An old-time set was put up for an authentic look. A professional photographer took the pictures of students.

Students enjoyed the fun-filled evening, and Lynn looks forward to future hoe downs.

This season, polo shirts in spring colors are hot for men. Layering two shirts gives the outfit a fresh, new look. Bright colors are in for the spring. This look can be found locally in the Polo department at Macy’s.

Last Thursday KAT held its third annual Hoe Down, a night filled with good, clean, country fun.

The Hoe Down provided good grub, fine music, and a mechanical bull for the students to ride. Two live bands played, including the popular “Two Skinny Dorks.”

The mechanical bull sat on the cafeteria patio, and students took turns trying to oust each other’s records for how many seconds they were able to stay on without falling off.

Students were able to take “Old Time” photos inside the cafeteria. A variety of costumes were available for the students to wear for the photograph.

Stay away from shirts with a fitted look. Fitted shirts are in, and the oversized fit is over. Choose bright colors for a light, fun look, and leave those too-big shirts at home.

Dress Bootcut jeans are a great look. Jeans that are tight through the leg and have a slight flare at the bottom are all the rage right now. Check out Abercrombie, Lucky, or Diesel for a perfect fit jean.

Wallet chains and the grunge look should be left back in the 90’s, so if you’re still sporting these duds, jump into the new century and leave those items at home... or better yet, in the trash can.

Baseball players at Lynn consider themselves privileged: They get to play in a notable (if not best) conference in Division II baseball, and receive athletic scholarships to be here.

However, baseball isn’t all games for these Knights. There are hours of hard work put in each day, and many rules and regulations to keep up with.

Lynn baseball has a strict attendance policy: For every class that is missed, the student athlete will run 100 90-foot sprints.

There was one instance this season when a baseball player had twelve absences, so he had to run 1,200 sprints over the course of two days.

The sprinting and training doesn’t stop there. Three days a week players go to their 5:00 am lifting groups. Then, there are four to five hour practices that consist of defensive and offensive training, as well as conditioning.

For conditioning, the catchers push small vehicles around the field to build up leg strength. The pitchers go on long jogs, up to five miles, and the position players run the bases “til their spikes fall off.”

These Knights are also required to perform academically as well as athletically. Twice a week the baseball team goes to the library to study or do homework for two hours.

While this may seem like a lot of work for a game, the baseball players take it very seriously, and are willing to “pay the price” to be a part of one of the best Division II baseball schools in the country.

With two starters out of the lineup the men’s tennis showed how deep it is with an 8-1 victory over Saint Leo.

Dennis Rieggraf played and won in his first career match at the no. 1 singles position for his team heading 13th win of the season.

Jan Macko teamed up with Rieggraf to win 8-1 at the no. 2 doubles position while Dennis Verdun partnered with Manny Gale to win at no. 3.

The women’s tennis team made quick work of Saint Leo University, defeating the Lions 9-0 on Saturday afternoon.

Gedvile Norkute, Leigh Shelton and Alejandra Becker all remained undefeated on the season as the Knights improved to 12-0 overall and 6-0 in the SSC.

Lynn returns to action Monday, April 3rd when it travels to Ft. Myers to play Eckerd College in a make-up match.

mtvU at Lynn
Campus Invasion Monday

mtvU, MTV's 24-hour college network, is coming to Lynn University for its "Campus Invasion Tour '06." The invasion will feature on-the-verb artists Modern City Soundtrack, Straylight Run and Hellowgoodbye.

All of the excitement — including exclusive live performances and behind-the-scenes interviews — will begin airing April 24th on both mtvU and mtvU.Ober. MTV's all-access broadband channel at mtvU.com.

"The 'Campus Invasion' tour is well established as a launchpad for up-and-coming artists," said Joe Arredia, Vice President of Music, Marketing and Promotions, MTV. "On-air, online and on campus, mtvU is a crystal ball for new music, and we're excited to bring this lineup of hot emerging acts to campus quads nationwide."

As part of the tour, mtvU will present an interactive village from 12:00 pm – 5:00 pm in the Student Center Courtyard.

Students can score free stuff, meet the bands during autograph signings and participate in a range of activities including DJ Scratch Academy scratch tutorials, music video challenges, a bounce run and a gaming lounge.

mtvU cameras will also be on-hand to interview students and capture the local college scene here at Lynn University.

A portion of the proceeds from "Campus Invasion Tour '06" ticket sales will go to benefit LIFEbeat – The Music Industry Fights AIDS. LIFEbeat is a charitable organization dedicated to reaching America's youth with the message of HIV/AIDS prevention.

Top 10 Finish For Men's Golf
By Chad Beatrice

Three of Lynn University's men's golfers finished in the top-10 at the Southeastern Intercollegiate, the Knights' fifth top-two finish this season.

Keir McNicoll finished a season best fifth while Gavin Dear tied for sixth and Hoyt McGarity placed ninth.

This is the second consecutive tournament and fourth overall that all three golfers finished in the top-10 together.

McNicoll closed out the weekend strong, shooting a two-under par 70.

His 219 total is the second lowest of the season for the senior from Carnoustie, Scotland.

Softball Can't Soar With Eagles
Women Fall 9-0 to Florida Gulf Coast
By Jessica Wright

The softball team could not hold onto the Florida Gulf Coast Eagles as they fell 9-0 in game one and 13-4 (5 innings) in game two.

The Knights struggled throughout game one, but found their hitting touch later in the evening.

Pitcher, Cristin Kelly, took charge in the circle for the Blue and White as she pitched the entire first game and 4.0 innings in game two.

In her 11.0 innings of work, Kelly struck out two batters while giving up 21 hits.

Candace VanderVeen had her first appearance in the circle for the Knights.

VanderVeen relieved Kelly in the fifth, pitching 1.0 innings and getting a single strike-out.

The Knights brought their bats to flame in game two, in the bottom of the second inning the Blue and White tagged three runs on three hits, putting them up 3-2 at the end of two.

Question of the Day
What do you think about Lynn's parking lots?

Lynn's student-directed play entitled "The Good Doctor" ran last week, and the overall consensus of the students, faculty, and audience was that it was truly a success.

Director David Berry did a remarkable job of incorporating Neil Simon's collections of sketches and vaudeville scenes into a continuous and interest theatrical stage performance.

The actors all did an outstanding job. Notable performances were that of Megan Perry and Eddie Gholson. Perry played a surgery-hungry medical apprentice who tormented a fanatical and extremely religious monk (Gholson).

Pat Whalen varied a variety of characters, including a convincingly drunk street bum. Jay Xavier gave a very believable performance as a powerful governor.

Jennifer Griffon was the narrator of the story, whose character is said to be a reflection of Neil Simon himself.

