The story is told through the eyes of Private Joker, a cynical aspiring photojournalist who is forced to fight for his life and the lives of his fellow recruits.

This array of diversity and eccentricity evolved Rogers into the humorous entertainer he is today.

Comedian Kivi Rogers performed at Lynn last Thursday in the Knights Court, bringing students an eclectic display of humor.

Rogers was born and raised in housing projects located in South Central Los Angeles as the second youngest of six boys and a girl.

Rogers has appeared on The Tonight Show with Jay Leno, and in 1998 Rogers was nominated by the National Association of Campus Activities (NACA) for Comedian of the Year.

Rogers has also appeared in the feature film "Romy and Michelle's High School Reunion," starring Mira Sorvino and Lisa Kudrow, and has had the opportunity to act and work with Academy Award Winners Cloris Leachman and Mercedes Ruehl in "Amati Girls."

Rogers has also appeared on television shows "The West Wing," "Everybody Loves Raymond," and Pamela Anderson's "VIP."

The Knight Activity Team (KAT) brought famed comedian Kivi Rogers to Lynn University. The night was full of entertainment and laughter.

Anyone who is interested in helping to bring comedians like Rogers to Lynn, or who has ideas for events such as this, may speak to Coordinator of Student Activities John Valentine in the Student Activities Office in the Knights Court.

Cinderella

"Cinderella" is the original Walt Disney animated classic based on Charles Perrault's 17th-century fable about a poor stepdaughter transformed into a vision of beauty and sent to the royal ball by her Fairy Godmother to meet her Prince Charming and live happily ever after.

The Amityville Horror (2005)

On November 14, 1974, police received a frantic phone call that led them to a nightmarish crime scene at the DeFeo residence in Amityville, Long Island - an entire family had been slaughtered in their beds.

One year later, George and Kathy Lutz and their three children moved into the house thinking it would be their dream home. But shortly after settling in, bizarre and unexplainable events began to occur in the family as George was plagued by the evil presence still lurking within the residence.
Lady Knights Knock Out Eckerd
Women's Soccer Team Shuts Down Eckerd 2-0

"I just tried to shoot as hard as I could so we could get on the board. It's always hard to keep the momentum up after a big win but our team played well to get the win."

Rachel Andreozzi put the game out of reach in the 69th minute of play. The senior stopper recognized the Tritons were slow to get into formation on a free kick just outside the 18-yard box and got off a quick shot to the left post. Eckerd keeper Caitlin McClure was also slow on her reaction of the shot as she saw the ball sail past her into the left corner.

The Fighting Knights defense did a good job of keeping Triton forwards Amy Lambert and Mary Warren out of sync. The duo combined for only two shots on goal. Shropshire recorded four saves in her first career start, making a diving save on a shot from 25-yards out by Warren to secure the shutout.

Two second half goals propelled Lynn University's women's soccer team to a 2-0 shutout victory against Eckerd College on Sunday afternoon.

Bridget Penta scored her first career game-winning goal while freshman Jennifer Shropshire notched a shutout in her first career start.

The win puts the Fighting Knights at .500 for the first time since September 16 as the team improves to 6-6-0 overall and 2-1-0 in the Sunshine State Conference.

"Today I was a little worried about a let down from our emotional win against Rollins but we played very solid today," said head coach Rocky Orezzoli.

"Even though we missed some chances early, we kept our composure and Bridget [Penta] was able to open the door for us at the start of the second half.

"Everything is for the conference right now. We've got to continue to play good soccer. We're improving and everyone's playing with more confidence which is important for the stretch run."

Opening the second half tied at 0-0, the Fighting Knights came out firing with a couple of quick shots on goal.

Just two and a half minutes into the half, Penta collected an errant pass at midfield and made a nice run up the center of the Triton's territory.

The New York native faked right, cut left and fired a left-footed shot from the top of the 18-yard box to the left side of the net to put LU up 1-0.

"I saw that the defense was playing flat and made a nice move around my defender to get my shot off," said Penta.

Theresa Daniels and Melissa Roberts were named Sunshine State Conference Players of the Week today as announced by Commissioner Michael Marcil in the Orlando-based conference office. The two become the first Lynn University volleyball players to receive SSC weekly honors since 2001 and the first-ever pair to take both offensive and defensive awards in the same week.

