time the two teams met was in 2000 when LU defeated LMU 4-1. The Lady Railsplitters are a much different team though, having won the South Region in 2004, advancing to the Elite Eight of the NCAA Tournament. This year's squad returns 12 players including 2004 Gulf South Conference Freshman of the Year Heloisa de Oliveira. Newcomer Danielle dos Santos will need to be closely watched as the freshman leads the Railsplitters with five goals and 11 points in four games.

"LMU was a Elite Eight team last year and they've got some great players that have improved their team and made them more explosive," said Orezzoli. "They are very difficult on their home field. We are going to have our hands full but we feel like we can create some changes and play with them."

Carson-Newman will be meeting LSU for the first time when the two teams play on Sunday. The Lady Eagles advanced to the national semifinals last season and return all 11 starters from that team. Top scorer Rebecca Angus, who scored 18 goals in 2004, is off to a fast start already four goals and two assists. Leslie Marcouiller has surprised many with her quick start as the sophomore has already tallied a team leading six goals and 13 points.

"Carson-Newman plays a very exciting style of soccer which I am very excited about matching up against," Orezzoli said. "This is a difficult road trip for us but after last weekend I think our players have something to prove."

The Knights return home Wednesday, September 21 at 4 pm against St. Thomas before hitting the road for another two games.

Another Win for Lynn
Men's Soccer Blows Out Florida Tech

Out to make an imposing statement in its first Sunshine State Conference match of the season, Lynn University's men's soccer team did just that, blowing out Florida Tech 8-0 on Wednesday afternoon. The win also marked the largest margin of victory against the Panthers in program history. William Young led the charge for the Fighting Knights, recording his first career multi-goal game to go along with three assists while Lee Paul Scroggins notched his second multi-goal game of the season. The fourth ranked Knights improve to 4-0 on the season and 1-0 in the SSC.

"This sends a nice message out to the conference that we have a pretty good team," said head coach Shaun Pendleton. "We still obviously can make improvements but we started off nicely with a couple of early goals. We're playing everyone so the team is going to gain in experience and as a coach that is important to me. Overall I'm very pleased with the result and I'm very pleased with where we're heading."

Lynn returns to action on Sunday, September 18 at 4 pm when it hosts 14th ranked New York Institute of Technology. This will be the first meeting between the two teams. As always follow the Knights games live by logging on to www.lynn.edu/athletics and clicking on the "live audio" and "live stats" link.

MCCABE & MRS. MILLER
Director: Robert Altman
Western, 1971
A haunting, poetic anti-Western based on the 1959 novel by Edmund Naughton, Robert Altman's MCCABE AND MRS. MILLER is a deeply moving motion picture about love and the pursuit of wealth in 19th-century America.

John McCabe (Warren Beatty), a determined businessman with a mysterious past, settles in the small Northwestern town of Presbyterian Church and opens up a saloon and brothel.

Soon after, the brothel's madam, an Englishwoman named Constance Miller (Julie Christie), arrives and forms a partnership with McCabe in order to manage the brothel's business affairs.

McCabe has trouble expressing his true feelings to Mrs. Miller, with whom he has fallen in love; she, in turn, relies on opium to distract her from her personal sorrows.

Surf's Up! Nature Dominates Waves
By Mira Shores
Kristen Filau ro is a Lynn University student who had an interesting summer experience that she is willing to share.

Kristen Filau ro is a 20-year-old Junior from Westchester, NY, majoring in Fashion Management.

Kristen has a passion for the ocean and learned to surf two years ago. Kristen has spent the past two years dominating the trailing waves.

This summer, Kristen traveled to multiple "surfer's paradises" all over the world. Not only did Kristen conquer Florida waves, but she also traveled to Australia's Gold Coast.

The Gold Coast is one of Australia's leading holiday playgrounds, with 70 kilometers of sun-stretched beaches.

Kristen was also lucky enough to travel Hawaii and explore its surfing luxuries.

She visited the three of the most well-known beaches and surfed the waters of North Shore and Waikiki Beach, which are on Oahu and Ho'okipa Beach Park on the North Shore of Maui.

Perhaps the most interesting part of Kristen's summer was that she was able to summate these beaches alongside her mother, who is just as skilled a surfer as Kristen.

What is your favorite quote?
"Sometimes you win, sometimes you lose, sometimes it rains."
-Jimmy Bacon, Senior
"Life is something that happens while making other plans."
-Joe Roselli, Sophomore
"If today was perfect, there would be no need for tomorrow."
-Emilee Fitzpatrick, Freshman
"Everything happens for a reason."
-Kayla Gish, Freshman

Panel Discussion Tuesday
Hurricane Help. Tackles Questioned
"Hurricane Recovery: Too Little, Too Late?" will be moderated by Dr. Marcheta Wright, associate professor in the College of Arts and Sciences. Panelists include: Dr. Anna Krift, assistant professor of international relations who wrote her 1998 dissertation on governmental response to Hurricane Mitch's devastation in Central America; Earle and Barbara Scarlett, scholars in-residence whose careers with the U.S. Foreign Service bring experience in diplomacy and government policy as it relates to national and international crises; and Dr. Ernest Vendrell, who teaches courses in public administration, public policy, and the political and social dimensions of disaster in our Emergency Planning programs at Lynn.

RSVP To: Joyce Londers
Phone: (561) 237-7200
Email: jlonders@lynn.edu

Fashion Files
That's Hot
By Vicky Posser
What's Hot
The stars are leading the pack with high-cowboy boots which have been linked to Jessica Simpson's look on the new movie "Dukes Of Hazzard." Other hot shoes right now are pumps with an open toe, which are perfect for your favorite pair of jeans or even a fun dress.

What's Not
Sorry for all of you big shades lovers, but it's time to pack those ski goggle-esque sunglasses away and move on to smaller frames. Smaller sunglasses will be hitting the shelves soon.

Bonus: These sunglasses are not only highly fashionable, but they allow others to actually see your facial features!

What's Not
Sorry for all of you big shades lovers, but it's time to pack those ski goggle-esque sunglasses away and move on to smaller frames. Smaller sunglasses will be hitting the shelves soon.

Bonus: These sunglasses are not only highly fashionable, but they allow others to actually see your facial features!
Highly touted freshman Jean Alexandre, Lee Porter and Kenneth Viquez should contribute right away.

“This is an area that needs the most work during the pre-season,” said Pendleton. “Our midfield has the potential to be the strongest part of the team. The unknown quality though is how well our new players adjust to the system we employ.”

The Knights will have one of the top scoring tandems in the conference with the return of Andrew Hirst and Carl Wallace.

Hirst, who only two years ago led the team and the SSC in scoring with 19 goals and 39 points, returns after earning Third-Team All-America honors as the squad’s central defender in 2004. Wallace led the team in scoring with 14 goals and 32 points. Junior-transfer William Young and freshman Richard Legg will also vie for time up-front.

“We have a very strong returning class that is aided by All-American Andrew Hirst and Carl Wallace,” Pendleton said. “Our new recruits will only add depth to a dangerous rotation.”