There was an enormous amount of work and effort put into the play, and the cast and crew seemed to enjoy themselves throughout the entire ordeal.

David Berry said that he enjoyed working on and directing the play, and hopes "that Lynn will have more student-directed plays in the future."*
Academic Honors Awarded
Scholarly Students Attend Honors Convocation
By Jenna Zafrany
Lynn held its annual Honors Convocation luncheon yesterday honoring the students who have maintained a GPA of 3.5 or higher for at least one academic school year.

Dr. Kathleen Cheek-Milby performed the introduction and closing remarks for the event, and introduced Dr. Kevin Ross, who gave the students an inspirational opening speech.

Dr. Ross gave the advice to the students that "with great ability comes great responsibility."

A brass quintet of Conservatory of Music students gave a musical presentation for all of those at the luncheon.

Mr. Eric Jensen, famed author and president of Jensen Learning Corporation was the guest speaker for the event.

Jensen told the students that there are three things that they need to remember in life: "Do not do bad things to your brain, eat well and exercise, and live with passion."

Students were honored in three categories of academic achievement: Academic Honors, Honor Society, and President’s Honor Society.

Academic Honors students have completed two consecutive terms with a GPA of 3.5 or above. Honor Society students have maintained honor status for two consecutive years with a GPA of 3.5 or above.

President’s Honor Society students have achieved Academic Honor Society distinction and have maintained a GPA of at least 3.75.

Team Finishes Third
Men’s Golf Shoots 299
By Chad Beattie
The men’s golf team shot a 299 and fell one spot to third place after the second round of the Southeastern Intercollegiate held at Valdosta State.

Gavin Dear, Hoyt McGarity, Keir McNicoll and Sebastian Salem are all in the top-15 as the Knights race to finish second.

Dear was one of five golfers to shoot under par entering a one-under par 71 on his scorecard to the for fourth place.

McGarity fired a 75 and is tied for 9th while McNicoll and Salem shot a 76 and 77 and are tied for 15th individually.

Matt Bookatz fell into a tie for 54th out while McNicoll and Salem shot a 76 and 77 and are tied for 15th individually.

The women’s tennis team showed its strength today by romping No. 8 Eckerd College by the score of 9-0 to remain perfect in SSC action.

The Knights have not allowed their opponents a single point in three-straight matches and have now blanked nine teams this season, including three SSC opponents.

"This team is just now beginning to play at its highest level and hopefully...we’ll start to turn it up even more..." head coach Mike Perez said.

The Knights began with a smooth 8-0 at the No. 3 doubles position as sophomore Alex Schunk and freshman Ali Boeker breezed past their opponents to remain perfect this season with an 11-0 record as a doubles duo.

At the second spot, sophomore Vici Weltz and junior Geovina Norkute won by the score of 8-4 to also move to 11-0 this season as a doubles team.

Senior Dragana Illic and junior Leigh Shelton battled out a 9-7 victory giving the Knights their 12th doubles sweep of the season.

Highlighting the singles competition, Illic extended her singles winning streak to 35 matches by winning 6-0, 6-0 at the fourth position.

The top singles match consisted of two top-20 players in the nation as No. 7 Weltz outlasted her opponent 6-2, 6-7, (13-11) as she moves to 10-2 this season.

Schunk was victorious 6-1, 6-1 at the second spot as Norkute downed her opponent 6-3, 6-4 at the third position.

At the fifth spot, Shelton won 6-3, 6-0 as Boeker got by her opponent 6-1, 6-2 at the six position in the lineup.

Norkute and Shelton both move to 12-0 this season in singles action for a share of the most wins on the squad.

Lynn students enjoy living in the lap of luxury. The parking lots are filled with pimped-out vehicles, and walking around campus is a sea of designer accessories, outfits, and "bling.

So after the cars, clothes, and cell phones, what's left to "pimp out?" Well, how about your USB memory stick?

That's right, now data can travel in the same fabulous flair as those designer accessories.

Victorinox, the famous maker of Swiss Army Knives, along with Bonfort and Swissbit, has released a memory stick that is so luxe-ed out, its owner is sure to be the talk of the computer lab.

The SwissMemory PrestigeTH USB memory stick flips out of its bling bling Bonfort designer case to access one gigabyte of memory via any computer's USB port.

The average signature Louis Vuitton bag ranges from $300 to $2,000, depending on size.

Another popular designer bag is the Gucci signature handbag. These purses start at $700, and go up depending on size, shape, and color.

Still too much? For those looking for the ultimate bargain, look no further than handbagheaven.com.

These bags are hot, and the price tags on these bags are extreme.

So what about those that want the designer bag, but don't want to fork out a grand?

The popular and classy designer Coach offers signature handbags that average out $250.

The Coach brand is a designer name, and the bags have the same look to them as those at a higher price range.

Still too much? For those looking for the ultimate bargain, look no further than handbagheaven.com.

mtvU 2006 Campus Invasion Hits Lynn University

Students Participate In A Variety of Events at the mtvU Campus Village

By Jena Zakany. Photos by Joe Carey and Jena Zakany

Yesterday mtvU invaded Lynn's campus, bringing with them up-and-coming bands Motion City Soundtrack, Hellogoodbye, and Straylight Run

An interactive Campus Village was created by mtvU for the students at Lynn, and took place from 12:00 pm - 5:00 pm in the cafeteria.

At the Campus Village, students were able to meet the bands for autograph signings and participate in several other games and activities.

There was a DJ Scratch Academy scratch tutorials, a music video game show challenge, a bungee run competition, and a Nintendo DS gaming lounge for the students to participate in. There were also booths set up with giveaways for the students and faculty.

mtvU will begin airing footage from their campus invasions on April 24. The footage will be shown on both mtvU and mtvU O (mtvU.com).

Today the iPulse is giving you a look at all of the events that took place during the mtvU Campus Village.

Check the iPulse tomorrow for coverage of the Motion City Soundtrack, Hellogoodbye, and Straylight Run concert, as well as interviews and in-depth coverage of the Campus Village events.

Each year, half a million babies in the U.S. are born prematurely. Premature birth is the leading cause of newborn death and many lifelong disabilities.

Lynn University is helping the March of Dimes fight prematurity by taking steps in WalkAmerica.

WalkAmerica will be held locally on FAU’s campus on April 22 at 9:00 am. Join WalkAmerica and be a part of a million compassionate people nationwide who care about saving babies.

Do it in the name of someone you love—a premature baby, a healthy baby, your own baby or the baby of a family member or friend.

WalkAmerica is the host of Palm Beach Rox TV and also hosts a radio show on WRFZ 1230AM that airs Saturdays at 12:00 pm. The David Copperfield interview will be featured on this Saturday's airing.