"This is a great honor for both of these players because they have both worked so hard to elevate their game each and every day they come to the gym," head coach Ginny Kelly said. "We've had a great start to our season and I feel that we are making strides in the right direction."

Daniels, a senior outside hitter, was named the Offensive Player of the Week leading the Fighting Knights' explosive offense attack.

"I'm very excited about being named Player of the Week, but I still have a long way to go," Daniels said. "As a senior I really want to lead this team to the best season this program has ever had and to do so we all need to keep improving."

Roberts was named the Defensive Player of the Week. "It feels great to be honored as Player of the Week along with Theresa but it really could have been anyone on our team," Roberts said. "We've been enjoying our success this season as a team, but we know we are not where we want to be yet."

Hitting the road this weekend for league battles with Rollins and Florida Tech, Lynn will look to notch their fourth and fifth conference victories of the season.

Daniels and Roberts Given SSC Weekly Honors

Four different Lynn University women's soccer players scored as the Fighting Knights easily defeated Palm Beach Atlantic 5-1 on Tuesday afternoon. Molly Anderson recorded her first career multi-goal game and Bridget Penta assisted on two goals in a rain soaked regional match-up.

The Blue and White have won three consecutive games to get over the .500 mark for the first time since September 9. LU improves to 7-6-0 overall while PBA falls to 10-4.

"We did a good job of keeping the pressure on, even though the goals didn't come right away, in some very tough weather," said head coach Rocky Orezzoli, whose team moves to 7-6-0 all-time against the Sailfish.

"PBA has had success against a lot of our conference teams by defending well and counter attacking. We were aware and made sure we didn't fall victim to the same thing. When you put three, four or five goals on the board, you erase that happening." Anderson (N. Lauderdale, Fla.) scored the first of two goals in the 28th minute of play. The freshman forward took advantage of a defensive mental mistake, picking up a failed cleared ball and chipping a shot over the keeper for the goal.

As the weather progressively worsened, the Knights offense picked itself up. Their efforts culminated in the 41st minute when Chubb hit a nice ball that Michelle Hoogveld (Palm Beach Beach) chipped to the keeper's hands for the goal.

"Molly [Anderson] snuck in on the first goal and it was a great start for us," Orezzoli said. "Once the weather got really bad, we knew that anything at the keeper would be a problem, and [Ashlie] Chubb hit a nice ball that Michelle [Hoogveld] was there for the rebound. Our team did a good job of squashing any attacks and put the game away with those two quick goals in the second half."

Pyra scored her team leading seventh goal of the season when Penta found her on an identical play Pyra had assisted on. Penta beat two Sailfish defenders and sent a through ball on the close right wing for Pyra. The senior midfielder outran Agnew to the ball and flipped a shot over the keeper's hands for the goal.

LU couldn't hold onto the shutout though as PBA's leading scorer, Brandi Bianco, made her way from the right wing towards center, beating two Knights defenders, and firing a lofted shot to the top left corner for the goal.

Jennifer Shropshire and Kelly Friedrich combined for seven saves on the day while Agnew tallied 11. The Knights 26 shots and 16 shots on goal were the second most for the team this season. Palm Beach Atlantic recorded 11 shots, eight on goal.

The Blue and White return to action Tuesday, October 11 at 4 pm when they host Sunshine State Conference member Nova Southeastern.

Men’s Soccer Gets Break From SCC Schedule
No. 1 Ranked Lynn University Men’s Soccer Team Takes Some Time Off

Ranked no. 1 in the nation for the third consecutive week, Lynn University’s men’s soccer team gets a much needed break from its grueling Sunshine State Conference schedule when it hosts Rowan University on Friday at 3 pm and Bentley College on Sunday at noon.

“Our goal is to finish No. 1 after this week and that would be a great asset to us with only five games remaining,” said head coach Shaun Pendleton.

“These two games are going to give us a nice break from our SSC games. We’ve got a couple of games to play around with the players, rotate some guys around and get ourselves ready for our final conference games.”

We still play Tampa, Nova, Saint Leo and Barry in the conference, which is probably the hardest finish out of everyone in the conference. But we hope to come out unscathed and make it to the national tournament.”