The Blue and White needs just seven more wins to reach the 350 victory milestone while Pendleton needs only three more wins for 250 victories while at Lynn. Carl Wallace trails Jakob Lorenzton by eight game-winning goals for the program’s all-time lead while Liam Bull needs 54 saves this year to move into second place all-time at LU.

MEN-SOCkER

Over The Net
Volleyball Season Preview

Although Lynn University’s title defense fell short last season, the 2004 squad still managed to win its second consecutive Sunshine State Conference Tournament title. With the return of some key players and the addition of several new players, the 2003 Fighting Knights are poised to return to the NCAA Tournament and make a run for its fourth National Championship.

“We have a good returning class, a good core to surround a quality recruiting class of which there are several potential starters,” said head coach Shaun Pendleton, who has the best winning percentage in NCAA Division II history. “Plus, our schedule will allow us to competitive on a national level.”

Liam Bull returns as the Knights primary net-minder. The junior set career-highs for games played/started, saves and shutouts while tying his career-high in wins. Although he heads into the season as the incumbent starter, he will be pushed hard by senior Kevin Street and freshman Alessandro Salvatore.

Street has appeared in 32 games over the first three years and is no stranger to big-time competition, having started the National Championship game for LU in 2003. Salvatore is a two-time All-District and Defensive MVP from Texas that can use his size to his advantage.

“We have a fantastic group of keepers heading into the season,” said Pendleton. “Both of our returning players have a tremendous amount of experience but I’m confident that any one of these three could start for us.”

The backbone of any good team, the Fighting Knights will again jumble their defense. LU returns one starter, David Benn, loses Andrew Hirst (returning to forward) and welcomes back central defender Leon Jackson. Speed and toughness outline a defense that should dramatically improve from last season. Newcomers Courtney Rimmer, Andrew Dickson and Nano Short will be looked upon to make an early impact.

“Our defense is definitely helped by the return of Leon Jackson,” Pendleton said. “The addition of Courtney Rimmer will also help us solidify some of the weaknesses and mis-matches we encountered last season.”

Traditionally one of the strengths of the men’s soccer team should be no different this season. First-Team All-SSC selection Lee Paul Scroggins returns to anchor a midfield that returns Chris Knox and SSC All-Tournament selection Hiroshi Ando.

Knox was one of five players to appear in every game last season while Ando started the season’s final six games and notched a pair of assists in the SSC Tournament.

Modern Times
Director: Charlie Chaplin
American, 1936, 87 min

Playing a tramp struggling to survive in a modern industrial society, Charlie Chaplin created with MODERN TIMES, one of the most elaborate cinematic critiques of the effects of mass production on 20th century life. With his usual charm and bad luck, Charlie Chaplin’s most famous character The Tramp, executes some of his most famous slapstick routines around massive/glorified machines, accidentally ends up in the middle of a communist rally, and falls in love with a street waif played by Chaplin’s then real-life partner Paulette Goddard.

What do you think about Tropical Storm Rita?

Cauley is No "Fish Out of Water"
Musician Jams Out at Christine’s Last Thursday
By Mike Jacobs

The first KAT Java Jam was held last Thursday night at Christine’s. The show featured Chris Cauley, the number one booked artist on the college circuit. Saxophone player Jordan Shalhoup accompanied Chris. The duo is originally from Atlanta, and is currently in the middle of an East coast tour. Cauley and Shalhoup kicked off the night with a cover from Stevie Wonder, an idol of Cauley’s who helped shape his musical and vocal style. Cauley’s new CD, “Fish Out of Water,” was released a few weeks ago and is available at most major music retailers, as well as on iTunes.

Lynn University is open and all classes will be held as scheduled today.

The current storm track for Tropical Storm Rita is expected to pass well to the south of Boca Raton and Lynn University. The university is prepared to secure the campus and ensure the safety of our students, should weather conditions change.

The university will continue to update this Web site as information becomes available. If you have any additional questions or concerns, please call (561)237-7245.

Rita Aims South

Lynn University Remains Open

Desperate Housewives (NR)
All is not as it seems on Wisteria Lane, the pristinely manicured suburban setting of television’s hottest prime-time soap. Throughout the course of the show’s wildly popular debut season, each woman faces her fair share of drama and does her part in helping to uncover a mystery that goes deeper than anyone can imagine.

The Longest Yard (PG-13)
The story of pro quarterback Paul Crewe (Sandler) and former college champion and coach Nate Scarboro (Reynolds), who are doing time in the same prison. Asked to put together a team of inmates to take on the guards, Crewe enlists the help of Scarboro to coach the inmates to victory in a football game “fixed” to turn out quite another way.

Robots (PG)
Set on a world populated entirely by robots, this is the story of a young genius, Rodney (Ewan McGregor), who wants to make robots capable of making the world a better place, but he finds his dream challenged by a corporate tyrant and a master inventor, Big Weld (Mel Brooks), while also being seduced by a sexy corporate robot, Cappy (Hailie Berry).

Lynn vs Saint Leo

The Lynn University volleyball team battled its way to a 3-2 victory over Saint Leo on Saturday at the deHoernle Center in its opening Sunshine State Conference match. The Fighting Knights (5-3, 1-0) won the first game 30-24 before Saint Leo (3-8, 1-1) took game two 30-25. Fighting back, the Knights were victorious 30-22 in the third set as the Lions evened up the match in the fourth game with a 30-25 win. Both teams battled point-for-point, before the Knights closed out the conference win 17-15.

Senior Theresa Daniels led all players with 18 kills as she had a career-high 21 kills and a career-high 12 digs, for her second consecutive double-double. Lyngse also had a career-high five blocks in the winning effort. “We played very well today and showed a lot of heart. This was our fourth game in six days, and we came to battle today as we fought hard on every point. Our strength and mental focus proved to be the key as we pulled through in the end,” Lyngse said.

For the sixth time this season, senior Theresa Daniels put up a team-best kill total, finishing with 23 today. In her fifth double-double performance of the year and third consecutive, Daniels had 17 digs. Also, putting together a career-day, junior Larissa Witherspoon collected a career-best 22 digs, leading the team’s defensive efforts in the back row. As the Knights general on the floor, as Brenda Ortiz knocked down 15 kills and recorded a game-high 200 in 2001 against Nova Southeastern.

Lynn vs PR-Mayaguez

The Lynn University volleyball team put together a come-from-behind rally to overpower Puerto Rico-Mayaguez this afternoon with a 3-2 victory. The Fighting Knights (6-3) had a record-breaking match as they remain undefeated at home this season, with a 3-0 record in the deHoernle Center. Losing the first game 28-30, the Knights tied up the match in the second set with a 30-28 victory. Regaining the lead, the Junes took game three with a 30-27 win, before the Knights took the final two games 30-26 and 15-6. Playing a solid defensive game at the net, the Knights knocked down 18 total team blocks, breaking the previous record of 12 set in 2001 against Nova Southeastern.

Offensively, the Knights saw an impressive performance from freshman Erin Lyngse as she had a career-high 21 kills and a career-high 12 digs, for her second consecutive double-double. Lyngse also had a career-high five blocks in the winning effort. “We played very well today and showed a lot of heart. This was our fourth game in six days, and we came to battle today as we fought hard on every point. Our strength and mental focus proved to be the key as we pulled through in the end,” Lyngse said.