Roxanna Cella interviewed David Copperfield at Lynn’s radio station with the help of engineer Bob Trainor and student Dan Cella, who is also the Music Director for Palm Beach Rox.

A Look At The Day's Events With mtvU
By Elysia Sutherland

mtvU is right in the middle of its 2006 Campus Invasion Tour, where they head to over 30 campuses across the country, one of which was Lynn. mtvU is becoming wildly popular amongst college students, and their visit here to Lynn was eagerly awaited.

Lynn's campus was invaded on Monday, and not only did they bring a rockin' concert, but they also had activities and booths set up for students to enjoy during the day.

There was a music video game show challenge, a bungee run competition, and a Nintendo DS gaming lounge. There were booths set up with giveaways and information to help coach students on how to get good jobs and internships.

There was also a unique opportunity to play with DJ Mano, who said that the Scratch Academy, and himself, "visit different colleges to teach those interested in musical entertainment and how to DJ."

The Scratch Academy as three locations around the United States: Miami, Los Angeles, and the Bronx in NYC.

Overall the day was filled with activities that kept the students entertained until the night's exclusive concert.

Question of the Day
What did you think of the mtvU Campus Invasion?

"I loved it. I thought it was awesome. They did an amazing job." - Brandon Ackerman, Sophomore

"I didn't like it. It would be more MTV with people that I knew from shows." - Sari Delmar, Sophomore

On Monday the Lynn University campus was taken over by mtvU's Campus Invasion.

mtvU has been traveling to different schools all over the country and exposing them to this year's top emerging artists: Motion City Soundtrack, Hellyeah, and Stryfght Run.

Lynn University was fortunate enough to be included in this exclusive Invasion Tour.

A special concert was set up in Lynn's gymnasium that was free for the entire Lynn community. Students and faculty were also allowed to bring one guest to the event.

The concert featured the three aforementioned artists, each band performing about eight songs for the enthused audience.

Hellyeah, a fairly well-known band who played at MTV's Spring Break, kicked off the concert Monday night. The crowd went crazy for Hellyeah's tight melodies and 80's synths. This Orange County foursome was a great start to the night.

Motion City Soundtrack was the only band that the audience demanded an encore from.

Anyone who entered the gymnasium Monday night could feel the excitement and energy caused by this concert. The students of Lynn University are grateful to have experienced the mtvU Campus Invasion, and enjoyed a day full of fun and music.

"Domino" is an action-packed movie loosely based on a true story of female bounty hunter Domino Harvey.

Keira Knightley plays a high-society debutante who begins her adulthood by following her mother's (Jacqueline Bisset) footsteps and becoming a fashion model. She soon quits modeling, drops out of college, and pursues a professional career as a bounty hunter.

She meets bounty hunters Ed Mosby (Mickey Rourke) and Choco (Edgar Ramirez), becomes wildly popular, and is featured in a reality TV show based on bounty hunting.

Life turns crazy for Domino when a series of events lead her right in the middle of an FBI investigation.

Overall the movie was full of entertainment and non-stop action. Personally, this viewer believed that the movie lacked detail about Domino's life before bounty hunting.

However, it does not take long to figure out what is going on and how Domino came to be who she is today.

Anyone who enjoys action films, fight scenes, drama, twists, turns, and comedy will enjoy this film.

Good Friday Just Another Day Off
By Tadatso Tebape

Students at Lynn are excited about the upcoming long weekend; many feel it is a well-deserved and long overdue break. But how many have taken the time to ponder on the importance of this long weekend?

For members of the Christian faith, Friday is a very important day: it is Good Friday.

In the fourth Century, the Apostolic constitutions described Good Friday as a day of mourning, not a day of festive joy. Because Good Friday is the Friday on which Christians remember the anniversary of the crucifixion of Jesus Christ.

During Good Friday services, Christians meditate on Jesus Christ’s suffering and death, and what this means to their faith.

Christian doctrine states that Jesus’ death was an act of love, which signifies that Christ died to atone for the sins of humankind. Christians believe that through Christ’s death, was purchased, for all men, a resurrection from death to eternal life as sons and daughters of God.

Many wonder why this day of mourning is referred to as “good,” and explanations for this vary. The word “Good” used to have a secondary meaning of “holy,” but it is ultimately accepted that it is a Good Friday because the tragedy that Jesus suffered during the crucifixion brought about a greater good.

So as the long weekend and day of rest for school is celebrated, take a moment to remember the meaning of the day to those who hold this as a holy day, as well as an enjoyable day off of school.

Passover Begins An Eight Day Observance
By Jena Zakany

Passover is the eighth day observance that commemorates the freedom and exodus of the Jewish slaves from Egypt during the reign of Pharaoh Ramses II.

Passover begins on the 15th day of the Jewish month of Nisan. As the Jewish day begins at sundown the night before, Passover began last night.

This holiday is a time of family gatherings and lavish meals called Seders, during which the story of Passover is re-told through the reading of the Haggadah.

The story of Passover begins about 3,000 years ago, when the Israelites were enslaved by the Egyptians until Moses was instructed by God to go to the pharaoh and demand freedom of his people.

The pharaoh ignored Moses’ plea to “let my people go,” and still ignored Moses when he warned the pharaoh that God would send plagues on Egypt if he did not comply.

In response to the pharaoh’s insolence, God unleashed the ten plagues, the last of which was the slaying of the first born.

To protect themselves from this curse, the Israelites were instructed to mark their dwellings with lamb’s blood so that God could identify and “pass over” their homes, hence the name Passover.

When the pharaoh finally gave the Israelites their freedom, they left their homes so quickly that they did not have any time to bake their breads, so they packed raw dough with them, which baked in the hot sun into hard crackers called matzohs.

To commemorate this event, Jews eat matzoh in place of bread during Passover.

Gotta Have Great Gadgets
By Brett Samuels

For those who hate having a bulky laptop bag, and for those who love to make a fashion statement out of computer accessories, this gadget is perfect.

Sony has released a small, though slightly non-ergonomic, wireless mouse called the Sony SMU-WM10 that complements the sleek design of its expensive and high-tech Vaio computers.

The mouse connects wirelessly to any computer’s USB port, and features a scroll wheel.

While it may not be the best mouse to use for long periods of time, it’s a great look, and a great way to save room in that carrying case.

This gadget is even perfect for bringing to school and using with the Lynn computers (because everyone knows those ancient mice in the library stick all of the time).

The Sony SMU-WM10 wireless is available in several colors (red, silver, blue, or black). This mouse can be purchased for about $50 at Sony Style at the Town Center Mall, or online at sony.com.