LU (8-0-0, 4-0-0 SSC) pulled out two emotional wins last week against Rollins and Eckerd to remain undefeated and No. 1 in the national rankings. The Fighting Knights will welcome back Lee Paul Scroggins who missed the Eckerd match after sitting out for yellow cards.

Lynn will need his offense, as Scroggins is second in the conference in goals (9), goals per game (1.3) and points per game (3.00).

“Bentley comes from a very strong Northeast region, so even their results are a little down they play some very experienced teams that make the NCAA Tournament,” said Pendleton.

Bentley will travel to play Nova Southeastern prior to its match against LU. The Falcons have only scored seven goals in their nine games, and have been shut out in all six games.

Lynn Mourns Loss
Aivaras Balzekas Passes Away After Crash

Aivaras Balzekas, a standout member of the university's tennis team, passed away Monday, October 10, from injuries he sustained in a car accident on Saturday, October 8.

"This is a tragic loss for the Balzekas family and for Lynn University as a whole. Aivaras was truly a gentleman and a dear friend. We will miss him very much," noted Mike Perez, head tennis coach.

"He was a fighter on the court and led the team with his intense level of play."

In his first season with the Fighting Knights he had control of the No. 1 singles position in the men's tennis lineup.

The 23-year old Balzekas faced the toughest competition in the country, while posting a 12-6 overall record.

For his efforts, he earned ITA All-American honors, becoming the 13th men's player to do so in Lynn tennis history.

Also putting together a 3-2 record in Sunshine State Conference action, Balzekas earned First Team All-SSC honors.

He finished the season ranked 11th in the nation in singles, holding the highest ranking on the squad.

Compiling a 12-6 record in doubles, Balzekas played with two partners.

The first was junior Dennis Riegert with whom he finished 7-3 at the second and third lineup positions.

Playing the last eight matches with junior Regnier Azevedo, the pair ended the season with a 5-3 record at the second position.

Their most notable victory was coming in an 8-3 win over Florida Southern in the NCAA South Region Championship match.

Balzekas transferred to Lynn after playing one season at NAIA tennis powerhouse Auburn-Montgomery in Alabama, where he was a member of the 2004 NAIA National Championship team.

A native of Vilnius, Lithuania, he is the son of Remigijus and Vida Balzekas.

Men's Soccer Gives Bentley a Beating
Fighting Knights Win 11-1 Over Bentley Falcons
By Marc Adelman and Mauricio Botero

On a hot and humid Sunday afternoon the Lynn University Men's Soccer team came out resounding winners over Bentley College.

The Knights had six different goal scorers as they won 11-1 over the Falcons to improve to a perfect 10-0-0 on the season.

Lee-Paul Scroggins, Carl Wallace, Jean Alexander, William Young and Kenneth Yiquez all had two goals on the game and Lee Porter finished the rout for the Knights.

From start to finish the Knights dominated and the domination showed when Young opened the scoring after 22 minutes.

Falcons goalkeeper Greg Ott conceded three goals in the opening 45 minutes but it could have been a lot worse for the Falcons if Ott did not make a number of fine saves.

The Knights continued to dominate the second half scoring just 45 seconds after the restart through Alexander on an assist from Wallace.

Things continued to get worse for the Falcons as the Knights continued to out-class their opponents all across the field.

The scoring was complete when Porter latched on to a through ball from Young and drove a shot past Falcons second half keeper Ben Miller who conceded 8 second half goals.

Kevin Street and Liam Bull shared goal keeping duties for the Knights. The only downside to an impressive Knights performance was conceding a goal to Steve Burton deep into the second half.

"This game was positive for us. We were able to return to the playing shape of the beginning of the season and play together. I am very proud of all the guys," Defender Leon Jackson said of the Knights' victory.

The Fighting Knights return to action on Wednesday October 12th when they travel to University of Tampa for a 7pm kick-off.*

Senior Theresa Daniels and junior Larissa Witherspoon each notched their team-leading ninth double-double performances tonight but it wasn't enough as the Fighting Knights (8-6, 3-3) fell to Rollins College by the score of 3-1.

The Sunshine State Conference match-up was also a key regional match up, as the Tars (17-5, 3-4) took the match with scores of 30-24, 28-30, 30-28 and 30-17.

Daniels had a game-high 23 kills with 16 digs, as Witherspoon knocked down 10 kills and collected a team-high 17 digs in the back row.