For the sixth time this season, senior Theresa Daniels put up a team-best kill total, finishing with 23 today. In her fifth double-double performance of the year and third consecutive, Daniels had 17 digs. Also, putting together a career-day, junior Larissa Witherspoon collected a career-best 22 digs, leading the team’s defensive efforts in the back row. As the Knights general on the floor, as Brenda Ortiz knocked down 15 kills and recorded a game-high 200 in 2001 against Nova Southeastern.

The Knights return to the hardwood next Friday, September 23 as they battle with Sunshine State Conference foe Eckerd. Lynn will look to remain unbeaten in the friendly confines of the deHoernle Center, as the match is set to begin at 7 pm.
Question of the Day
What do you look for in a guy/girl?

- "Blonde hair and green eyes."
  - Nick Brown, Senior

- "Have to be funny, good looking and tall dark and handsome."
  - India Paull, Sophomore

  - Mark Bray, Senior

- "Have to be funny, good looking and tall dark and handsome."
  - Brett Glastman, Junior

- "Personality and humor."
  - Ashley Pasqualine, Junior

- "Personality and someone that takes care of themselves."
  - Joe Ferioli, Senior

World Traveler
Antonio Dotoli
By Mara Shames

Antonio Dotoli is a 22-year-old Junior from Naples, Italy. Part of Antonio's family resides in Naples, and part of his family lives in South Africa.

The Lynn University study tour to South Africa was fortunate enough to spend some time visiting one of Antonio's family's olive oil factories, which is called Vescio Estates.

While the study tour was visiting with Antonio's family, Antonio was in Ibiza. He stayed there for 10 days with his cousins and experienced what most consider some of the most amazing nightlife in Europe.

After returning, Antonio embarked on a road trip traveling around Europe.

On his journey he visited Como, Luxemburg, Berlin, Amsterdam and many other cities.

Antonio spent the last two weeks of his vacation relaxing on the Amalfi Coast and on the island of Capri.

Many dream of taking vacations to these exotic places, and Antonio is one of those lucky enough to visit these places, and to even call some of them "home."

Cribs & Whips
Lynn's Hottest
By Vicky Posner

Featured in this week's Cribs and Whips are Stephanie Levine's and your weekly writer of "Cribs & Whips" herself, Vicky Posner's, apartment located in the beautiful Citation Club Apartment Complex in Delray Beach, Florida.

Vicky and Stephanie have been friends since their Freshman year at Lynn three years ago, and moved in together for their final year together at Lynn University.

The hot car this week is a Lexus RX300 rollin' on dubs (a.k.a. on 20-inch rims).

Be sure to read the iPulse next Wednesday for another edition of Cribs & Whips.*
Players Play On
New Intramural Sports Program
By: Mauricio Botero

Campus players now have an opportunity to show their stuff at lacrosse, soccer, ice hockey, flag football and golf on an intramural level.

Under the coordination of Roszi Zavlodaver, the Club and Intramural Sports program gives students who aren't part of a varsity team the chance to compete and enjoy themselves.

The requirements to join the program: have fun, a positive attitude and a smile.

Lynn University freshman Christie Schade hopes to help keep the volleyball team’s confidence high as they embark on a two-game homestand with Sunshine State Conference rivals Eckerd and Tampa this weekend. The Fighting Knights (6-3, 1-0) battled out two five-game matches this weekend to remain unbeaten on their home court with wins over Saint Leo and Puerto Rico-Mayaguez. Leading the team's defensive efforts, Schade has started all nine matches for the Knights as the libero.

"I believe that my job as the libero is not only to lead the defensive, but it’s also to be the gel that keeps the team together on every point," Schade said. "Because I’m on the back row, every time I have the chance to dig a ball or make a pass on the defensive end, it leads into a chance for our offense to do something big."

Leading the team with 155 total digs and 4.7 digs per game, Schade has also positioned herself in the Sunshine State Conference leader board, placing third in the league. Along with Schade, seniors Theresa Daniels and Jessica Woody, junior Larissa Witherspoon and freshman Erin Lyonsse all have etched their name in the top of the SSC.

After the Tritons visit to Boca Raton, the Knights will host Tampa, the seventh-ranked program in the country. The Spartans were preseason picked to finish second in the SSC with four first place votes as they have jumped out to an impressive 11-2 start. The Knights are in search of their first-ever victory in a conference match. We are ready for the high-level of competition that awaits us and I want to contribute both as a player and leader all weekend."

With the victory against Saint Leo, Lynn opened up its conference portion of its schedule for the first time on the winning side. With a 3-0 record at home this season, the Knights have their best home record in program history as they look to push to 5-0 this weekend. Not an easy task, Lynn will begin their quest against Eckerd at 7 p.m. on Friday as the Tritons have jumped out to a stellar start of the season at 8-4 overall and 2-1 in league action. Eckerd leads the conference in defense as they have held their opponents to a league-low .148 hitting percentage and have knocked down a league-high 2.92 blocks per game. This will be the 17th all-time meeting between the Tritons and the Knights as Eckerd holds an 11-5 advantage.

Shade Casts Shadow Over Opponents
Defense Leader Hopes to Keep Volleyball Team’s Confidence High

"We have all come together and tried to stay focused through a very tough week last week, playing four matches in six days. These two matches this weekend are against some of the toughest competition in the conference and the country which make them very important because we’ve been working so hard day in and day out," Schade said.

Daniels, the Knights leading offensive player, has knocked down 152 total kills through nine matches this season with an SSC high 4.61 kills per game. Close behind Daniels in the kills leader board, Witherspoon totals 135 and 3.68 per game thus far this season in the third spot in the league, as Lyonsse sits in the sixth hole with 3.44 kills per game collecting 117 all together.

Generating the bulk of the Knights’ offense, Woody leads the SSC in assists per game with 12.79. The setter from McDonald, Tenn. has dished up 435 total assists in 34 games.

"Being a freshman, I’ve never played against either one of these teams so the intimidation factor is nonexistent for me," Schade said. "This is a whole new season and we all have new, fresh attitudes every single match. We are ready for the high-level of competition that awaits us and I want to contribute both as a player and leader all weekend."

Director Bryan Singer's labyrinthine crime drama centers on five career criminals played by Gabriel Byrne, Kevin Spacey, Benicio Del Toro, Kevin Pollak, and Stephen Baldwin who meet after being rounded up for a standard police line-up. Upon their release, the men band together to pull off an intricate heist involving $3 million worth of emeralds. Their success brings them to the attention of the enigmatic Keyser Soze, an unseen, nefarious, and mythic underworld figure who coerces them into pulling off an important and highly dangerous job.

The scenes that follow make "The Usual Suspects" one of the most fascinating crime thrillers in cinema history.

A Student Welcomes Lynn's Beneficial Changes
By Kevin M. Ross

Welcome to our new students, and welcome back returning students from what we hope was a wonderful summer break. For those of you returning, it will be great to see you again, both in our classes and around campus. For our new students, I eagerly looking forward to a successful year here at Lynn University.