Donovan’s Dugout Diaries
An Inside Look At Knight Baseball
By Donovan O’Dowd

Last weekend the Knights traveled to Nova University for a crucial three-game series against the Sharks.

In the first game on Friday, Lynn pitcher Cedric Bennett battled through the first few innings and was saved by Jimmy Bacon’s great defensive plays. The Knights were unable to capitalize on Nova’s mistakes, and the Sharks won 5 to 4.

In game two on Saturday, the Knights came out firing, scoring seven runs in the first inning, and knocking out Nova’s star pitcher. However, Nova came on strong and put up eight runs in the first inning and knocked out Nova’s star pitcher.

Helmet were being thrown after strike outs, bats were being blazed into the ground after players were being pulled out of the dugout after being pulled out of the game.

The Knights were unable to score another run until the seventh inning when Alberto destrad hit a monstrous home run over the center field fence. This run was an estimated 420 feet.

Second In SSC Action
Women’s Golf Tournament
By Chad Beattie

Elizabeth Whitehouse and Natasha Morgan both finished in the top-10 as the Knights matched their 237 Whitehouse finish at the SSC Tournament.

“Today was another difficult day, not just for us but for everyone in the tournament,” said head coach Courtney Bibby.

“I’m extremely happy with our team’s finish but hope we can improve our play before the South Regional Tournament.”

Whitehouse finished seventh individually, notching her sixth top-15 finish this season and third top-10 performance, shooting a third round 79 to close out the tournament with a 236 scoring total.

Despite firing an 80 on the final day, Morgan finished tied for 10th, her fourth top-10 finish.

Just one stroke stood between Elise Brandt and Katy McNicol, who finished tied for 14th and 16th while Ali Beuckmackman placed in the top-20 for the second time this year.

Harrison Lam belted a single to left center in bottom of the 10th inning, scoring junior Felix Martinez from third base to push the Lynn University baseball team past Florida Gulf Coast University by the score of 5-4 in non-conference action.

Pitching 6.0 stellar innings of relief for the Fighting Knights (27-13), sophomore Craig Sheets evened his record to 2-2 on the season out of the bullpen.

Sheets fanned five batters, allowing just one run on two hits in Lynn’s second extra inning ballgame of the season.

Martinez and senior Jimmy Bacon each led the Knights with two base hits apiece as eight different Lynn batters reached base on a hit.

The Knights look to make a move up the Sunshine State Conference ladder this weekend as they host Saint Leo in a three-game series.

The first home game of the weekend is scheduled for tomorrow at 3:00 pm.

Students Explore Careers At Expo
2006 Career Expo A Success For Students And Employers
By Chris Childers

Students who dressed for success and had their resumes ready were able to connect with nearly 200 recruiters from the fields of hospitality, business, social services, education, and communications at Career Expo 2006.

The March 29 event held in the Gym included a record-breaking 85 companies/organizations who were looking for students to fill their part-time and full-time jobs as well as internships. Approximately 300 students participated.

During the four-hour event, many students were provided with the chance to apply for jobs or internships and quite a few were scheduled for interviews during the next few days. Offers have already been made to a number of graduating seniors.

Some of the jobs being recruited for include:

- Management Trainee
- Relationship Banker
- Financial Advisor
- Events Coordinator
- Asst. Branch Sales Manager
- Social Worker
- Online News Content Assistant
- Police Officer
- Software Systems Analyst

Employers said that many of our students were dressed professionally and had great resumes, but we still need to improve on the appearance of other students who attended.

A majority of students felt they made positive connections with the recruiters and learned a lot about job and internship opportunities.

Watch for a final list of placements from this year's Expo soon. Thanks to all who helped the Career Center to make this event a success!

Mariana Garanick, 1st Place Winner

Easter Treat
Kids Celebrate At Lynn
By Bambi Abbott

The children from the Florence Feller Development Center received an early Easter treat last Wednesday when they took a trip to Lynn University to visit the Easter bunny.

When the kids arrived on campus, they were able to participate in a huge Easter egg hunt. The eggs were stuffed with candy, and there were also Easter goody baskets to be won.

After the egg hunt, the children were able to participate in a variety of activities, including egg dying, making balloon animals, getting fake tattoos, decorating cookies, eating pizza and cotton candy, and jumping in a bounce house.

The children beamed with energy and appreciation throughout the entire event. One child exclaimed, "This is all for us!" while waiting in line before the egg hunt.

A big thank you goes to all of the student organizations and volunteers on campus who helped bring smiles to these children's faces this Easter.*

Series Dropped
Baseball Falls To Saint Leo
By Chad Beattie

The men’s baseball team laid dormant in a 2-0 loss in game one against Saint Leo but woke up to win 8-4 in game two on Saturday afternoon.

Nicolas Beisw. went 4-for-4 with a homerun in game two and Lonnie Patterson claimed his sixth victory of the season as the Knights move to 28-15 overall and 9-9 in the SSC.

Game two started off drastically different that the previous game as Lynn saw its first five batters reach safely with Jimmy Bacon and George Brandner driving in runs to make it 3-0.

Loonie Patterson was replaced by Cedric Bennett in the ninth and Bennett closed out the game for his first save this season and second of his career.

The Knights take on St. Thomas today at 6:00 pm.

SSC Softball Sweep
Team Trumps Tampa Twice
By Sara Quatroky

The softball team completed the Sunshine State Conference three-game sweep over Tampa today by taking the doubleheader with scores of 7-6 and 3-2 (9 inn.) to improve to 23-18 overall and 7-14 in league action.

Cristin Kelly started both games on the pitching rubber for the Knights, pushing to 6-9 on the season with a Game 1 victory.

Danielle Curcio and Meghan Osborne led the Knights offensive attack, combining for eight hits between them.

Candice VanderVeen and Rachel Foster and Meghan Osborne each tallied three hits apiece.

The Knights take on St. Thomas Thursday at 6:00 pm.

Student Organization Profile: International Affairs Society

The International Affairs Society (IAS) is a student-run organization on campus whose primary concern is issues around the world.

Each Thursday members meet on the 5th floor of EMLynn to discuss and debate world issues, particularly those of business, culture, and politics.

IAS is comprised of many hard-working and dedicated students who work together to make this student organization a success.

The officers of IAS are as follows:
- President: David Fleisher
- Vice President: Mark Nezar
- Treasurer: Stine Svenningsen
- Secretary: Brooke Peterson

Dr. Markheta Wright is the Faculty Advisor, Makiko Hamada is the Membership Coordinator, and Michael Dettelbach is in charge of Marketing for the International Affairs Society.

Many hours of organizing events on Lynn’s campus are engaged in the routine for members of IAS; recently they held the fundraiser “A Dollar for Guatemala,” in which money was raised for those in need who live in Guatemala.

