AFROTC Ceremony

Lynn Students Awarded

By Jeff Johnson

Three Lynn University students attend AFROTC Detachment 155 classes at the University of Miami, and their annual Final Parade Awards Ceremony was held last week.

Pictured from left to right: Lt. Col. Jeff Johnson, a Lieutenant Colonel in the U.S. Air Force Reserve, will administer the Air Force Oath of Office to Smith at 3:00 pm on Graduation Day, swearing him in as a Second Lieutenant in the USAF.

School of Aeronautics Dean Smith will begin his active duty in early June at the Maxwell Air Force Base in Alabama, and will then entertain navigator training at Randolf AFB in Texas.

Cadets Godfrey and Collins have been awarded AFROTC scholarships and will attend AFROTC Field Training this summer. After the completion of their training, the cadets will join the Professional Officer Corps of Detachment 155 and continue their academic AFROTC courses here at Lynn while attending Leadership Laboratory at UM.

Question of the Day

What is your dream job?

My dream is to work on a big-budget film.

Campus Views

Today’s New Look

By Ashley Roberts

Over the past years, students of Lynn University have come to know and love (or hate) the fountains that are scattered throughout the lakes of Lynn.

This particular campus view is one that is seen daily by those on the grounds. There are many lake fountains around campus; some work, some don’t, and some look as if they’ve never even been turned on.

Love them or hate them, these fountains are a huge part of the landscaping at Lynn.

The fountain photographed here is one that sits behind the ASSAF building, and is seen daily by most of Lynn’s population.

Some see beauty as they pass, whereas others just see another fountain. So why is it today’s campus view?

While the fountains may one day turn off, never to be seen again, the ripples that they created will be remembered.

As the semester ends, and school ends for this year’s seniors, the memory of Lynn will live on, just as the lake fountains of today’s campus view will live on as well.

Baseball Splits
Win, Loss To FGCU
By Chad Beattie

Fourteen runs and 10 hits highlighted a 14-7 victory for the Lynn University baseball team in game two against no. 21 Florida Gulf Coast, though dropping the first game 9-1 on Sunday afternoon.

Nicolas Boisvert, George Brandner and Ricky Davis drove in three runs apiece as the Knights clung to post-season aspirations. LU is 32-19 overall.

Boisvert scored three runs in the first inning of game two, just one run shy of their output in the last two games combined.

The Knights scored three runs in the first inning of game two, just one run shy of their output in the last two games combined.

Control problems plagued the Eagles in the fourth, helping the Knights counter with 10 runs on 15 batters.

Jimmy Bacon forced the first error by FGCU in the three-game series with a nice bunt down the third base line.

The FGCU pitcher’s throw sailed wide, allowing Boisvert to score easily from second.

Tommy Tickle was hit by a pitch for the 10th time this season, giving him a program record 29 bean balls for his career. Boisvert recorded his team-high 29th multi-hit game and is batting .405 for the season.

Softball Season Ends
Team Falls To Rollins
By Jessica Wright

The softball team just wrapped up its 2006 season. Senior Jenna Piotrowski went 3-for-6 from the plate and grab an RBI in her final run. The Knights were swept by Rollins College with a game one score of 4-3 and a game two score of 1-5.

Rollins’’s walk-up long ball to left field in the first inning seemed to be the key needed to spark the Knights this afternoon. Rollins hit her team-high eleventh home run of the season; the junior tags a .402 batting average and 32 RBI thus far.

Megan Osborne, went 2-for-3 from the plate. Osborne started off the game with a single to left field and ripped one up the middle in the bottom of the sixth.

Ashley Byrd found some fire this game, hitting 2-for-3 from the plate and theft an RBI.

In game two, Rachel Foster brought Heather Tucker across the plate to finally get the Knights on the board making it 1-2 at the bottom of two.

Senior Jenna Piotrowski just played her final home game of her four-year career at Lynn, becoming just the fifth player in Knights history to become a four-year letter winner with the softball program.

In her highly successful career with the Blue and White, Piotrowski has played in 211 games, which will place her at the top of the record book.

With 28 career home runs, she will leave her mark with the second most in program history.

Piotrowski has collected 104 career RBIs which will also place her second in the all-time career records. She helped guide Lynn to its first-ever NCAA Division II National Championship last season.

Piotrowski has been named First Team All-SSC, and was voted to the South Region All-Tournament Team. She also received Second Team All-SSC honors as a Sophomore and Freshman.

Students: Stressed?
Try These Helpful Tips
By Kaitlyn Hughes

The end of the school year is fast approaching. And students, especially seniors, are feeling the pressure to do well on their final exams to get that passing grade.

For some students, summer is only a moment away, and laziness has already kicked in. These students have come down with "senioritis." For others, stress has taken over, and school has become overwhelming.

Here are some tips for easy ways to relax before cracking open that book and studying the night away:

Just breathe. Take a moment to get in a few deep breaths, and then settle in with those books.

Hit the gym. Sweat off the stress before studying.

Go for a walk. Take your mind off of your troubles while giving your body a little workout.

Meditation. Take a few moments to clear your mind, and then fill it up with all of the facts you need for your exam.

Massage Therapy. A massage is a great way to relax the body and prepare the mind for studying.

Music. Music can be extremely therapeutic. Turn on your favorite band or artist, and listen away, before, after, and during your studies.

Let go of that stress and get motivated. The semester is almost over, and for seniors, the end is near. So relax, and good luck with finals!