As you begin this academic year, you're likely to see some new faces, some old ones, some new changes and some renovations. For those of you new to the Lynn family, I welcome you to your new "home away from home," where you'll make new friends and many great memories. Things may seem a bit overwhelming right now, but soon, you will feel at ease as Lynn becomes your new home. Throughout the recent months, our campus has changed into a place that better serves you and our faculty. You will find that some of your professors have moved their offices to a more centralized location for your convenience and accessibility. The residence centers are experiencing some changes of their own, in renovations, technology, going wireless in many areas, as well as study lounges and academic buildings. You will also find many new opportunities in a familiar environment. Living and learning will be an integral part of your new experience on campus with the addition of classrooms located in the residence halls. For the sports fans, the new intramural ball fields are ready for play, not to mention the additional bleachers in the de Hoernle Sports and Cultural Center that have doubled seating capacity in the gym, allowing the opportunity for NCAA regional and national events here on campus. Sure to be one of your favorite hangouts is the new "Christine's" - a Starbucks style coffeehouse offering a new dining choice for students, faculty and staff. Lastly, we invite you to make Lynn your place to live, learn and interact. Classes are in session, the residence halls are open, our teams are playing and the dining halls are serving all meals. I encourage you to be an active participant in campus life. I eagerly anticipate seeing you around campus, and also hearing about your new accomplishments and joys over the months ahead. Please come up, introduce yourself, ask a question, share an anecdote, or just say hello.

Most importantly, I wish you a rewarding and productive year at Lynn University - your community to live, learn and interact as you engage in your academic studies, develop meaningful relationships, and make lasting memories.

Cordially,

Kevin M. Ross
Chief Operating Officer

The Student Activities Fair had a great turnout yesterday, showcasing many of Lynn's clubs and organizations. Here are what a few of the clubs at Lynn offer:

Tri Sigma, the only sorority on campus, offers lifelong sisterhood and friendship, holds many events on campus, and does volunteer work for the community. Some activities that Tri Sigma participates in are breast cancer drives, clothing drives and the Golden Book drive for the hospital. Tri Sigma is also the only sorority in the nation that participates in the Robby Paige Memorial Fundraiser for hospitalized children.

Tri Sigma is a club to join if you are interested in having fun and helping others at the same time. If you are in to psychology, then the Psi Chi club may be right for you. Psi Chi is the National Honor Society in Psychology, which promotes excellence in scholarships and advancing in the science of psychology.

The International Affairs Society is a great club to join if you are interested in different cultures. The first meeting for this club is today. This club is for those who want to experience something new. These are just three of the extensive clubs and organizations offered here at Lynn University. There are many other clubs to join. For more information about the clubs that Lynn has to offer, contact Jennifer, John, and Margaux at the Office of Student Activities, located in the Knights' Court on the second floor of the Student Center.
Lynn University’s men’s soccer team made its triumphant return to the top of the polls, earning a no. 1 ranking by the National Soccer Coaches Association of America on Tuesday afternoon.

The Fighting Knights have already defeated two ranked opponents and one NCAA Division I school in starting 5-0 for the 12th time in program history.

Lynn University was last ranked no. 1 on September 7, 2004 after starting the season 2-0.

“This is nice honor for our program and is something that our school should be very proud of,” said head coach Shaun Pendleton.

“We started the season ranked in the mid-20s and have worked our way to no. 1 after playing a very difficult schedule, so this is just another milestone for our team.

Now we just need to maintain our position until the end of the year. It’s an honor to be ranked no. 1 in the country and it just shows how hard the team and the coaching staff have worked.”

The Knights travel to Lakeland, Fla. Saturday, September 24 to play Florida Southern College at 7 p.m. in the team’s first road trip.

Fans can follow along live by logging on to www.lynn.edu/athletics and clicking on “live audio.”

Lynn University senior James Cage has been selected as a Street & Smith’s 2005-2006 College Basketball NCAA Division II Pre-Season All-American for the upcoming season, being listed among the honorable mention team.

Cage, a 2004-2005 Second Team All-Sunshine State Conference and Second Team NABC All-South Region honoree is the Fighting Knights leading returning scorer from the squad that earned a bid to the NCAA Division II Elite Eight a season ago.

Cage becomes the first player in Lynn history to receive this highest pre-season honor.

“James obviously had a great junior year as he put up some fantastic numbers for us while his game really grew and developed as the year went on. This is a great honor for him and our entire program,” McMillin said.

“If he comes into this season with the attitude that he needs to continue improving, he has the chance to have a very special senior year.”

Transferring to Lynn last year from South Georgia Tech, Cage quickly became a fixture in the SSC leader boards, finishing in the top-tea of five offensive and defensive statistical categories.

The Antioch, Tenn. native led the squad in scoring with 14.1 points per outing last year as he scored 15-plus points 15 different times and posted a team-best point total in 14 games.

During the Knights run in the NCAA Tournament, Cage knocked down 11.2 points per contest, while dishing out 2.8 assists.

The Knights posted a program-best 29-6 overall record while finishing 13-3 in the SSC, capturing their first-ever regular season conference championship and tournament titles.

Lynn opens this season at home on Nov. 15 against Palm Beach Atlantic.

A promising start to the Lynn University women’s soccer season hit a minor detour with an 0-4 road trip over the last two weekends.

However, the Knights snapped that four-game losing streak yesterday afternoon when they won their game against St. Thomas 6-2.

The Blue and White follow up with their SSC season opener on Friday, September 24 at 7 pm when they travel to Florida Southern.

“The team is frustrated but they can’t wait to get back on the field and play,” said head coach Rocky Orezzoli.

“They are looking forward to the chance to straighten things out and get back on the winning track.”

St. Thomas (1-4-0) will be looking for their first victory against the Fighting Knights, as LU holds a 17-0 all-time record against the Bobcats.

Last season, the Blue and White squeaked out a 2-1 opening day victory as Michelle Hoogveld recorded her first career multi-goal game.

STU’s offense has generated only eight goals while conceding 19.

“St. Thomas is a hard-working team that has played us very tight the last couple of meetings,” Orezzoli said.

“We’ve struggled as of late, so we need a good game against them before we open our conference schedule. But they’re a team that cannot be overlooked.”

Florida Southern (2-3-2, 0-1-0) hosts Palm Beach Atlantic before its match with the Knights. The Moccasins dropped its SSC opener to Eckerd College last Tuesday.

LU holds a 5-1-2 all-mark against FSC but dropped its last game played in Lakeland 1-0 in 2003.

Halie Clark leads the Mocs in scoring with six goals and 13 points while Kim Fish and Sarah Manville have shared duties in the net, posting a 1.74 goals-against average with 38 saves.

“We’ve had a tough time playing at Florida Southern the last couple of years as there has been a number of tight games,” said Orezzoli.

“We need to make sure we take care of our chances and make sure we’re sharp defensively. It’s our first conference match so it’s important to start off right.”

Lynn opens this season at home on Nov. 15 against Palm Beach Atlantic.
This controversially erotic film from New Zealand established screenwriter-director Jane Campion as a universally recognized talent. Holly Hunter stars as Ada, a mute 19th-century woman sent to New Zealand in an arranged marriage with a patriarchal landowner (Sam Neill). She brings along her daughter, Flora (Anna Paquin), and tries to also bring her beloved piano, much to Ada’s delight. Flora, of course, gets along famously with the piano on a beach.