Other events that IAS has recently participated in are the St. Patrick’s Day Ping Pong Tournament, Lynn University’s Multi-Cultural Day, Relay for Life, and, most recently, a successful night of International Poetry Reading.

Many of these students will be participating in the UN Conference here at Lynn this Saturday, April 22.

Members of IAS are currently planning on a movie screening attended by their students and other Lynn students.

Any student interested in joining the International Affairs Society is encouraged to attend one of the meetings, which are held on Thursdays.

The women's soccer team signed eight players for the 2006 season announced head coach Rocky Orezzoli.

The Knights graduated eight seniors from last year's team and could field a squad with eight underclassmen.

Four of Lynn's signees hail from Florida, while three are from Canada, and one hails from Colorado.

“Brittany [Evernden] is a playmaking type central midfielder and Amanda [Romero Gallo] is a very aggressive, hard-working defensive central player,” Orezzoli said.

“Sarah [Mendelsberg] can play any of the midfield positions and could team up with Brenna Heising or could play in the back with Alyssa [Rijavec]. Megan [Walsh] is a solid outside defender and could be paired with Jennifer Perreault.”

The addition of Natalie Feller will be great for competition at the keeper position but also gives us flexibility because of her athleticism in the field.”

To sign up on the Lynn team, go to walkamerica.org and register on the Lynn University Honors team.

For more information about the walk or how you can involved on campus, contact Lynn University Team Captain Jena Zakany at jenzakany@lynn.edu.

Two local stars have signed with the Knights. Brenna Heising was a Sun-Sentinel Second Team All-County selection for Park Vista High School in Lake Worth, Fla., and also played for Palm Beach United Soccer Club.

Jennifer Perreault will be joining her fellow PB United teammate and reuniting with former Royal Palm Beach High School teammate and current member of the Lynn University soccer team, Vanessa Zalis.

Natalie Feller and Megan Walsh are the two remaining Florida players to sign with Lynn.

Feller, a goalkeeper, was a four-year letterwinner at Marriott Island High School where she helped guide the Mustangs to a 20-3-1 record and a runner-up finish at the FSHA State Championships.

She recorded 14 shutouts on the season and was named to the All-Space Coast First Team and the Space Coast All-Star game.

Feller was also a member of the Olympic Development Program. Walsh was a three-year letterwinner at the Academy of the Holy Names in Tampa, Fla., earning team MVP honors as a defender in 2005.

Brittany Evernden and Alyssa Rijavec are two of the three Canadian stars the Knights will bring in.

The two are club teammates for Calgary Celtic Forza. Evernden was a three-year letterwinner for Lord Beaverbrook, helping her school to the province semifinals while participating in the Calgary city all-star game.

Rijavec was also a three-year letterwinner at Central Memorial High School and helped her team to a second place finish at the city championships.

The final Canadian is Amanda Romero Gallo. A midfielder from Woodbridge, Ontario scored 10 goals and 15 assists and was the team captain for her senior season.

She helped guide her club soccer team, Erin Mills Eagles, to a 39-11-13 record in four seasons and closed out her career with the Ontario Indoor Cup, Oshawa Invitational title and Toronto Cup.

The last player signed by Lynn University is Sarah Mendelsberg. Mendelsberg is a four-year letterwinner at Cherry Creek High School in Englewood, Co and played the last four seasons with the Colorado Storm Soccer Club.

She has led her high school team in assists the last three seasons and has improved her goal scoring from 12 goals in 2002-03 to 21 goals in 2005-06 for her club team.

The Look For Less

The Style Of The Stars Without The Price Tag
By Crystal Burdine

For generations, the stars of Hollywood have inspired and set the looks for the season. Everyone wants to know who’s wearing what, and where they can get it.

Extravagant amounts of money are spent each day so that the looks of celebrities can be emulated. But why spend the big bucks when you can get the look for less? Many of this season’s hot looks can be found for cool prices.

This season, the stars are wearing striped skirts. Ashley Simpson has been spotted wearing a peach Chloe striped batiste top with crystal buttons and a retail value of $360. For those who love the look and not the price, Polo Jeans Co. has a similar striped top with button details that retails for $65. Locally this top can be picked up at Macy’s.

Charlize Theron has the skinny on pencil skirts, and the look is now hotter than ever. Theron has been seen wearing a Burberry pencil skirt that costs about $625. Want the same look for a skinnier price? Try Banana Republic for a similar pencil skirt that retails for about $88.

Wedges are all the rage this season, and Carmen Electra has helped support the trend with her Christian Louboutin metallic cork wedges that she got form Bergdorf Goodman for $710. Guess offers a metallic cork wedge for only $95.

Hobo bags are still hot, and Selma Blair loves her Marc Jacobs stud-leather tote (available at Neiman Marcus) bought for $358. Or try out Sienna Miller’s hobo bag look for less at banana-republic.com for only $78.

PCs, on the other hand, have been on a steady course, not changing or innovating as quickly as Marcas.

Macs without the price tag

Mac vs. PC

Apple has been taking the technology world by storm over the past few years with its high-tech innovations such as the iPod mp3 players, the iMac computers with Intel dual-core processors, and the great and mighty OS desktop units.

When it comes to everyday computing, Macs are widely considered superior machines compared to PCs.

This is a revolutionary idea in the world of personal computers. Consumers who want the power and style of a Mac can now also have the universal compatibility of a PC.

Microsoft, Dell, Hewlett Packard, and other PC makers can no longer sit back and take in the money; they’ve got to get back in the computer game.

Apple is really sticking it to its competitors; not only is this new technology of the Boot-Camp available and powerful, it’s free! Download BootCamp today at www.apple.com/macosx/bootsamp.*

Baseball Victory
Team Wins 11-10
By Chad Beatrice

The baseball team split a non-conference doubleheader tonight with Palm Beach Atlantic as they Sailfish took game one by the score of 2-0.

A two-run 11th inning double by Ricky Davis helped give the Lynn University baseball team an 11-10 victory against St. Thomas on Tuesday night.

Davis and Harrison Lam each smacked home runs and combined to drive in seven runs and Cedric Bennett picked up his fourth win in relief.

"We got down early but this team never packed it in and battled back to get the victory," head coach Rudy Garbalsos said.

The Knights were down by one in the bottom of the ninth inning, but in the 11th inning Davis hit a two-out double to put Lynn up 10-9.

Jason TenEyck followed with an RBI single to put Lynn up 10-8.

In the top of the ninth, the Knights fought off a rally as they scored two runs on another RBI from Davis.

The Knights bounced back with an 8-6 victory in the nightcap.

The Knights scored single runs in the bottom of the second and third innings Ward and Staten each had RBI base hits.