Daniels, the SSC Offensive Player of the Week, also had two blocks at the net as she put together her sixth 20-plus kill match of the season and third in succession.

Senior setter Jessica Woodby dished up 49 assists while putting down a team-high four blocks on the defensive side.

Junior Melissa Roberts, the SSC Defensive Player of the Week, dug out 16 balls on the back row as she started her fifth straight match as the Knights' libero.*

Golf Team Snags Second in Spartan Invite
Men’s Golf Places Second With Team Result 290-290-580/2nd
By Chad Beattie

Shooting back-to-back rounds of 290 over the first 36-holes, Lynn University’s men’s golf team is in second place after the first day of the Spartan Invite.

Four Fighting Knights are in the top-20, led by Hoyt McGarity who is tied for second individually. LU is one of eight Sunshine State Conference teams participating in the event.

McGarity fired rounds of 72 and 71 on the 6,802-yard par 71 course. The senior from Sagaponack, N.Y. is only one stroke behind the leader Brad Valois heading into the final day.

Gavin Dear rebounded from his last tournament to fire a first round 70 and is tied for 10th with a two-round score of 146.

Sebastian Salem and Keir McNicoll are both tied for 17th with scores of 147 while Matt Bookatz, who led the Knights in their last tournament, is only eight shots off the lead after shooting rounds of 74 and 75.

The Blue and White also have five golfers playing individually. Greg Gonzales and Anthony Filia lead that group with 36-hole scores of 151. Richard Baroff and David Nodds fired scores of 154 while Dean Walters shot a 155 over the two rounds.

Lynn is only two shots back of leader Rollins College (578) and holds a three-stroke lead over third place Johnson & Whales University (583). Florida Tech (584) is fourth while Webber International (588) rounds out the top-five.

Although Christie Schade is listed on the Lynn Volleyball roster as a freshman, it’s clear she’s a leader.

A criminology major, Schade definitely demonstrates toughness in controlling the team and guiding them to success.

On the court, this petite 18-year-old looks like she’s had years of collegiate playing experience, though, in fact, her Lynn career extends to just 13 games:

“I believe people are born with the ability to lead and I do think I was blessed with the ability.”

But she described herself as having “her feet on the ground” and her attitude has earned Schade the respect of her teammates. Small in size, she’s huge in motivation and her charming smile fills her teammates with confidence and positivism.

“I strive everyday to be a role model for someone... but I believe the true role models are the selfless soldiers giving their lives for our freedom... I just play a sport.”

This Lynard Skynard fan is ready to take the team all the way to the top and keep showcasing her leadership talents. And fans are stunned with her intensity, game after game.

CD Review
Against Me!
By Ian Nahama

Against Me! has released their third full-length album “Searching For A Former Clarity,” which exudes classic rant-based punk and good story telling. This record has fourteen confessional tracks, including an acoustic cry in which the lead singer declares his struggle with illegal drugs. Another great track is “Don’t Lose Touch,” which is a powerful song that claims that technology is dehumanizing society. Against Me! is also on tour with the Epoxies and Soviettes.

The Sunshine State Conference announced the Commissioner's List of Outstanding Achievement for the months of August and September with 13 student-athletes representing Lynn University.

The COLA is designed to recognize the top athletic performances at each SSC member institution in a given calendar month.

A total of 105 student-athletes were represented from all nine SSC member institutions. The Fighting Knights tied for the third most selections.

The men's soccer team received the second most nominations for a single sport as nine members of the Fighting Knights received recognition.

Leading that group is Lee Paul Scroggins, who averaged 1.01 goals per game and went 7-0. Two second half goals propelled the no. 1 ranked Lynn University men's soccer team to a 2-0 victory over Sunshine State Conference rival Tampa University Wednesday night.

Carl Wallace scored his ninth career game-winning goal, Lee Porter scored his third goal in four games and Liam Bull notched his second shutout of the season. The Fighting Knights remain undefeated at 11-0-0 overall and 5-0-0 in the SSC.

"We controlled the game, didn't allow a goal and ended up with a very professional result," said head coach Shaun Pendleton, whose team has won four consecutive against the Spartans. "It's nice to go on the road and pull out a 2-0 win because it's another step towards our ultimate goal of winning a national championship."