Ada is inexperienced in matters of passion. In the beginning, Ada’s husband, who abandons her, buys it from her husband, then buys it from her husband, and goes to boarding school with her. The piano strikes a strange chord with Ada that gradually leads to her sexual awakening—and to an explosive confrontation.

Chip Fey has really blossomed in the field of hospitality in his new career at the Four Seasons Resort Palm Beach since graduating Lynn with a Bachelor of Hospitality Management in February 2005. Chip was hired by The Four Seasons Seasons, a world leader in luxury hotels, in February 2004. Chip was a frequent visitor to the Hannifan Center for Career Development and Internships prior to his graduation, and wants to serve as a mentor for students in the Hospitality program. Students interested in communicating with Chip should contact Kim Catalina, Career Advisor, at kcat@lynn.edu.

Chip Fey says, "Do what you enjoy, what makes you happy. Get into a position that you see as being fun. Get experience, do an internship." Frank Campo, Front Desk Manager at the Four Seasons, a world leader in luxury hotels, in February 2005 as Front Desk Receptionist. As a Front Desk Receptionist, Chip is responsible for customer service for incoming and current guests at the front of the hotel in a high volume work environment. Chip’s internships through Lynn at the Marriott Boca Raton and the Denali Bluffs Hotel in Alaska, combined, have given him lifelong world travel experiences throughout Europe, Australia, and North America gave Chip the experience he needed to begin his career. "I enjoy the people I work with. The coolest thing about this job is to work for the Four Seasons; it’s the best hotel company," said Chip.

Fashion Files

This week in fashion the stars are proving the quote "Simplicity is more" to be true by strutting their stuff on the red carpet at the 2005 Emmy Awards and wearing black and white.

Sometimes it isn’t the color of the dress that matters, but how you wear it. Always make sure the cut is appropriate for your figure. Simplicity can create an image of elegance and style.*

Nasser graduated from the academy and became a Second Lieutenant in the Jordanian army. He spent over a year in the army and served during the war in Iraq. Nasser was stationed on the Jordanian-Iraqi border and provided humanitarian aid to Iraqi refugees.

Nasser says that he learned during this time first hand how horrifying war is. As a result of Nasser’s outstanding behavior, he was given academic leave.*

Question of the Day

If you could be an animal, what would you be?

"A bear, so I could sleep all day."
- Sebashe Zorlo, Junior

"My dog, because he is so spoiled."
-Brittan Bialowas, Senior

"A lion, because I am aggressive and loud."
-Chrissy Campore, Senior

"A bird; it would make you feel free."
-Ana Cristina Vivanco, Junior

"Cheetah, because they run fast."
-Tiffany Fearon, Junior

"Bird, just 'cause."
-Peter Kirschner, Freshman

With his lifelong world travel experiences throughout Europe, Australia, and North America, Chip has seen many cultures and has been able to combine his academic and practical experience to provide excellent service to customers. Chip’s advice to upcoming Lynn hospitality students is, "Do what you enjoy, what makes you happy. Get into a position that you see as being fun. Get experience, do an internship."
Cheerful Tryouts
Cheerleaders Try Out for '05 Team
By: Beth Gutman and Michael Jacobs

The 2005 Lynn University cheerleading team held tryouts this past Saturday, and it seems that there is definite talent in store for this year's team.

There were 15 different girls who were going out for the team this year, and each of them brought something different to the table.

The girls all worked in groups of three, where they had to do a couple of different dance moves, stunts, and gymnastics.

Some of the stunts that the girls had to do were the toe touch, the hurky, and other types of gymnastics.

The four coaches all served as judges, and at the end of the tryouts they got together and deliberated on who was going to make the team this year.

Coach Brooke spoke on behalf of the judges and said, “We’re looking forward to starting a new successful season. The goals for the team are very high this year and we think this year’s squad is one of the best we have had in years.”

The cheerleaders will be performing all of the dance moves and performances at the half time shows at all of the basketball games this year.

Lynn University’s women’s soccer team set the tone early by scoring three goals in the opening seven minutes of play en route to downing St. Thomas by the score of 6-2 on Wednesday afternoon.

Molly Anderson (N. Lauderdale, Fla.), Bridget Penta and Adrienne Peterson led the offensive attack with a goal and an assist each as the Fighting Knights improved to 18-0 all-time against the Bobcats.

LU snaps a four-game losing streak to the top center of the Bobcats box. Anderson tipped the ball past Bobcats keeper Christiane Lessa for the goal.

The senior defender fired a shot to the top right of the net for her first goal.

The Knights added two more goals in the 20th and 21st minutes, when Rachel Andreozzi dribbled the ball from mid-field to the top of the box, unchallenged and found an open gap in the St. Thomas Box. The senior defender fired a shot to the top right of the net for her first goal.

Freshman Courtney O’Connell found herself in the right place at the right time a minute later when Britany Kompare’s shot deflected off the hands of Lessa and rolled parallel to the goal line. O’Connell tapped in the easy goal to make it 5-0 going into the half.

St. Thomas stepped up its game in the second half, putting constant pressure on the LU defense. That pressure paid off in the 81st minute when Barbie Bermeo forced a bad pass from the back line and scored on a one-on-one with keeper Jenn Shropshire.

A minute and a half later, Erin Evans sent a cross from the top-right of the box, into the center of net where Penta beat her defender and headed in the cross to the inside of the far post for her first goal of the season.

The Knights added two more goals in the 20th and 21st minutes, when Rachel Andreozzi dribbled the ball from mid-field to the top of the box, unchallenged and found an open gap in the St. Thomas Box. The senior defender fired a shot to the top right of the net for her first goal.

The oddest goal of the season came as time was winding down in the game. Kompare collected a pass from Andreozzi in the middle of the Knights zone. The junior midfielder attempted to clear the ball but had her shot blocked off of Bermeo’s back. The ball ricocheted into the air, got caught by a gust of wind and floated over Shropshire’s head for the Bobcat’s second goal of the game.

Kelly Friedrich recorded one save and did not allow a goal in the first half while Christiane Lessa notched 14 saves in the losing effort. The Knights outshot the Bobcats 27-5.

Four different Knights’ players recorded their first goals of the season.

LU returns to action Saturday, September 24 at 2pm when it travels to play Florida Southern in its Sunshine State Conference opener. As always, follow along with the action live by logging on to www.lynn.edu/athletics and clicking on the “live audio” link.

Channel 77 Movie of the Day
Potemkin (NR)
Director: S. Eisenstein
USSR, 1925
Sergei Eisenstein’s film of the famed Odessa revolt has been one of the landmarks of cinema since its release. It was commissioned by the government to commemorate the failed uprising of 1905. The Battleship Potemkin has just returned from the war with Japan, its crew near mutiny because of brutal treatment and bad rations. When they’re served maggot-infested meat one morning, the sailors finally rebel. One of the sailors, Vasily Golovach (Aleksandr Antonov), dissuades the officer from firing upon the mutineers, and they join the rest of the crew in revolt.

Hearing of the mutiny, the people of Odessa send supplies to express their solidarity with the crew and gather in masse to mouth a slain sailor. The czar’s troops arrive to disrupt the crowd. In perhaps the most famous sequence in film history, the director rhythmically intercuts shots of the troops marching machine-like down the Odessa steps with shots of innocent citizens being killed and wounded, in a brilliant embodiment of the director’s theories of montage.