The softball team split a non-conference doubleheader tonight with Palm Beach Atlantic as they Sailfish took game one by the score of 2-0.

Quickly turning on the offense in the finale, the Knights plated two runners in the top of the first inning on two Palm Beach Atlantic fielding errors.

In the following inning, junior Heather Tucker scored from third base on a wild pitch to put the Knights ahead 3-0.

After a scoreless third, the Knights struck with four runs in the top of the fourth inning on four hits and aided by another Sailfish error to take the 7-1 lead.

With an 8-4 lead in the final inning, the Knights fought off Palm Beach Atlantic's late inning rally as they scored two runs on another RBI from Staten and Davis.

In the win, VanderVeen pitched 5.0 inning allowing just 3 earned runs with 3 strikeouts.

Earth Day is a global holiday designated to celebrate our planet and the life on the planet. Cultures all over the world have been celebrating the planet throughout the ages, but the designation of Earth Day is relatively new.

The first proclamation of Earth Day was by San Francisco, the patron saint of St. Francis, but the campaign for Earth Day to be recognized as an official day of remembrance of the planet was started by a man named John McConnell.

In 1970, McConnell initiated the first celebration of Earth Day as a national event.

The U.S. recognizes Earth Day as April 22, and despite the differing dates world-wide, it is a universal belief that our earth should be celebrated at least once a year.

On Earth Day, various "green-minded" communities and individuals get together and participate in an array of activities.

Locally, there will be a free Earth Day Festival on Saturday in Deerfield Beach from 10:00 am - 5:00 pm. The festival will have recycled community art displays, Whole Foods products and samples, alternative vehicles for Toyota and much more.

Earth Day is more than just a day of fun and celebrations; it is about a commitment to saving the planet through conservation efforts like recycling, not littering, and much more.

So while the celebrations of our planet take place this weekend, remember how precious the planet is and how important it is to conserve the planet’s resources.

Help Save Babies
WalkAmerica, Saving Lives
By Jeni Zakany

WalkAmerica
walk for someone you love.

Each year, half a million babies in the U.S. are born prematurely. Premature birth is the leading cause of newborn death and many lifelong disabilities.

Lynn University is helping the March of Dimes fight prematurity by taking steps in WalkAmerica, which will be held locally on FAU’s campus tomorrow at 9:00 am.

Team Shows Depth In SSC Opener
By Sara Quatrocky

Raphael Koehle and Regnier Azevedo defeated Quirós and Outlaw 8-3 at the third position to complete the doubles sweep.

The bottom of the lineup for the put-together impressive outings on the singles courts as Macko easily won 6-0, 6-1 at the fourth position and Azevedo prevailed at the fifth spot 6-0, 6-1.

Not finishing the match due to the team victory, Koehle was dominating his opponent at the sixth position ahead 6-1, 4-0 when the match was called.

The Knights were up one set on the top three singles courts as well when play was stopped as Cava as ahead 6-2, 1-1, Carzuza was leading 6-4, 1-1 at the second spot and Rieggraf was on his way to victory with a 6-2, 2-2 advantage at the third position.

The Knights will await the winner of the third-seeded Eckerd/sixth-seeded Saint Leo match in the SSC Semifinals tomorrow.

First Annual Honors Day At Lynn
Students And Faculty Celebrate The Honors Program
By Jena Zakany

Lynn University held its First
Annual Honors Day yester­
day celebrating the academic
achievements of the Honors
Program and all of the students
in the program.

The Green Center was a sea of
blue as the students arrived for
their luncheon in their Honors
shirts, which displayed the
message “Cogito ergo sum,”
which translates to “I think,
therefore I am.”

Dr. James Hundrieser, guest
speaker for the Honors lun­
cheon, spoke about the millen­
nial generation. Professor Aar­
oni, Dr. Goldman, Kevin Ross,
Dr. Cox, and Dr. Cheek-Milby
also spoke to the students.

There was a Student Poster
Session, and closing sessions
featuring musicians from the
Conservatory. The first Honors
Day was a success, and those
in the Honors Program look
forward to next year’s event.

Success Story
Senior Kathryn LoRusso
By Chris Childers

Kathryn LoRusso is a Lynn
University student success
story. LoRusso will earn her
undergraduate degree in Com­
munications, with a major in
Graphic Design and a spe­
cialization in Photography. She
has excelled in her academic
program and is a member of
the Honor Society.

Through the faculty and staff
and the Institute of Achieve­
ment and Learning, she has
gained confidence and infor­
ma­tion in her field of study.
LoRusso cites her internships
at “On Tap Magazine” and
“Where Ya’at Magazine” as
valuable learning experiences.

Lynn provided Kathryn with
the small classes and personal­
ized attention that has allowed
her to blossom and prosper
as she plans her career. She
describes Lynn’s faculty and
staff as being respectful and
approachable as well as expert
in their fields.

LoRusso has developed an
impressive portfolio of graphic
design and photographic work
and was selected to be Coor­
dinator of the Portfolio Exhibit
for graphic design students
that will be held on May 3 in
the Green Center.

Through her hard work and
positive attitude, she has gained
a great deal from her years at
Lynn and she hopes to launch
her career in Dallas with a mid­
level position in graphic design,
perhaps doing some freelance
work on the side.

It is impressive to see what can
be accomplished when a student
overcomes puts great effort into
classes and projects. Kathryn
LoRusso is a wonderful ex­
ample of a student with deter­
mination, talent, and a positive
attitude who has excelled in her
major and has a very bright fu­
ture ahead of her.”

Knights Bury Barry
#5 Women’s Tennis Wins
By Sara Quatrocky

The women’s tennis team clinched its seventh Sunshine SSC in a 5-1 victory over Barry this weekend.

The Knights, the top-seeded team in the tournament, got their revenge on the second-seeded Buccaneers in a rematch of last year’s SSC final.

The Knights, who are ranked No. 1 in the NCAA Division II Southeast Region, will now host the four-team regional tournament on May 5-6 in Boca Raton.

This will be the Knights’ tenthstraight NCAA appearance in 10 years as a member of the NCAA and Lynn will be looking for its 10th-consecutive trip to the National Championships.

Women’s Golf Gets Player
By Chad Beattie

Women’s golf coach Courtney Bibby announced the signing of Maha Haddioui to the golf team for the 2006-07 season.

“Maha’s golf background and tournament experience are exceptional,” head coach Courtney Bibby said. “I am very confident that she will be a tremendous asset to the women’s golf team next season.”

Haddioui, an incoming freshman from Casablanca, Morocco, was named the top amateur golfer in Morocco.

Knights Knock Off #4 Men

By Sara Quatrocky

The men’s tennis team knocked off #4 Barry by the score of 5-3 to capture its second league title.