Wallace jumpstarted the Fighting Knights offense midway through the second half after a scoreless first half. The junior midfielder scored at the 71:29 mark to put LU up 1-0.

Tampa (6-4-2, 1-2-1) nearly tied the score minutes later. The Spartans fired a shot from outside the box that beat Liam Bull but Porter was able to clear the ball off the goal line to secure the lead. The freshman defender later put the game out of reach when he scored with just over five minutes remaining.

Lynn University returns home to host Palm Beach Atlantic on Saturday at 2:00 pm.

Lynn University sophomore Vic Weltz passed her first test this morning at the 2005 ITA National Small College Championships as she took down Gena Lindsay from Northwest Missouri State University in straight sets.

With the 6-2, 6-2 victory, Weltz advances to the semifinals of the Division II bracket, hosted by Florida Gulf Coast University.

"Vic played well and kept her game simple throughout the match," head coach Mike Perez said. "She was very focused this morning and she'll have to be equally focused for tomorrow's tough outing. Vic has played enough tennis to know how to prepare herself for important matches, so her next test should be fun to watch."

Lindsay took a quick 1-0 lead in the first set, preceded by an early 2-1 lead. Weltz rattled off five straight games to take the first set, breaking Lindsay's serve three times.

The second set saw Weltz jump out to a fast 3-0 start, before notching the quarterfinal victory. The Pforzheim, Germany native will now play in the semifinals of this event for the second straight year.·

By Mark Adamson and Mauricio Boteras

The Lynn University Women's soccer team improved to 9-6-0 on the season as they were victorious in over-time against Florida Tech. Kim Pyra gave the Knights the 3-2 victory, scoring her second of the game.

"I was pleased that despite not playing our best soccer of the season we were able to battle against tough opposition and come out on top. We dealt with there strengths as best we could and worked on what would win us the game. The girls pulled together and deserved the victory in the end." Said head coach Rocky Orezzoli.

The Knights played well in the opening stages but found themselves a goal behind until Pyra scored their first equalizer goal in the 34 minutes into the game.

After falling behind for the second time Brittany Kompare scored with just over 10 minutes remaining in the game. In overtime Pyra scored the winning goal 98 minutes into the contest.

Pyra commented on the game and the team. "The win against Florida Tech was big, especially because we were down at first and came back to win it in overtime. I think our success is because everyone's heart is in it and the team is focused on working hard and supporting one another." The Fighting Knights will have have two road games, the first of which is on October 21st when the Knights travel to Saint Leo before they travel to Tampa on October 23rd.

Another Soccer Shutout
Men's Soccer Conquers PBA 7-0
By Jessica Wright and Elysia Sutherland

The No. 1 ranked Fighting Knights pulled off their seventh shutout of the season today defeating non-conference rival Palm Beach Atlantic by the score of 7-0 this afternoon.

Junior William Young led the Blue and White with two goals giving him his seventh and eighth goals of the season. Wallace and Porter picked up two assists respectively.

Nanu Short, Lee Paul Scroggins, Carl Wallace, Hiroshi Ando and Lee Porter all found the back of the nets, scoring one goal a piece.

In the first half for the Blue and White, Senior Kevin Street was in the net and did not see much action although he did have an amazing save late in the first half. Freshman Alessandro Salvatore replaced Street in the second half also seeing minimal action but recorded one save.

Junior Leon Jackson was enthusiastic about the teamwork on the field during the game and about the victory, and said, "I like the competition and being apart of the team."

The only downfall to today's game was freshman Jean Alexander picking up his fifth yellow card this season, which means that he will have to sit out Tuesday's game against Sunshine State Conference rival Nova Southeastern. The match up against Nova is slated to begin at 3 p.m. at the McCusker Sports Complex.

On Thursday, October 6, Lynn University held its 7th annual Blue and White Auction to benefit the athletics program at school.

Guests were given the opportunity to bid on a variety of items ranging from a weekend stay at a luxury beach resort to plaques and pictures. Professional sporting equipment and sporting lessons were also available for bidding.

The night included music, appetizers, drinks, and a visit from some of Lynn's athletes.

Local resident Melissa Glockman said that there were many items at the auction that she and her family wished to bid on, including some Dan Marino items, a Hallmark basket, and a hockey stick signed by Tampa Bay Lightning goalie John Grahame.