Aside from "Citizen Kane," perhaps the most perfectly constructed film ever made, the film’s vision of tyranny and rebellion remain as powerful today as in 1925.

---

The Lynn University Fighting Knight's men's tennis team competed second round Division II Wilson/ITA Southeast Region Championships.

Junior Dennis Riegraf came up with 4 seed Carlos Custodio 6-2, 6-2, in son/ITA Southeast Region Championships.

Compton is a three game match Tech in the quarterfinals.

MensandWomerfr. Temis Teams= South Knight's men's tennis team competed second round Division II Wil.

Saturday to face Giel from Florida Coast's Gutierrez in a three game match-up.

In doubles action, Weltz teamed with senior Dragana Ilic in the semifinals this morning as the No. 1 seeded team fell short to third-seed

Weltz will now represent the Fighting Knights at the ITA National Small College Championships, hosted by Florida Gulf Coast in Ft. Myers on October 13-16. *

Weitz, the 2004 defending ITA Southeast Regional Champion, defended her title this weekend with her second-straight championship as she knocked off two higher seeded players on the way including No. 1 seed Ildiko Csordas from Barry.

"Vici played extremely well all weekend long and she battled her way through some very difficult games," head coach Mike Perez said.

"Her level of intensity is very impressive for being so young, but she'd been here before and she finished on top again."

In doubles action, Weltz teamed with senior Dragana Ilic in the semifinals this morning as the No. 1 seeded team fell short to third-seeded Marija Mahler and Tasi Purcell from Rollins by the score of 8-5.

In men's action, junior Dennis Riegraf battled against No. 2 seed Sebastian Niedermayer from Eckerd as he lost in the semifinals by the score of 6-1, 6-2.

Senior Jan Macko and junior Regnier Azevedo teamed up as the fourth seed in the tournament, as they ended their weekend with an 8-5 loss to No. 1 seed Hipp and Jensen from Barry.

Weltz will now represent the Fighting Knights at the ITA National Small College Championships, hosted by Florida Gulf Coast in Ft. Myers on October 13-16. *

Lynn University's offensive was ini-
thal Friday as the Fighting Knights had three players record 20-plus kills as they edged Eckerd College in a Sunshine State Conference thriller by the score of 3-2.

Lynn came back with the advantage after a 30-19 game three victory and finished off the match behind an explosive offensive attack, downing Eckerd 15-12 in the deciding game.

"This is our third straight five-game victory and I think it really shows the heart we have as a team to battle to the very end," head coach Ginny Kelly said. "We are showing signs of maturity and patience and that is great to see just 10 games into the year."

For the fifth time this season, senior Theresa Daniels had a game-high 27 kills, and collected a career-high 21 digs for her team-leading sixth double-double of the season and fourth consecutive double-double performance.

Behind Daniels, freshman Erin Lynphase knocked down a career-high 24 kills by putting together a .39 hitting percentage. Junior Larissa Witherspoon recorded 23 kills and 21 digs for her fifth double-double of the season.

Freshman Erin Lynge knocked down double-digit kills for the ninth-straight match finishing with 11 this afternoon. Leading the Knights offensive, senior Jessica Woodyy dashed up 49 assists while digging eight balls in the back row.

Junior Melissa Roberts collected 15 digs on the defensive side, and junior Carissa Erath put down a career-high seven kills in the losing effort.

The Knights return to action on September 28 as they travel down I-95, tangling with SSC foe Nova Southerners. This will mark the first conference road match of the season for the Knights as game time is schedule for 7 p.m. in Ft. Lauderdale.*

Assisting on the stellar offensive performance of the entire Lynn team, senior Jessica Woodyy dashed up a career-high 76 assists, while also digging out 14 balls on the defensive end. As the Knights' general on the court, Woodyy put together her fourth double-double of the season.

Getting her first career start as libero for the Knights, junior Melissa Roberts collected 16 digs in the back row in the winning effort. Also starting in her first match up front, junior Carissa Erath put down five kills and sent back four blocks over the net.*

Channel 77 Movie of the Day
The Hours (PG-13)
Director: Stephen Daldry
USA, 2002, 114 min

This is a story based on the Pulitzer Prize-winning novel by Michael Cunningham, which focuses on the author Virginia Woolf and her struggle to write her famous novel, Mrs. Dalloway. As the story unfolds we see Woolf (Kidman) battling with depression, and we are introduced to two other women. Moore plays a woman who can't deal with her role as a housewife/mother in 1949. Streep plays a present day woman who is throwing a party for a friend (Harris) who's dying of AIDS.

Players Pooled Together for Pool Contest
Annual Pool Tournament Was a Success
By David Hunter

Ille Curteay, a senior at Lynn and a three time tournament winner, says that he "likes the new red felted table." When asked how he felt about the game, he said, "Today is going to be a fun time, and I am here for the fourth stick."

Elysia Sutherland is a Lynn Junior from Houston, Texas, whose family experienced the effects of Hurricane Rita first-hand. Sutherland's family evacuated upon hearing Rita gained hurricane strength. The family traveled inland to Washington County, typically a one-hour drive. However, due to the mass evacuation, it took 13 hours of gridlock traffic to reach their destination. This evacuation was a success, but it was terrifying seeing what her family had to endure during the hurricane. Sutherland is thankful that Rita missed her hometown. Be sure to catch next week's Hot Crib.

Hurricane Rita
One Student's Experience
By Mira Shanes

Brett Glattman is a Lynn student who is always looking "big time" in his new Audi A6. Glattman can be found riding around with his friends Darren, Scotty, Michael or John at all the hot spots in South Florida.

Brett Glattman's new apartment is featured as this week's Hot Crib.

This crib is located in the beautiful gated community Citation Club, where he lives with Scott Robinson. He claims there is "never a dull moment at the apartment."

Be sure to catch next Wednesday's edition of the Pulse for more Cribs & Whips.

Crib & Whips
Lynn's Hottest
By Vicky Posner

Molly McGee is livin' it up in style her senior year at Lynn University with her hot black Mercedes. She loves riding in the Benz to all the hot spots in Ft. Lauderdale and Miami.
Lynn University junior Carissa Erath is focused on the volleyball team rising to the top. After earning a spot in the starting lineup at the middle blocking position last week, Erath knocked down a career-high seven kills against No. 7 Tampa on Saturday afternoon.

Heading into this week, Lynn needs just one more victory to match its season total from a year ago as the Knights (7-4, 2-1) travel to Nova Southeastern on Wednesday before hosting No. 20 Barry on Thursday night in two Sunshine State Conference matchups.

"I'm excited about this upcoming week because we are right where we want to be as a team at point in the season," Erath said. "We've been working so hard day in and day out at practice and we're now seeing it pay off in our matches."

Transferring to Lynn this season after a two-year playing career at Palm Beach Community College, Erath came off the bench in the Knights first nine games.

Erath had a break-through performance against Puerto Rico-Mayaguez with a team-high seven blocks, leaving an impression on the coaching staff.