“You could not have asked for a better championship match today and we just showed our poise all day long and came away with the title,” head coach Mike Perez said.

Dennis Riegraf and Julien Carussuzza put the Knights on the board in doubles action, winning by the score of 8-0.

Coming from behind, Azavedo overpowered his opponent at the fifth spot by the score of 6-4, 6-2 to even up the match at 3-3.

Lorenzo Cava won in a third set tie-breaker 6-3, 6-2 10-8) to put the Knights in front for the first time in the match.

Carussuzza, the only Lynn player with an undefeated record, put away the Bucs with a victory at the no.2 spot.

The Knights now earn a bid to host the NCAA Division II Southeast Region Tournament May 5-7.

All-SSC Honors Given
Natasha Morgan Honored
By Chad Beattie

The women’s golf team got a bit of good news before the start of regional play as Natasha Morgan was named to the All-Sunshine State Women’s Golf Team. She announced the conference office.

Morgan becomes the second women’s golfer to earn All-SSC honors and the first since the 2002-03 season.

“I’m so pleased to be selected to the All-SSC team,” said Morgan.

“I had a pretty good season and I’ve worked very hard to get here but we [the team] still have the regionals to look forward to and I’m confident we can perform well enough there to make it to the national tournament.”

Morgan, the 2003-04 SSC Freshman of the Year, has had a stellar season, one in which she posted a career low 77 scoring average, won her second career tournament and finished in the top-10 a personal best four times.

Employment Tip Of The Month
Advice From Applied Card Systems
By Jeff Tokuyama

This month's career advice topic is: Thank You Letters.

There are several reasons you should write a thank you letter after every interview:
-Not everyone does them and it will set you apart from other candidates
-It shows you have professional manners
-It will give you an opportunity to show your writing skills
-It will reconfirm your interest in the open position
-It will give you the opportunity to clarify or list information not discussed in the interview
-It is a way to get your name back in front of the hiring manager
-It allows you to further define why you are the best candidate for the position

Thank you letters should be done in a business letter format and sent within 24 hours of the interview.

They can be typed or handwritten and sent by mail, e-mail, or fax.

If you have been interviewed by more than one person, individualize and personalize each letter.

When writing a thank you letter, follow these basic guidelines:

FIRST PARAGRAPH: Thank the interviewer for taking the time to meet with you and for additional information shared regarding the position and the company. Mention the position you interviewed for and the date of the meeting.

SECOND PARAGRAPH: State why you are interested in the position and the company. Confirm how your experience directly relates to the position requirements. Mention anything that may be important not discussed during the interview.

THIRD PARAGRAPH: Provide any information that was needed or promised including enclosures. Thank them again. State that you look forward to the next step in the interview process. Tell the interviewer you look forward to hearing from them again.

Voice of the Chiefs Speaks
Mitch Holthus Visits College of International Communication
By Michael Jacobs

Mitch Holthus, "Voice of the Kansas City Chiefs" and host of the "Minute with Mitch Show" was a guest speaker for Theresa Billiot's class in the College of International Communication here at Lynn.

On top of his play-by-play duties for the Chiefs, Holthus has been featured on ESPN and FOX, amongst other media outlets.

He is currently the president of the Sports Broadcasters Association, and has won the Sportscaster of the Year an unprecedented eight times. Holthus has won every major sportscaster award in the state of Kansas.

In addition to having a job as a sportscaster, Holthus is also involved in motivational speaking and performs over 40 speeches a year to various businesses and corporations. He also runs his own sales business.

Holthus recently spoke with the pulse and gave some advice to young aspiring broadcasters, as well as some inside information on the Kansas City Chiefs and their 2006 outlook.

Holthus spoke about the difficulties of being successful in the field of sports broadcasting, saying, "Be prepared to have your heart broken five or six times before you land a job you like."

Seemingly, the heartbreaks are worth the end result to Holthus, who said, "Find something you're passionate about and the money will follow."

As far as an inside look at the Chiefs, Holthus stated that they are looking to fill the holes in the secondary and perhaps at wide receiver.

Major SSC Honors Are Awarded
McGarity and Hoyt Receive Honors
By Chad Beattie

On the heels of winning the SSC Men's Golf Championship, Lynn University's men's golf coach Chris Greenwood was named Coach of the Year.

Hoyt McGarity was named Player of the Year, while McGarity and Keir McNicol were named to the All-SSC men's golf team.

This is the second time in school history LU has had both the Coach and Player of the Year and first time two members earned All-SSC honors.

"This is a tremendous honor for not only me but for Lynn University," said first-year head coach Chris Greenwood.

"This could not have happened had it not been for the team. We've had a great year but we need to focus on the regional tournament next and try for our ultimate goal of winning a national championship."

In his first season as coach, the Knights won a program record four tournaments including their second SSC Championship in three years.

Under his tutelage LU smashed the team scoring average, posting a 74.5 average, one-stroke less than the previous record set last season.

McGarity is the second member of Lynn to earn Player of the Year honors and first since the 2003-04 season.

He is also the second player to earn All-SSC honors twice in his career.

The Sagaponack, N.Y., product has set career bests in scoring average (72.44), tournament victories (two) and top-10 finishes (eight).

McGarity finished in the top-10 in eight consecutive tournaments and also has five top-five finishes.

McNicol is making a return to the All-SSC team after being named SSC Player of the Year in 2003-04.

The senior from Carnoustie, Scotland posted five consecutive top-10 finishes and six overall on route to a 74 scoring average.

He finished second individually at the SSC Tournament and fell one stroke shy of a playoff hole with eventual champion Dan Walters of Rollins.

SSC Champions
Caruszaa And Riegrafl Win
By Sara Quattrick

Carsy and Riegraf swept their doubles match by the score of 6-0 in the title match as he went on to clinch the team victory with a three-set thriller at the second singles position.

Wining the first set by the score of 6-3, 19th-ranked Carusza lost the second set 6-1 to force the third and final set where he pulled out a 7-5 victory that gave Lynn its fifth point in the match.

In the Knights' exciting come-from-behind victory, the Nice, France native remained as the only player with an undefeated record this season, moving to 16-0.

Carusza and Riegraf lead the Knights in doubles action with a team-beat 18-2 record.

Lynn is now 17-5 heading into the NCAA Southeast Regional Tournament where its making its second-straight NCAA appearance and third in the last four seasons.

Aviation Banquet Takes Off
Alpha Eta Rho Ceremony A Success
By Tuduetso Tebape

The delegates were excited about the event, as one student commented: “It felt good to get involved with something like this here. At Lynn, I find that there is a very little interest expressed by the student body in global affairs so I was definitely happy to see so many students participating in this.”