The night was a success for the Lynn Athletics Department, and those who attended look forward to next year's Blue and White Auction.

Wilma En Route
Hurricane Heads To Florida
By: Brittany Balowas

Hurricane Wilma is still moving towards Mexico's Yucatan Peninsula with winds of 145mph, and is expected to intensify over the next 24 hours.

According to Jennifer Pralgo, a meteorologist for the National Hurricane Center, Wilma's slow movement of 7mph has changed the forecast for Florida landfall to sometime on Sunday, a day later than previously predicted.

Gov. Jeb Bush still declared a state of emergency Thursday. "Believe me, said the Max Mayfield director of the National Hurricane Center in Miami, "this is still a very, very powerful hurricane. "Don't minimize this just because it's no longer a Category 5."

The Lynn University Hurricane Planning Team is still monitoring the storm and announcements will be made according to the forecasts of Wilma whereabouts and severity thought these next crucial hours.

Hurricane Wilma broke records on Wednesday by becoming the strongest storm on record with 175 mph winds, now Wilma has weakened to a Category 4, according to the National Hurricane Center.*

Scholar In Residence
Dr. Sidney Kraus Visits College of Communication
By: Jenna Zukany

Dr. Sidney Kraus, a distinguished specialist in political communication and applied mass communication and professor at Cleveland State University, was the visiting Scholar in Residence for the College of Communications this week.

Kraus is an expert on political debates and has published 10 books and over 75 academic articles.

In an interview with the Pulse, Kraus characterized President Bush's communication style as direct, simple, and unconfused. When asked if the President's communication style has changed over the years and whether it is successful, Kraus said that President Bush has the same communication style, and it is "very successful."

Kraus believes that the two best television communicators in the last 10 years are Former President Ronald Reagan and Former President Bill Clinton.

Kraus said that President Reagan is a successful communicator because he "can say very little and get a lot of support because of his personal style." Kraus believes that President Clinton is a good communicator because he can talk about "specific and critical material in a graceful manner."

During Dr. Kraus's visit as Scholar in Residence, he gave a formal presentation and also visited many classrooms to lecture and discuss communication.*

The mourning of Aivaras Balzekas continues, and as students and athletes take action to honor him with several tributes in honor of his memory.

According to the Senior Vice President for Administration and Student Services, Greg Malfitano, Lynn University has already purchased a blue outdoor bench which will be placed at the entrance to the tennis facility with an engraved plaque in Aivaras’ memory.

This will be followed by the purchase of silicone wristbands with his name and 10.10.05 embossed on each. These will arrive the first week of November and will be available to all upon request.

Also, Student Services is in process of designing keepsake cards with a photo of Aivaras for writing thanks and remembrances.

The University’s Athletic Department is also taking part, promising that prior to the start of the championship tennis season this spring they will engrave a stamp on the interior of the windscreen reading “A.B. 10.10.05.”

They will also embroider all team’s game-day uniforms with the initials A.B. for the remainder of the 2005-2006 season. In addition, the Lynn Tennis team will be purchasing hats or visors with the initials “A.B.” along with “Lynn Tennis” on the back.

Lynn’s intramural ice hockey team was also affected as Jeff D’Ambrosio said, “It was tragic to see that happen to somebody with so much potential.”

Hayes is confident that by fixing the mistakes from last season and combining that with greater effort and team chemistry during practice sessions, they will be able to make it all the way to the national championship this year.

Hayes’ leadership goes beyond the court, as he excels in his classes and tries to make everyone around him better.

“I feel like a role model because I always strive to do the correct things and lead the team by example.”

Hayes isn’t afraid to step up and take the huge shot in the most crucial moments of a game, and he attributes much of his growth on the court to his coach who has always expressed his confidence in him.

“Coach has taught me how to get better every day and play every minute on the court with great intensity.”

A Miami Heat and Dwayne Wade fan, Hayes enjoys spending time with his friends and teammates and likes to listen to Young Jeezy songs on his time away from the courts.

When #23 steps on the court, the determined look on his face and his calmness is apparent to his teammates.

Marcus Hayes is #23 on the Lynn basketball team, a 22-year-old senior from Orange County, FL, he is entering his final season with the Blue and White and is again ready to step up as the team leader and pave the way to another successful season.