"Carissa has really dedicated herself to improving each day she walks into the gym," assistant coach Neil Mayo said. "She has focused in on working on her blocking skills because as we all know, defense is the key to winning."

The Knights will battle Nova Southeastern in the first match of a two-game season series. This will be the 18th meeting between the two squads, with the Knights leading.

Senior setter set a career-high with 76 assists in five-game victory over Eckerd while also notching 14 digs for her fourth double-double of the season. Woody was also able to knock down four kills and three service aces against the Titans. Against seventh-ranked Tampa, the McDonald, Tenn., native led the team with 49 assists while also collecting eight digs.

Woodby averaged 13.89 assists per game for the week and is now averaging a team and Sunshine State Conference high 13.02 per game. She also became the programs all-time assists leader with 1,555, passing Erica Hardy (1,481) against Tampa on Sept. 24.

Senior forward scored two goals in 4-2 victory against Florida Southern.

The multi-goal game was his first as a Knight and gave him three goals and eight points, both third on the team.

Rubber Bowl
Students Learn about STDs
By Michael Jacobs

Lynn University and the Knight Activity Team held the first ever “Rubber Bowl” last Thursday night in the cafeteria.

Over 100 students attended this event.

The “Rubber Bowl” was constructed as a sexual awareness game similar to Jeopardy.

There were three main categories for the students to choose questions from:
- Sexual Transmitted Diseases
- Contraceptives and Anatomy
- Impromptu Comedy

Each of the categories of the game were broken down into various questions that ranged in point value according to difficulty.

Students worked together on teams to answer the questions. The teams competed for prizes and dozens of free condoms.

As the difficulty of the questions increased, the amount of condoms and prizes awarded increased.

Students attended this free event to learn both the facts and misconceptions about Sexually Transmitted Diseases.

It is estimated that somewhere between 20 and 25 percent of college students are or have been infected with an STD.

For more information regarding Sexually Transmitted Diseases or any other health concerns please stop by the Health Center located next to the Residence Life office.

The Student Health Center is open from 8:00 am – 8:00 pm Monday – Friday.

Question of the Day

Who would you want to play you in a movie?

“Angelina Joli.” - Natalie Wolfert, Freshman

“Natalie Portman.” - Brittany Soule, Senior

“Michael Douglas.” - Raffen Cresid, Junior

“Jabirr Abbar.” - crayman, Sophomore

“Paul Walker.” - Kyle Robert, Senior

“Reese Witherspoon.” - Jayme Stacey, Senior

Open Mic Night

Peers Play and Perform
By Patricia Andrews

Lynn hosted its first Open Mic Night of the year on Monday that involved everything from solo acts to impromptu comedy.

Coordinator of Student Activities John Valentine called this event “a pleasant surprise.”

Open Mic Night is organized by Valentine’s office and has had a small following since it was started last semester.

This year proved to surpass all expectations of student involvement, performance and attendance.

There was not an empty seat at the event held on the patio of Christine’s, and there were students ranging from freshmen to seniors crammed in for the show.

Although Open Mic Night was not limited to musical performances, this first night set a trend that will focus on students expressing their musical taste and talents to their peers in a relaxed and easygoing atmosphere.

Students who missed this opportunity to either perform or simply enjoy the first Open Mic Night need not fret.

Open Mic Night will be happening every last Monday of the month on the Christine’s Patio at 7:00 pm. Get there early to snag a good spot.
Senior court game, compared to his very versatile role. "He some very tough games last year and was able to make big plays. If James comes in with the attitude that he needs to continue improving, he has the chance to have a very special senior year." Senior Marcus Hayes returns for the Blue and White as he will try to focus more on his front court game, compared to his very versatile role last year.

After taking the Fighting Knights to the NCAA Division II Elite Eight in just his second year at the helm of the Lynn University men's basketball program last season, head coach Scott McMillin is excited about the challenge that awaits his team in 2005-2006. Finishing with a 29-6 overall record, the Knights captured their first-ever Sunshine State Conference regular season and tournament titles in arguably their finest season since joining the NCAA in 1996-1997. Chasing history all season long, Lynn continued to roll through the NCAA Division II South Region Tournament, clinching the bid to play in the national spotlight at the Elite Eight in Grand Forks, N.D.

McMillin molded the Knights into the total package as they averaged over 75 points per contest with a 13.8 scoring margin against opponents while holding their opponents to 60 points or less a record-breaking 14 different times. Ending the season in the national semifinals, the Knights 29-game win total was highest in program history.

"Our expectations going into every year are high, but this year we need to take advantage of our previous success and continue building this program so that every year we are competing at a national level," McMillin, the 2005 SSC and South Region Coach of the Year, said. "Sometimes keeping the program at a high level is tougher than getting it there."

Street & Smith's 2005-06 NCAA Division II Pre-Season Honorable Mention All-America guard James Cage quickly became a fixture on the SSC offensive and defensive leader boards in his first season with Lynn last year. Cage returns for his second and final season in the senior spotlight at the Elite Eight in Grand Forks, N.D.

"James obviously had a great junior year and as his game really grew and developed throughout the season, he put up some fantastic numbers for us," McMillin said.

"He is a battle-tested player who fought through some very tough games last year and was able to make big plays. If James comes in with the attitude that he needs to continue improving, he has the chance to have a very special senior year." Senior Marcus Hayes returns for the Blue and White as he will try to focus more on his front court game, compared to his very versatile role last year.

Hayes was the only player to start all 35 games last season, and was voted as the Knights' Most Valuable Player. "This will be Marcus' third year with me and he fully understands what is expected of him. We are looking for him to improve his production, while continuing to be a strong leader," McMillin said.

"He's an unbelievable hard worker and is a tenacious defender on and off the ball. This could be a special year for him not only on the court but in the way he helps the new players make the transition to our program."

Joining Hayes in the front court, forwards Sheldon Edwards and Chris Temple will round out the senior class. "Sheldon's main focus this season should be to build upon the success he had late last year," McMillin said.

If his confidence continues to improve, he has the potential to be a very productive player day in and day out for us." "Chris is a player that over the past year that has grown as a person on the court and academically. He's gained a lot of strength over the last year, which will help his overall game," McMillin said.

"His commitment to defense is impressive, and going into this year he could become one of the best post-players in the conference."

Stepping up as a redshirt freshman last year, forward Hans Schur returns for his sophomore campaign after picking up vital minutes on the hardwood a season ago. "It has been very exciting to watch Hans' game grow and develop. He was very productive for us as he made a huge jump from his redshirt season to last year," McMillin said.

"We are looking for him to do bigger and better things this year and to be a major factor for us throughout this season."

At the guard position, the Knights boost their backcourt with some tough opponents to prepare themselves for the SSC portion of the season. Tuning up against Division I opponent Bethune-Cookman in an exhibition game on Nov. 4, the Knights will match up with four Division II opponents in the first month of action.

The Knights will open up SSC play with rival Barry on Dec. 10 on their home court. "Playing in the Sunshine State Conference, we know that every game is going to be a battle to the very last minutes. This is why we like to play a very tough non-conference schedule to prepare ourselves," McMillin said.