This Model United Nations Conference is a good example of the progress Lynn University is making in providing a diversity of activities for a body of students with diverse intellectual abilities and interests.

It is hoped that this will be the first of many events of this sort on campus.

On Monday, aviation students and students interested in the aeronautical industry attended Alpha Eta Rho’s second annual banquet.

At the event, both members and non-members of the campus fraternity Alpha Eta Rho were given the opportunity to hear from special guest speakers who work in high-level positions in the private sector of the aviation industry.

Those who attended also gave their support to the new members of Alpha Eta Rho as they were sworn in.

During the banquet, aviators and aviation enthusiasts alike listened to two of the “big names” in the aviation industry: Adam Presser of the private jet company Marquis Jet and Craig Seigel of the company Blue Star Jet.

The speakers touched on issues of concern such as employment and the effect of 9/11 on the private sector of the industry.

Presser and Seigel also encouraged students to look into employment within the private aviation industry because of all the promise it offers.

R. Collie, the secretary of Alpha Eta Rho, spoke with the iPulse and gave her thoughts on the event: “At our second annual banquet we had great time learning from professionals in the industry and supporting our new members of the fraternity.

The banquet is a new tradition for Alpha Eta Rho. For next year, we hope to incorporate improvements into the fraternity and the banquet and we hope these improvements will help Alpha Eta Rho grow in the Lynn University community.”

Last Saturday Lynn University’s College of Arts and Sciences hosted its first Model United Nations Conference, under the direction of faculty members Dr. Marcheta Wright, Dr. Anna Krift, and Professor Urlike Gutberlet.

In this Model U.N. conference, students act as ambassadors of various United Nations member states, and deliberate on the agendas of the day in a mock conference setting.

At Lynn’s Model UN Conference, the two topics discussed were the current genocide crisis in Darfur and children’s rights.

Twenty-two students participated in the conference as ambassadors and represented such UN member states as Botswana, Thailand, Timor-Leste, Singapore, Sudan, and more.

The Substance Abuse Prevention Interns will be holding a Speaker and Movie with Pizza event each Thursday in April.

Baseball Wins 10-1 Team Coasts To Victory
By Chad Beattie
The baseball team cranked out 12 hits while surrendering only four in a 10-1 victory against St. Thomas.
Nicolas Boisvert continued his hot hitting, extending his hitting streak to eight games with a 3-for-4, two RBI performance.
Joel Burnett picked up his third win of the year in the Knights final home game of the season. Lynn improves to 31-17 overall.

“Graduating Seniors - You’re Hired!”

It was nice to see these guys put the Tampa series behind them and play some quality baseball,” head coach Rudy Garbalosa said.

“Our pitchers today did a great job of throwing strikes and the infield played great behind them. I was happy to see our offense be so aggressive as well.”

Hayes is a forward from Oviedo, Fl. He is a communications major who hopes to work as a sports broadcaster.

Gotta Have: Google Gadgets

Software Services Offered by Google

By Brett Samuels

It seems as if lately it's impossible to go even a day without "Googling" something. Google has become one of the most powerful trademarks in the world, and has managed to do so in only a few years.

While everyone knows Google as a search engine, some people don't know that Google is also working to make PCs work better and smarter faster than ever before! Google now offers some amazing software. And the best part? It's all free.

Some of Google's best offerings include:

Google Earth
This is an awesome program that "flies" users around the earth via satellite imagery.

Google Earth

Satellite views of homes, businesses, and anything that has an address can be seen, right on that personal desktop.

Picasa

This program is a photo organizing software that searches through computers and organizes all of the pictures and images that are on the hard drive.

Picasa

Tools are also included to make photographs look even better, and they're easy enough for even a novice to use.

Trillian

All instant messaging services are combined in this bit of software. Users can stay in touch with AOL, Yahoo, and MSN friends, all at the same time!

Trillian

The Swiss Army Knife of Instant Messaging.

GMail

Google now offers a free Internet mail service. Many users don't look back at their old mail services once they sign up with GMail.

GMail

GMail sorts replies E-mails in an easy-to-read Instant message format. It also has enough memory available to clients that it's quite possible that no message will ever have to be deleted again!

Google Desktop

This software helps organize an entire computer by indexing all of the files and making them very easy to find. It also acts as an RSS reader and keeps GMail at the user's fingertips.

Google Desktop

It hovers "behind the scenes" on the desktop until called up by placing the mouse to the side of the screen.

Keep an eye on Google and its software, as more seems to be available every month. These programs (and many more) can be found by going to google.com and clicking "more." Enjoy!

Variations of Reality

A Student Performance

By Crystal Burdine

The Lynn Theatre Department began "Variations of Reality" yesterday, a set of five short plays about different situations in life that each give a different perspective on reality.

The five variations, all written by David Ives, include Sure Thing, The Philadelphia, Enigma Variations, Variations on the Death of Trotsky, and Captive Audience.

"Variations of Reality," a show unlike any Lynn has ever seen, will be performed today and Saturday at 8:00 pm in the Student Center cafeteria.

Popular music and videos will be used to incorporate the variations with a comic dance routine and surprise performance in a colorful and uplifting show.

Each cast member brings a unique and entertaining perspective to the play. Jay Xavier, Frantz Marcellin, Yanni Papekakis, Patrick Whalen, Christie Schade, Rosa Arnone, Robert Bellotto, Trishana Marji, Brittany Heath, Aaron Stackman, Jennifer Griffon, and Crystal Burdine make up the cast.

Go to the show to support Lynn's Theatre Department, and to enjoy what is being tabbed as a "spectacular performance."

Faculty Profile

Denise Belafonte-Young

By Jenna Ulbrich

Denise Belafonte-Young is a Communications professor here at Lynn University, teaching production, media management, and media programming courses.

She is an advisor for the National Broadcasting Society (NBS) organization on campus, and has been an advisor for Lynn's Debate Team since 2000.

Before teaching at Lynn, Belafonte-Young earned her BA in Television and Radio and her MFA in television Production from Brooklyn College, as well as obtaining an AAS in Liberal Arts from Kingsborough College.

Professor Belafonte-Young has taught at many prestigious institutions around the United States, such as Barry University, Connecticut School of Broadcasting, and the Art Institute of Fort Lauderdale.

Belafonte-Young's experience extends farther than the classroom: she has been a producer/director for BCTV, a board operator for WFAN SportsRadio 666, and has started her own production company called 12zon Video Production.

In her free time, Professor Belafonte-Young enjoys photography and video editing, and water safety instructing.

Professor Belafonte-Young says that she enjoys teaching at Lynn University because she likes that she has "the opportunity to bring out creativity and real world skills out of my students."