"We're all extremely excited about the challenge that awaits us and we hope to continue to move this program to the top."
Learning in London

Mcsweeney Travels to England, Visits Ad Agencies
By Marc Shanes

Megan McSweeney is a 20-year-old junior from Cazenovia, New York. McSweeney is majoring in Journalism and Mass Communication with a specialization in Advertising and Public Relations. This summer she had the privilege of traveling to London, England with her mother and sister. McSweeney was unable to participate in the study abroad trip to London with Lynn University so she embarked on her own learning adventure. Not only was McSweeney able to go sightseeing and enjoy exploring the city of London, she was able to visit Maxim Magazine. McSweeney also visited a few advertising agencies and was able to talk to some of the executive directors. Her favorite parts of the trip were the fine cuisine in the restaurants and the incredible nightlife. McSweeney hopes to travel to London again next summer with the Study Abroad program at Lynn and with some of her close friends who share the same interests in Advertising and Public Relations.

Math Contest Solution

Scholars-in-Residence Program Begins
Sherri B—held a contest in the iPulse to see who could solve the following math problem. The winner was so-and-so and received a cash prize.

PROBLEM:
Two rooms are connected by a hallway that has a bend in it so that it is impossible to see one room while standing in the other. One of the rooms has three light switches. You are told that exactly one of the switches turns on a light in the other room, and the other two are not connected to any lights. What is the fewest number of times you would have to walk to the other room to figure out which switch turns on the light?

SOLUTION:
At first glance this problem seems impossible. When you walk into the other room, you will see one of two possibilities. Either the light is on, or the light is off. Two possible outcomes can’t resolve three possible situations! In order to solve the problem, we must find more information. The key to this problem is that real lights become hot after an extended period of time. Furthermore, once hot, they take a long time to cool down. So you can obtain extra information by turning on one of the switches, waiting ten minutes, and then turning off the switch.

Turn on switch #1. Wait 10 minutes. Turn off switch #1. Now turn on switch #2 and quickly go into the other room and put your hand on the light. There are now three possible outcomes.

Outcome | Lucky Switch
--- | ---
Light is on | #2
Light is off & cold | #3
Light is off & warm | #1

Question of the Day

What’s your favorite style of music?

“The kind that’s played on 96.1 on Thursdays at 9:30.”
-Dan Cella, Sophomore

“Everything, especially Dave Matthews Band.”
-Megan Osmer, Senior

Director: Spike Lee
USA, 1989, 120 min

Spike Lee’s racial and political filmmaking bent is given the full treatment with this simmering expose of racial tensions in a New York City neighborhood. The film, written by Lee (and nominated for an Oscar), follows a group of racially diverse inhabitants from Brooklyn’s Bedford-Stuyvesant neighborhood. These include African American pizza deliveryman Mookie (Lee), the racially sensitive Buggin’ Out (Giancarlo Esposito), and the silent Radio Raheem (Bill Nunn). Also thrown into the mix are Sal (an Oscar-nominated Danny Aiello), the Italian-American proprietor of Sal’s Pizzeria, and his two sons, Pino (John Turturro) and Vito (Richard Edson), who hold opposing attitudes when it comes to race.*

Women's Basketball Team Eager to Start Season
Lady Knights Basketball Team Season Outlook 2005-2006

High expectations are in place for the 2005-06 Lynn University women's basketball team. The Fighting Knights return their entire team, including two injured players, and welcome three new additions.

A year after winning the most games of wins the past two years combined, this is a team that can only improve. Lest opponents forget the Blue and White played a significant amount of games with only six healthy players and lost six games by 10 points or less. The Knights played only three games with their full roster. With a full arsenal at their disposal the Knights will be kings of the round table this season.

"After finishing last season the way we did, in such a limited capacity, to us it was a success," said head coach Pam DeCosta, who is 17-38 in two seasons.

"The kids who finished out the season were incredible and they gained a tremendous amount of experience that we hope will carry over into this season. Our expectations are high and everyone left last season with the same thoughts: getting stronger, getting better and coming back to show everyone what should have been. We have a lot of kids that are coming back that are better players and we're anxious to get back on the floor."

Backcourt
The guard position receives a major boost in depth this season as the Knights welcome two new faces to go along with Lisa Sykora and Makina Waye. Sykora enjoyed a breakout season in 2004-05, setting career-highs in every offensive category. The junior finished seventh in the SSC in assists while also finishing seventh in the conference in 3-pt field goal percentage (30.4%). Waye saw her defense improve drastically, averaging 1.68 steals per game. Jade Williams adds speed and athleticism to the point guard position. Sophie Hofferbeth is another lethal ball-handler this year. Jade [Williams] and Makina [Waye] will be our primary ball-handlers this year. Jade is very fast with the ball [and] is a great passer and will be able create opportunities by driving to the lane and kicking out to her teammates on the three-point line. Makina is getting better in all facets of her game and she grew a lot as a player last season, coming from a junior college and being forced into the lineup.

[Lisa] Sykora and Sophie Hofferbeth will play the two guard and become our long-range threats."

Frontcourt
The Knights Most Valuable Player, Jackie Codiga, returns for her senior season after leading the Knights in nearly every category. Codiga finished in the top-10 of the SSC in eight individual categories, en route to being a unanimous First Team All-SSC selection. There are three returning frontcourt players, Megan Osmer, Allegra Armstrong and Vivian Turner. The Knights also welcome the addition of Sarah Mahan and Krystal Perry to the mix.

"Jackie stepped up her game over the summer but what people will see in her this year is her improvement on the perimeter," said DeCosta. "We asked her to score so much last season that she had to get away from rebounding, but if she can control the boards like she did when she first got here, then there's no reason she can't average a double-double every game."

The addition of Sarah Mahan will be very significant. She is a Jackie-clone that can step out, shoot the three and is also very explosive in the post. We expect her to be a threat on the low post but also be able to step out hit some jumpshots.

Megan Osmer gives us our big body down low and can set the tone for us defensively. All of our frontcourt players are interchangeable which allows us to do some fun things."

Return from Injury
The Knights suffered two major losses to injury last season as both Cherise George and Rae Rae Fripp tore their ACL's. George had been averaging 13.6 ppg while Fripp was averaging 9.3 ppg.

Both are expected to contribute heavily once they return. "We are not going to rush these two players because they can and will play major roles on this team once they are healthy," DeCosta said.

"Because of that, realistically, they should be ready by the Sunshine State Conference season. We have enough without them but we need them to make a run deep into the post-season. Getting them back allows this team to be much faster. They'll increase our speed, especially on the defensive end as both of them are great athletes with impressive lateral movement."

Schedule
The Knights open the season Tuesday, November 15 when they travel to Opa Locka, Fla. to face Florida Memorial College. The team's first and only regular season tournament will be in Russellville, Ark., for the Arkansas Tech Tournament where they will play NCAA Elite Eight and National Semi-finalist Central Arkansas.

LU follows up with games against Florida Gulf Coast and Missouri Western before taking on NAIA Quarterfinalist Bethel College.

"We have a very ambitious schedule this year," said DeCosta, who became only the second coach in school history to defeat Rollins and Tampa and the first to accomplish that feat in the same season.

"We are going to face great competition from the out-of-conference opponents, our kids are really looking forward to the Gulf South Conference match-ups, while every year the SSC proves to be a battle."
